Haunting and emotional *A Word Child* is an intimate look at the madness of regret by the Man Booker Prize winning author of *Under the Net* and *A Severed Head*. *Broken Boys Break Hearts* JB Heller, She wasn't meant for someone like me. But I couldn't stay away. Eliza Quinn was everything I wasn't. I never should have talked to her, touched her, kissed her. But she forced her way into my world making me want things I knew I couldn't have. I fell for her so hard and so fast despite knowing we were destined for disaster. Staying with her was never an option. I had to leave Shiloh Springs and I couldn't take her with me. Five years later my ability to find beauty in the most unlikely of places has seen my photography displayed in galleries all over the country. Then my manager books my next exhibition at one of the most luxurious hotels in New York City. I'm hesitant to go somewhere so close to my old hometown but then I find out where the exhibition is being held. The Quinn Plaza. Eliza's family's hotel. The girl I once loved is now a woman. Beautiful, sexy, and not happy to see me. I never expected we'd meet again. But now that we have I know I'll never leave her again. I just have to convince her to give me a second chance. *A Scam A Dream* Monica YANG, 2020-11-18 The story begins with the woman we call Maggie to protect the victim's identity. Meet an American military officer on Facebook. We call him Tom. He also has a daughter named Esther. Maggie's husband travels frequently and is cold and violent towards her. Their relationship has broken down and they are about to separate. Although the conversation about the divorce was informal, she began looking for a new life partner who could love, protect, and care for her. She found that only Tom could give her the attention and desire she needed. This love story will not end with the answers to dreams and prayers. On the contrary, Tom never paid the bills. Tomorrow will never come. They never met. Maggie has no shoulders to lean on. Unfortunately, the internal pressure is enormous. As Maggie realized the pain of the general situation, her suicidal thoughts became more intense. This is an expensive course worth learning.
