

# Chapter 13: The Role of the Teacher

The teacher's role is to create a safe and supportive learning environment where all students can thrive. The teacher should be a facilitator of learning, providing guidance and support as needed. The teacher should also be a role model, demonstrating positive values and attitudes. The teacher should be a collaborator, working with students and colleagues to create a positive learning experience. The teacher should be a reflective practitioner, evaluating their own practice and making adjustments as needed. The teacher should be a lifelong learner, staying current in their field and seeking out new opportunities for growth.
