Delhi Disco Shikhar Goyal,2025-04-24 Neil Ramamurthy an Indian origin American DJ reaches Delhi on his first trip to India His only objective is to win back his girlfriend Sameera after she broke his heart in New York City on New Year s Eve several months ago Sameera Kapoor is busy launching her club Kapital which has been shuttered since her mother dropped dead in it five years ago Safe to say a relationship s not on her mind The way to Sameera s heart is through her club and its smooth launch but as luck would have it the road to Kapital s launch is marred with bizarre incidents And when everything seems to have returned to normal an accidental death in the club sends Neil and Sameera s world crashing down To make matters worse the officer in charge Inspector KK seems hell bent on making things harder for them As Neil maneuvers through these challenges he finds himself entangled in a ludicrous love triangle one which may or may not be responsible for the events at Kapital Who knew being a DJ came with such a huge occupational hazard

Soft Power Superpowers Yasushi Watanabe,David L McConnell,2015-01-28 The term soft power describes a country s ability to get what it wants by attracting rather than coercing others by engaging hearts and minds through cultural and political values and foreign policies that other countries see as legitimate and conducive to their own interests This book analyzes the soft power assets of the United States and Japan and how they contributed to one of the most successful if unlikely bilateral relationships of the twentieth century Sponsored by the U S Social Science Research Council and the Japan Foundation s Center for Global Partnership the book brings together anthropologists political scientists historians economists diplomats and others to explore the multiple axes of soft power that operate in the U S Japanese relationship and between the United States and Japan and other regions of the world The contributors move beyond an either or concept of hard versus soft power to a more dynamic interpretation and demonstrate the important role of non state actors in wielding soft power They show how public diplomacy on both sides of the Pacific bolstered by less formal influences such as popular cultural icons product brands martial arts baseball and educational exchanges has led to a vibrant U S Japanese relationship since World War II despite formidable challenges Emphasizing the essentially interactive nature of persuasion the book highlights an approach to soft power that has many implications for the world today
