**Help, Comfort, And Hope After Losing Your Baby In Pregnancy Or The First Year** Hannah Lothrop, 2009-04-13  
Through her own experience with miscarriage as well as through the voices of other parents who have suffered the devastation of their baby's death, psychologist Hannah Lothrop guides parents through the experience of bereavement from shock and disbelief to renewal and growth. This warm, insightful book also provides specific information for caregivers, hospital staff, clergy, relatives, or counselors. Thoughtful questions throughout help readers assess their emotions and identify their needs, and an extensive list of resources provides additional sources of support. **Grieving with Hope** Samuel J. Hodges IV, Kathy Leonard, 2011-11  
Practical and straightforward yet warm and compassionate, *Grieving with Hope* clarifies the popular misconception that people move through stages of grief. This will be an encouragement to many as grieving people often think something is wrong with them when their grief doesn't proceed neatly through stages. The reality is that grieving people jump back and forth between different emotions, sometimes wrestling with multiple emotions at once. This book is packed with short, biblically based, gospel-centered topical chapters addressing the issues grieving people face but are often hesitant to mention to others. It helps readers accurately interpret the message their emotions are sending them and gently guides them to determine whether they're grieving in a way that leads to hope and ultimate healing. Developed from interviews with over 30 well-respected Christian counselors, teachers, and authors, as well as numerous personal testimonies, *Grieving with Hope* helps the bereaved discover how hope and peace are available amidst their heartache and pain. *Help Comfort & Hope* Hannah Lothrop, 1997-07-21  
HELP COMFORT HOPE AFTER LOSING YOUR BABY IN PREGNANCY OR THE FIRST YEAR can help parents consecrate their precious memories of this pregnancy, this baby. And with empathy and first-hand knowledge, Hannah Lothrop also helps bereaved parents start an important healing process that resolves grief into acceptance. *The Song of Hope* Pasquale De Marco, 2025-04-23
