Ending The Homework Hassle Understanding Preventing And Solving School Performance Problems

WJ Hussar

Ending The Homework Hassle Understanding Preventing And Solving School Performance Problems:

Ending the Homework Hassle John Rosemond, 2011-04-11 Homework can be one of the most frustrating of all problem areas for children and parents. In this helpful guide, Rosemond warns against parental interference and demonstrates ways to help children learn to work on their own and to take responsibility for getting the work done themselves. **Strategies for Teaching Boys and Girls -- Elementary Level** Michael Gurian, Kathy Stevens, Kelley King, 2010-12-15 In his best-selling classic *Boys and Girls Learn Differently*, Michael Gurian explained the origin and nature of gender differences in the classroom. His important book explored the behavior teachers observed and the challenges they faced with both boys and girls in their classrooms. Taking the next step, *Strategies for Teaching Boys Elementary Level A Workbook for Educators and Girls* offers teachers a hands-on resource that draws on the Gurian Institute's research and training with elementary schools and school districts. The workbook presents practical strategies, lessons, and activities that have been field-tested in real classrooms and developed to harness boys and girls' unique strengths. The workbook is designed to help teachers build a solid foundation of learning and study habits that their students can use in the classroom and at home. It covers the key curricular areas and offers proven techniques to make learning no matter what the subject more engaging for all students. The workbook is an essential resource for all teachers who want to improve their practice and get the most from all students whatever their gender.

John Rosemond's Six-point Plan for Raising Happy, Healthy Children John K. Rosemond, 1989 Discusses a plan for child rearing based on authority, responsibility, and respect and emphasizes the importance of limiting television viewing time. *Middle School and the Age of Adjustment* Eileen Bernstein, 2002-07-30 Middle school is a time in children's lives when they experience tremendous changes physically, emotionally, and socially. It is a very vulnerable stage when children are exposed to risky behaviors, intense peer pressure, and a possible academic decline. Parents need to be aware of the issues and challenges that their children face so that they can help to solve problems in a proactive manner. When parents work closely with school personnel, young adolescents are guided more effectively. The author, who has worked as a middle school counselor, reveals actual problems that a school counselor might encounter among students and provides vignettes of student situations and conversations with parents. She provides many suggestions to help parents establish boundaries for their children and give guidance as they navigate the troubled waters of early adolescence. She stresses that parents who are informed about the problems their children will face can better help them deal with the issues. **Teaching Learning** Sid Jacobson, 2013-07-09 Since the 1970s, educators, psychologists, and politicians have continually stressed the need to help children actually learn how to learn. This groundbreaking book is the first of its kind to do just that. Aimed at parents who want to start their kids off on the right track, this book is actually a step-by-step course to help you teach your kids how to learn. It's filled with explanations, exercises, tips, checklists, and guidelines to help you at every step in the process. Your kids won't learn these things in school because schools aren't equipped to provide it. Here is your chance to make up for

whats missing in the classroom You wont find anything like it anywhere else THIS BOOK IS GREAT Sid has written what may be the definitive guide for parents and anyone else who works with children He literally covers it all how to prepare yourself the most important things you need to pay attention to when you are working with children to help them succeed Joseph Riggio Ph D Cognitive Scientist author of The State of Perfection The frustration with learning can be greatly alleviated if we apply the principles and processes offered in this book If you are a parent teacher or have ever been a young frustrated learner you will love this book Judith DeLozier Co author of NLP II The Next Generation In a remarkably practical and engaging way Sid Jacobson offers helpful and unique suggestions for how to help kids to fall in love with learning to learn It is clear that Sid is sharing a passion that he has developed for many years I highly recommend this book Stephen Gilligan Ph D Psychologist author of The Courage To Love **Perfect Parenting: The Dictionary of 1,000 Parenting Tips** Elizabeth Pantley,1998-11-11 Your go to guide for your parenting questions from the author of the breakthrough No Cry series Perfect Parenting will give you the tools you need to feel confident as you raise your children This handy reference book may become an indispensable part of your family s life from the foreword by William Sears M D Perfect Parenting is parenting with a plan It is based on action not reaction thoughtfulness not anger knowledge not chance common sense not nonsense This A Z guide of practical ideas will inspire you to find the right answers for the many discipline and behavior issues you face every day Inside you will find many options and methods that can help you be thoughtful in your approach to raising your children You ll learn what to do about back talk dawdling interrupting stubbornness whining You ll find ways to get your kids to do the chores stop ignoring you and clean up their own messes You ll even learn what to do about other people s children Elizabeth Pantley designed a questionnaire addressing discipline problems and sent it to hundreds of parents Their answers shaped this book to make it the most useful practical book on discipline available today Journal of Research and Development in Education ,2000 To Spank Or Not to Spank John Rosemond,John K. Rosemond,1994-10-13 A child rearing expert presents a study of child directed discipline offering a common sense approach to the issue of discipline parental authority and self esteem **A Family Affair** Curt Dudley-Marling,2000 Drawing on a series of interviews with parents A Family Affair provides an insider s view of what happens at home when school goes wrong **Parents as Managers of Homework Interventions, an Emperical Analysis** Mary Margaret Rhoades,1993 Hacer la Tarea John Rosemond,2014-02-04 La tarea puede ser uno de los problemas m s frustrantes para ni os y padres En esta gu a til Rosemond advierte en contra de la interferencia de los padres y ofrece m todos para ayudar a los ni os hacer su propia tarea *Homework* Eunsook Hong,Roberta M. Milgram,2000-06-30 This work provides counsellors classroom teachers and parents with an understanding of homework as well as an introduction to homework methods and materials in order to aid them in the challenge of helping children to do homework more effectively **The Publishers Weekly** ,1990 The North Carolina Historical Review ,1992 Making the "Terrible" Twos Terrific John Rosemond,John K. Rosemond,1993-07 Rosemond guides parents through

the steps of establishing an effective disciplinary style and a tried and true recipe for bringing out the very best in young children **American Bookseller** ,1989 *Urban Family* ,1992 **Bibliographic Guide to Education** ,1991 lists publications cataloged by Teachers College Columbia University supplemented by The Research Libraries of The New York Public Library *American Book Publishing Record* ,1990 *The Best Self-help and Self-awareness Books* Stephen Fried,G. Ann Schultis,1995 A guide that aims to help readers and librarians select the most useful books among the mass of self help publications while exploring the key ideas and trends in popular psychology It examines the concepts behind the foremost personal and interpersonal issues in self help books
