## Help Is Just Around The Corner:

**Just Around the Corner** Tara Taylor Quinn, 2010-05-14 Phyllis Langford is everybody's friend and nobody's lover. Until she succumbs to the unexpected temptation of Matt Sheffield and soon after discovers she's pregnant. Matt's a loner, a man who hides from the possibility of love and family. Just as well, in Phyllis's opinion, since she doesn't want or need anything from him. Not one single thing. But Matt can't quite leave it at that. Matt and Phyllis arrive at an agreement: he'll help her out. That's all. He'll drive her to the doctor, take care of her household chores. But this agreement gradually leads them to a bigger involvement in each other's lives, and by New Year's Eve they're ready for the biggest involvement of all: marriage. Which is a good thing, because as it turns out, there are two babies waiting just around the corner. Happy New Year, Phyllis. Matt and twins to be.

*Just Around the Corner* Fannie Hurst, 2022-08-01 Fannie Hurst's *Just Around the Corner* Romance casserole presented by DigiCat Publishing is a nuanced exploration of the human condition encapsulated in the form of a romance that delves deep into the societal norms and emotional complexities of its era. Hurst's narrative weaves a rich tapestry of passion and pragmatism as she utilizes a style that is both lyrical and forthright. With this special edition, DigiCat ensures that the vibrancy of her prose, as well as the socio-cultural milieu within which it resides, is conveyed with the reverence owed to a classic piece of world literature, thus allowing modern readers an engaging portal to a bygone epoch. A storied figure in American literature, Fannie Hurst's oeuvre often confronted the rigid social constructs of her time. Her fiction was marked by a deep empathy for the marginalized and a boldness to address contentious issues. *Just Around the Corner* serves as a testament to her literary courage and is perhaps reflective of her own journey as a writer, one who frequently pushed against the boundaries of expectation and championed the inner life of her characters. Hurst's personal insights and experiences undeniably shaped the authenticity and resonance of the emotions captured within the pages of this work. This special edition of *Just Around the Corner* is highly recommended for readers who seek more than just a love story. Imbued with the spirit of its time yet timeless in its emotional truths, the book holds a mirror to not just the characters' lives but also to the complexities inherent in the human experience. It appeals to those who appreciate literary finesse, robust character development, and a narrative that honors the legacy of an author whose work continues to inspire critical thought and heartfelt connection.

*Just Around the Corner* Melissa Pavese, 2019-01-31 *Just Around the Corner* By Melissa Pavese Rachel has been living her dream as a lawyer in a top New York City law firm and is living with Ben, who she met and fell in love with during law school. Now she is looking to make a career change and is confident that with Ben's support she will succeed. But then Rachel's life takes an unexpected turn, and she is forced to face her fears and take a leap of faith that will ultimately lead her to find true happiness.

*Just Around The Corner* Stanley Aronowitz, 2005-03-14 Americans have always believed that economic growth leads to job growth. In this groundbreaking analysis, Stanley Aronowitz argues that this is no longer true. *Just Around the Corner* examines the state of the American economy as planned by Democrats and Republicans.

over the last thirty years Aronowitz finds that economic growth has become delinked from job creation and that unemployment and underemployment are a permanent condition of our economy He traces the historical roots of this state of affairs and sees under the surface of booms and busts a continuum of economic austerity that creates financial windfalls for the rich at the expense of most Americans Aronowitz also explores the cultural and political processes by which we have come to describe and accept economics in the United States He concludes by presenting a concrete plan of action that would guarantee employment and living wages for all Americans With both measured analysis and persuasive reasoning *Just Around the Corner* provides an indispensable guide to our current economic predicament and a bold challenge to economists and policymakers

***Just Around the Corner*** Dr. M Lisa Baxter,2013-06-24 You'll pass to the left of the tree and then curl around it clockwise fairly close then just keep centered between the mibes on either side After you curve around the tree you'll be gingerly following a gentle curve counter clockwise again If from the starting point you just carefully keep between the mines on both sides you may get through unscathed unharmed and intact

***Right Around the Corner*** Steven Traylor,2004-04 One weekend Five people Chance meetings One fateful outcome Sometimes the people you accidentally meet are destined for much more Upset and disturbed Rick Harbring said some things he probably shouldn't have said His wife Jennifer now feels like she doesn't know him and that she's missing out on something She knows it because she just had a wonderful experience with Charles Devereaux His loving wife Dana and their prosperous life is picture perfect That is until devastation knocks on their door and Dana eventually finds herself seeking assistance from one of the most unlikely sources in Adrian Molina an unstable cop with an even shakier past Looking for answers that have eluded him throughout life his dilemmas begin after he makes a routine traffic stop The offender Jennifer Harbring But what appear to be coincidental meetings begin to link these five people together in ways they never imagined cultivating a weekend full of betrayal surprises and shocking revelations And before it's all over they'll see that what's right around the corner in their lives could be more than they ever bargained for
