Energy Vampires A Practical Guide To Psychic Selfprotection:

Psychic Vampires Joe H. Slate, 2002 Consuming energy instead of blood psychic vampires come in a variety of unsuspecting guises This unique approach to the subject will introduce you to a trio of new thieves group vampires parasitic vampires and global vampirism Exploring environmental developmental and past life factors Psychic Vampires presents effective step by step empowerment procedures you can use to protect yourself and replenish your energy reserves This practical guide offers An exploration of previously unknown forms of psychic vampirism Methods to identify and counteract the effects of psychic attacks Thirteen photos illustrating the Vampire Shadow Phenomenon the Halo Effect and more A Seven Day Psychic Protection Plan [The Llewellyn Practical Guide to Psychic Self-defense & Well-being](#) Melita Denning, Osborne Phillips, 2002-09 Deliberate psychic attack is very rare However your psyche is constantly under attack from friends and strangers advertisers and politicians who want to manipulate you Luckily there is a solution Denning and Phillips Practical Guide to Psychic Self Defense The best way to overcome attacks on your psyche is through awareness that they are occurring This requires you to become more awake and alert to this bombardment Part of the technique is to understand how this attempted manipulation works By studying this book you will gain that knowledge The result is that the psychological intimidation that has been used on you in the past will no longer control you There are two types of psychic attack The first kind is attack by a person who has not had any occult training He or she may feel slighted or betrayed by you based on actual or imagined situations and hold on to negative emotions Eventually unknown to that person the negative energy can leap out directed at you This book reveals that your aura is your best line of defense By using the exercises in this book to strengthen your aura any such unintentional psychic attack will easily be dispelled and discharged Even more rare is the classic psychic attack where a person does some sort of spell or ritual to harm you Full instructions are given for overcoming such negative magick both on a practical physical level sever any physical connection between you and the attacker and on a ritual spiritual level perform blessings and rites to overcome psychic attack But what happens if an attack does get through First you have to know how to recognize it Usually a successful attack strikes at your weak link That could be your physical health causing illness or your mental attitude causing depression This book will show you how to recognize the problem and how to deal with it effectively *The Practical Psychic Self-Defense Handbook* Robert Bruce, 2011-03-01 Is everything that goes on in your mind really you Perhaps not says Australian psychic researcher Robert Bruce Drawing on more than two decades of firsthand research and experience Bruce reports that our minds are subject to influences from many unseen spiritual sources Some of these can influence how we think feel act and even how our bodies function They can make us unhappy irritable confused sick unstable even crazy This is why we need practical tools and countermeasures for psychic self defense all of which Bruce provides This is the ultimate guide to combating the influences of earthbound spirits deranged ghosts astral snakes and spiders demonic spirits and poltergeists This is a highly anecdotal and comprehensive

practical guide to the dark side of the psychic universe **Becoming Clairvoyant** Cassandra Eason,2010-05-06 In BECOMING CLAIRVOYANT bestselling author and renowned clairvoyant Cassandra Eason will help you to nurture and improve your abilities and take them to a higher level of expertise Whether you want to use your powers purely for pleasure or if you are hoping to work professionally on the psychic circuit BECOMING CLAIRVOYANT offers Guidance on predictions tarot reading premonitions auras ghosts spirit guides crystals and much more A step by step course in the various elements of clairvoyance Essential information practical exercises and self assessment tests Invaluable tips on dealing with clients and giving readings Written for beginners and experts alike here is a comprehensive and insightful guide to a fascinating line of work **Spirit Rescue** Tick Gaudreau,2006-03 When walking on a moonless night past a cemetery who among us hasn't felt a bit of a chill when a twig snaps nearby or a night bird takes flight Just about everyone has either encountered a ghost or heard an anecdote about a haunting But why do ghosts haunt in the first place Is there a reason they do not simply leave Author Tick Gaudreau provides the answers you need to these common questions Spirit Rescue presents his intriguing experiences with different types of haunting spirits Utilizing specialized techniques he has worked with spirits in a safe respectful and loving manner Gaudreau shares these methods with you to help you identify different types of spiritual beings Gaudreau also presents the fascinating true stories behind many of his spiritual encounters including tales of his Spirit Rescues a way to help earthbound spirits leave this plane and continue their journey Both informative and entertaining Spirit Rescue offers an exhilarating look at the spiritual world from the perspective of one who knows it best The Promise of Wholeness Eric Ehrke,2019-02-08 Henosis is the Greek word for oneness unity Since time immemorial this universal concept has been championed within traditional wisdom ancient philosophy and theology The psychoanalyst Carl Jung referred our shared human experience with the phrase collective unconscious while physicists use the term quantum entanglement to describe how every particle is inherently connected to the whole The missing links between the wisdom of ancient philosophy and the startling insights within modern psychology to transform suffering transcend circumstances and increase our capacity for love are explored in The Promise of Wholeness Most philosophical studies of ancient wisdom lack practical applications and many popular psychology books simply skim the surface of the human experience Licensed clinical social worker and psychotherapist Eric Ehrke offers a new foundation for profound living based on classical teachings and enriched by modern scientific psychological breakthroughs The principles and values it takes to be happy and whole endure but gentle makeovers are needed to modernize the message Clinical examples from Eric Ehrke's forty years of psychotherapy practice and personal stories from courageous individuals are included throughout the book Emphasizing innovative teachings and new critical exercises for infantile childish and adolescent stress responses Ehrke offers powerful meditations and invaluable tools for bringing these concepts and strategies into everyday life Here eternal wisdom sound psychological principles and practical solutions come together in this handbook of consciousness a truly helpful guide for anyone seeking lasting peace

