Alison Attenborough, Jamie Kimm, 2009-10-13. With stylish, delicious recipes and charming, imaginative flourishes, Alison and Jamie share their entertaining know-how with a heady enthusiasm and a healthy dose of humor. As experienced personal chefs and two of New York's most sought-after food stylists, Alison Attenborough and Jamie Kimm have spent years planning and cooking menus for dinner parties and cocktail fetes for a long list of clients. They've sought out the best purveyors at the greenmarket, finessed ingredients and created unique touches for every dish they serve and then stamped it all with a signature panache. What they've learned along the way is that simple and seasonal are always best. They also know a thing or two about how to show their own friends a great time and still keep hosting duties light. When these two professionals invite people over, they distill all they've discovered on the job into their own style: smashingly simple yet invariably special. Their parties are festive events imbued with a strong appreciation for well-made food and an infectious dash of gaiety. One way they inspire fun is by presenting a favorite recipe: a shaved salad, a plate of crostini, a granita, a Bellini in a brand-new guise, dressing it up for the occasion, the season or both. Alison and Jamie's prescription for a memorable meal is straightforward: fresh ingredients, minimal fuss and most important, good friends, good wine and good conversation. They know how to make their guests feel welcome: a drink and a nibble on arrival, how to feed them well according to the season and the mood, and

how to win them over with a delectable dish presented in a singular way such as summer cherries on ice or yellowtail crudo layered with avocado and basil In *Cooking for Friends* Alison and Jamie share their clever ideas their love for food and their indomitable spirit for fun with the rest of us After flipping through these pages it s impossible not to start plotting the menu for your next gathering giddy with anticipation that it may be the best dinner party you ll have ever served **Come for Dinner** Leslie Revsin,2003 And eye catching desserts she shows how to capture the comfortable festive flair of entertaining friends family and lovers of good food *Food for Friends* Fran Warde,2005-03 Fran Warde s informal approach to cooking and her easy to follow recipes make this a must have cookbook for everyone who loves to share good food with friends and family Her book is arranged by theme each with its own distinctive style and delicious menu to match including Dinner in Advance Everyday Entertaining Effortless Entertaining Parties and Celebrations Drinks and Fingerfood and Party Buffet With something to please for every budget season and occasion and beautifully photographed by Debi Treloar this is the perfect gift for anyone who loves to entertain *Entertaining* The Culinary Institute of America,Abigail Kirsch,2012-11-13 A must have resource for anyone who loves entertaining friends and family at home In this new book from the CIA you ll find everything you need to plan and pull off unforgettable get togethers from important formal events to simple casual affairs with friends It s packed with plenty of recipes for perfect party foods as well as practical and thorough advice on planning decorating and serving It also features helpful and gorgeous full color photographs throughout More than 300 delicious recipes for first courses main courses sides desserts and drinks Advice and techniques on entertaining for virtually any occasion whether the food is the focus of the event or just a little perk One of many books from the CIA all from Wiley including *The Professional Chef* Ninth Edition and the *At Home* series When it comes to cooking you know what to expect from the experts at The Culinary Institute of America fantastic flavors incredible presentations and down to earth cooking advice Now you can add home entertaining to the list as well
