Suite Francaise Irene Nemirovsky, 2009-03-18 By the early 1940s when Ukrainian born Ir ne N mirovsky began working on what would become Suite Fran aise the first two parts of a planned five part novel she was already a highly successful writer living in Paris But she was also a Jew and in 1942 she was arrested and deported to Auschwitz a month later she was dead at the age of thirty nine Two years earlier living in a small village in central France where she her husband and their two small daughters had fled in a vain attempt to elude the Nazis she d begun her novel a luminous portrayal of a human drama in which she herself would become a victim When she was arrested she had completed two parts of the epic the handwritten manuscripts of which were hidden in a suitcase that her daughters would take with them into

hiding and eventually into freedom Sixty four years later at long last we can read N mirovsky s literary masterpiece The first part A Storm in June opens in the chaos of the massive 1940 exodus from Paris on the eve of the Nazi invasion during which several families and individuals are thrown together under circumstances beyond their control They share nothing but the harsh demands of survival some trying to maintain lives of privilege others struggling simply to preserve their lives but soon all together they will be forced to face the awful exigencies of physical and emotional displacement and the annihilation of the world they know In the second part Dolce we enter the increasingly complex life of a German occupied provincial village Coexisting uneasily with the soldiers billeted among them the villagers from aristocrats to shopkeepers to peasants cope as best they can Some choose resistance others collaboration and as their community is transformed by these acts the lives of these these men and women reveal nothing less than the very essence of humanity Suite Fran aise is a singularly piercing evocation at once subtle and severe deeply compassionate and fiercely ironic of life and death in occupied France and a brilliant profoundly moving work of art

Rigglin,2004 Beginning in a Jacksonville Florida setting Sandra Rigglin takes readers through a painful journey of emotional physical and sexual abuse that is far from anything sunny These destructive seeds planted at an early age in the young Sandy reaped a harvest of addictions and eating disorders that ravaged her life It was in her seemingly final hours on June 16 1997 where Sandy lay on an emergency room gurney virtually lifeless from a potentially lethal overdose of 180 muscle relaxants that she found the courage to live In and out of consciousness she decided it was time to put the demons of her past to sleep On the brink of death she held on for dear life reclaiming all that had been ripped from her over the years The oldest of three siblings Sandy struggled to protect her family from an abusive father but she could never seem to shield herself from the manipulation of a distant and emotionally crippled mother who loved to play the victim behind closed doors while outwardly faking the role of the loving parent Yet it was her mother s love and affection she craved most and dreamed of the day when she would be worthy of receiving it It became her ultimate goal Running and hiding became the norm for Sandy and her brothers She recalls one night in particular when they ran with nothing but the clothes on their backs Then their mother found an escape in having an affair with one of her professors Gene appeared to be the man that would offer Sandy and her family a chance at stability peace and happiness But once her mother said I do the kind soft spoken Gene unleashed a monster none of them could have imagined His once fatherly expressions turned incestuous towards Sandy and she would suffer by his hands for many many years As usual though Sandy s mother closed her eyes and looked the other way refusing to allow the obvious to jeopardize life with her new husband Because of this Sandy ventured away from home trying to find someone who would love her without hurting her However this only led to her being molested almost to the point of death by several other people including a neighbor and school teacher As the years went by Sandy and her family would move from place to place never affording her the opportunity to plant any solid roots She never felt like she belonged anywhere Alienated from even herself Sandy comes to the realization I lost me a long time ago So she went in search of herself in all of the wrong places Drugs and alcohol became the anesthesia she would use to numb the pain in hopes that her living nightmare would be eradicated Not wanting to reveal the sordid family secrets Sandy silenced her voice but her desperation cried out in her addictions and suicide attempts One botched suicide attempt after another landed her in a number of treatment centers The healthcare professionals she came before continued to treat the surface problems not recognizing her deep seated cries for help Sandy

spiraled down a black hole of self destruction that threatened to consume her Her family and the system failed her labeling Sandy as a troublemaker on the fast track to nowhere Her efforts to lead a normal life were always overshadowed by her constant need for her mother s approval and a need for life s basic necessity love Sandy had practically given up on love ever visiting her doorway when suddenly her prince charming appears on a shiny motorcycle Randy was the answer With her arms wrapped tightly around his waist they rode off into the sunset She believed it was possible that he could whisk her away from all of her troubles and she hoped like hell it would be true However her past was too unforgiving and thus their marriage never stood a chance Her sexual inhibitions derived from those dark ugly secrets wouldn t let her go Intimacy was non existent the weight was too much to communicate and the strain of everything caved in on their rocky union Randy unable to support Sandy in her condition lacked the emotional and spiritual strength she needed in a spouse and Sandy could not be to Randy what she wasn t to herself a whole person The confusion and failure of yet another failed relationship filled Sandy with fear and sent her in a direction she had never anticipated As Sandy continued to go through the torrential ups and downs she still managed to maintain her education She obtained a bachelors degree in psychology and a masters degree in counseling Despite all of her accomplishments professionally the tortured Sandy could not free herself of the demons that were fast on her heels Her recovery from one addiction only led her to other destructive patterns that made her believe the only way out of her living hell was to bring her turbulent life to an abrupt halt Sandy became obsessed with creative ways to take her own life but no matter how many times she tried she would wake up to find herself still alive She begged God time and time again to let her go but that was not to be her destiny However all she suffered was not to be in vain as it was in the face of death that she found her reason to live Convinced that she wouldn t survive another suicide attempt Sandy spent the next three and a half years with a therapist embarking upon the beginning of her journey towards healing This painful quest for healing and resolution gave birth to a tremendous story that must be told As a result Sandy spent five years writing *Forbidden Memories A Journey of Healing* a chilling account of her torturous childhood and how she let it nearly destroy her as an adult But most importantly it is the story of her recovery She has outlined the insights she gained along the way that became her stepping stones to freedom and happiness Now she shares her story with the hope that other survivors of childhood abuse will not have to suffer in silence for as long as she did Ultimately finding the power in her choices Sandy exposes the secrets that are intended to break the cycle of abuse and reveal the true strength of a spirit unwilling to be broken *Forbidden Memories A Journey of Healing* depicts her determination and resilience This page turner will keep readers on their toes as they witness the transformation of a life and the grace of God at work