and well being *The Economics of Hate* Samuel Cameron, 2009-01-01 A very timely treatment of one of mankind's most important topics Tyler Cowen George Mason University US This important and highly original book explores the application of economics to the subject of hate via such diverse topics as war terrorism road rage witchcraft mania marriage and divorce and bullying and harassment As yet there is no overall economic approach to hate Samuel Cameron pioneers this work by using standard neo classical economics concepts of the utility maximizing consumer and the entrepreneur He examines emotions as a form of personal capital and hate as a form of negative social capital and investigates the idea of a modular matrix of hatred as the appropriate means of examining the subject The likely form and scope of future effects of hate on government policy are also discussed Seeking to explore the dimensions of hate as a commodity from a wider economic perspective this exceptional book will prove a fascinating read for those with an interest in the economic value of hatred in particular and the economics of the unusual more generally **The Power of Emotion** Michael Sky, 2002-11-01 An original model of the nature and workings of emotions Shows how to both unleash and harness the power of emotions to promote physical health mental clarity creativity and more satisfying relationships Offers easy to follow breathing exercises that allow readers to tap into their reservoirs of vital energy to accomplish their goals By the author of *Breathing Expanding Your Power and Energy* 25 000 sold Emotions are the link between body mind spirit and all our relationships yet as Westerners we have been trained from our earliest years to repress our emotions In our society those who appear the least passionate are seen as strong confident and mature In our desire to attain this goal we often suppress our deepest emotions eventually causing a blockage of energy that leaves us numb and unable to access our authentic feelings Michael Sky explains that emotions are the vital energy source inside each of us that we can harness and direct in a positive way to promote better physical health mental clarity creativity and more satisfying relationships He details four simple but potent tools to aid in the productive channeling of powerful emotional energy active acceptance dynamic relaxation conscious connected breathing and creative choice Taken together these tools create a lifestyle that frees suppressed emotional energies and allows for empowered responses With meditative breathing practices at the end of each chapter and inspirational passages from the teachings of Adi Da readers will learn to positively experience and develop their emotions while enhancing their creativity and productivity to accomplish their goals **Metamorphoses of the Vampire in Literature and Film** Erik Butler, 2010 For the last three hundred years fictions of the vampire have fed off anxieties about cultural continuity Though commonly represented as a parasitic aggressor from without the vampire is in fact a native of Europe and its metamorphoses to quote Baudelaire a distorted image of social transformation Because the vampire grows strong whenever and wherever traditions weaken its representations have multiplied with every political economic and technological revolution from the eighteenth century on Today in the age of globalization vampire fictions are more virulent than ever and the monster enjoys hunting grounds as vast as the international market *Metamorphoses of the Vampire* explains why representations of vampirism began

in the eighteenth century flourished in the nineteenth and came to eclipse nearly all other forms of monstrosity in the early twentieth century Many of the works by French and German authors discussed here have never been presented to students and scholars in the English speaking world While there are many excellent studies that examine Victorian vampires the undead in cinema contemporary vampire fictions and the vampire in folklore until now no work has attempted to account for the unifying logic that underlies the vampire s many and often apparently contradictory forms Erik Butler holds a PhD from Yale University and has taught at Emory University and Swarthmore College His publications include *The Bellum Gramaticale and the Rise of European Literature* 2010 and a translation with commentary of *Regrowth Vidervuks* by the Soviet Jewish author Der Nister 2011 **The Vampire in Folklore, History, Literature, Film and Television**

,2015-09-18 This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present More than 6 000 entries document the vampire s penetration of Western culture from scholarly discourse to popular culture politics and cook books Sections by topic list works covering various aspects including general sources folklore and history vampires in literature music and art metaphorical vampires and the contemporary vampire community Vampires from film and television from Bela Lugosi s *Dracula* to *Buffy the Vampire Slayer* *True Blood* and the *Twilight* Saga are well represented **The Complete Book of Psychic Empowerment** Carl Llewellyn Weschcke,Joe H.
