Evolution of Investigation and Prosecution examines how police and prosecutors have become more successful in obtaining convictions for homicide when the remains of the victim are unavailable as evidence Based on an examination of over 600 cases in the United States and Canada this book shows the length some killers will go to avoid punishment and the determination of police and prosecutors to bring them to justice For over 300 years murderers in the United States and Canada could avoid prosecution by successfully disposing of the body of their victim No Body Homicides provides the reader with a historical overview of prosecutions in which a killer destroyed or hid the body of the victim It explains why prosecutions were once extremely rare and how legal attitudinal and technical changes have made them more common The book also explores how the logic of no body homicide prosecutions differs from body present homicides It allows police and prosecutors to draw on the accumulated experience of hundreds of prosecutions For criminology students it provides fascinating insights into the process of investigating and prosecuting homicides as well as a glimpse into the motivations and practices of killers who are so determined to avoid punishment that they remove the bodies of their victims No Body Homicides will be of practical interest to police or prosecutors confronted with a missing person s case that could be sinister It is also written to be appropriate as a supplementary text in an undergraduate criminology class or for an aficionado of True Crime      The Essential Mystery Lists Roger M Sobin,2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher s Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher s Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher s death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction      **The New York Times Book Review** ,1987 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback      *Cassette Books* Library of Congress.
