Jackson,2011-02-18 I just want to vent with military spouses single mothers and fathers and those who are considering getting married to someone in the military I have with no consideration experienced the hardships of having to raise a child alone without the help of my friends my family or my spouse My story isn t a unique story but it s my story and my story starts with my wife having to leave my two year old daughter and me for one year to deploy downrange in Afghanistan It was an eye opening experience that forced me to relate to all the military spouses that are left behind having to take on all of the domestic issues at home while their loved one is away defending the freedom of America Having served twenty years of honorable service in the U S Navy I can truly say that this is the very first time I truly understood the hardships of a military spouse It s not just military spouses I relate to but parents in general who are the sole caretaker of their children and household Follow me as I vent about the daunting experiences I endured as a single househusband stuck in my ways with limited or no patience for this trivial life of marriage military and mayhem **When A Heartless Thug Holds Me Close 3** Tya Marie,2018-03-29 The cards have fallen where they may and in the final installment of When a Heartless Thug Holds Me Close this true love story may come to a tragic ending if the Townsend Brothers are unable to dead their beef with the Assan Brothers once and for all The confidence Yara restored in herself has come under fire after Ghetto s vicious attack on her leaving her body as well as her mind under duress However she doesn t have to fight this uphill battle by herself because Quade is there for her kissing her scars and healing old wounds that threatened to reopen With the budding romance between her and Quade being placed in jeopardy Yara returns the favor by becoming Quade s solace throughout a war for the books Her loyalty to Quade is enough to keep him from teetering over the edge but when tragedy strikes the Townsend Brothers Yara s love might not be enough to tame Quade s wild ways Quade Townsend has always kissed death on the lips played a game of tug of war with it and thinks of it as a badge of honor to end his premature life Fighting against the Assan Brothers has made him a friend of it as he gifts casualties of war over as fast as his deadly trigger finger can allow But what happens when death stakes a claim to someone he loves and in return promises to return back for seconds after a bullseye has been planted on another Quade finds himself trapped between guarding his life so he could have a future with Yara and sacrificing it for the sake of family After making the decision with a heavy heart Quade discovers that a new life is on the line and even if he manages to save it his days with Yara will certainly be numbered After being entangled in a bed of lies Cash wakes up to the reality that her relationship with Savion is no longer salvageable Her fears are confirmed after the betrayed Townsend Brother teaches her a hard lesson on the game she s never likely to forget Cash quickly falls out of love with the game as she had once fell in love with it vowing to go on the straight and narrow to pursue her styling business She s finally achieved inner happiness at the thought of a life filled with normalcy when Savion returned offering her the opportunity of a lifetime Unbeknownst to Cash this deal comes

Apparently we are entering a Brave New World where truth justice and the American way have been cast aside for subterfuge indoctrination and manipulation Most of the people who live in this amazing country still hold the traditional values which have always been the solid ground under its foundation Local national and social media as well as the doublespeak from most of our self serving politicians employ outright lies and innuendo to convince the majority of good people they are in the minority and their voice is irrelevant They have been erroneously led to believe and accept their supposed minority status with the vast bulk of the population supposedly residing on the opposite end of the political spectrum Such is the false propaganda being foisted on us To quote Joseph Goebbels Hitler s minister of propaganda Think of the press as a great keyboard on which the government can play Accuse the other side of that which you are guilty You can t change the masses They will always be the same dumb gluttonous and forgetful If you repeat a lie often enough people will begin to believe it and you ll even come to believe it yourself Propaganda works best when those who are being manipulated are confident they are acting on their own free will A lie told once remains a lie but a lie told a thousand times becomes the truth Sound familiar It ought to We are living it and it will be our undoing Never believe for one minute this is simply the way it goes in all societies The greatest sin reasonable individuals can commit is the refusal to think and perceive reality for what it is This is my attempt to create a character Iggy Marcus the epitome of integrity bearing the standard for all honest men and women everywhere who abhor the destruction of America man s greatest political creation If we refuse to take up the standard with him and abandon our obligation to posterity we will witness America s slide into oblivion as we get what we deserve for our apathy Gerald Ciccarone **I'm Pregnant. . .Now What?** Ruth Graham,Sara PhD Dormon,2004-10-01 We have been where you are Our book comes out of experience This book has been written by people who know what you are confronting If you are reading this you are full of questions for which you have few if any answers People may be giving you answers but they do not really know your questions and do not seem to be listening to you You are under a great amount of stress and pressure You may be alone in your dilemma with no support from those who made you promises You feel rejected and betrayed You are hurt and angry We understand those feelings It is our desire to address your needs factually and to encourage you We will examine the issues involved from all sides and give you the best information available so you can make a decision with which you can live
