End Of Time The Provocation Of Talking About God:

A Sacramental-prophetic Vision Matthew T. Eggemeier, 2014 In *A Sacramental Prophetic Vision The Praxis of Christian Spirituality in a Suffering World* Matthew Eggemeier argues that the sacramental and prophetic traditions of Christian spirituality possesses critical resources for responding to the contemporary social crises of widespread ecological degradation and the innocent suffering of a crucified people Eggemeier maintains that the vital key for cultivating these sacramental and prophetic traditions in the present is to situate these spiritualities in the context of spiritual exercises or ascetical practices that enable Christians to live more deeply coram Deo and in turn to make this presence visible in a suffering world

Gustavo Gutiérrez and the Liberative Sight of Christ Luke Foster, 2024-06-28 How can we speak of God as Father in a world that is inhumane While many engagements with Gutiérrez's theology centre on such themes as the option for the poor the role of praxis or the Kingdom of God in Gustavo Gutiérrez and the Liberative Sight of Christ Luke Foster explores the underlying theological convictions and commitments within which these concepts cohere By developing an analysis that is attentive to the unity and coherence of Gutiérrez's thought Foster resources a critique that is distinctive not only in its pertinence but also in the possibilities that it opens for the development of his project in the future Innovatively offering a systemic account of Gutiérrez's theology this book offers both an indispensable overview for those who are engaging with Gutiérrez for the first time and a distinctive analysis for those who are seeking to deepen their understanding of his work

Hope in Action Steven M. Rodenborn, 2014-08-01 This volume contends against a major lacuna in the story of eschatology in the twentieth century by offering a historical and comparative analysis of Edward Schillebeeckx's prophetic eschatology and Johann Baptist Metz's apocalyptic eschatology with the goal of identifying relative advantages and limitations of these divergent eschatological frameworks for rendering a Christian account of hope that prompts action in the public arena Rodenborn provides a fresh angle on eschatologies of hope

Visions of Hope Kevin Ahern, 2013 Fifty years after the Second Vatican Council emerging theologians are in a unique position to offer hopeful visions for the next fifty years of the Church in light of the pressing internal and external challenges it faces today Rooted in the texts of Vatican II and a commitment to the church *Visions of Hope* brings together the research of leading young scholars around five important topics dialogue ecclesiology ethics liturgy and ministry These ideas represent the future shape of the Church because they are from the theologians who are planting the seminal ideas of Church

The End of Time? Tiemo Rainer Peters, Claus Urban, James Matthew Ashley, 2004 An opportunity to listen in on what was an important forum for theological discussion and an experiment in church politics this work makes available the proceedings from this significant meeting Of particular interest is the appearance here of Metz and Ratzinger two theologians who had clashed in the past and who are theologically poles apart

The End of Time? Joseph Cardinal Ratzinger, 2004
