Good News For Women A Biblical Picture Of Gender Equality:

Good News for Women Rebecca Groothuis, 1996-12-01 Most evangelical discussion of the gender issue has been spent in feverish debate over the exegetical intricacies of the traditional prooftexts writes Rebecca Merrill Groothuis And though faithful exegesis is certainly crucial a myopic fixation on a handful of controversial biblical texts will not ultimately resolve the gender debate In *Good News for Women* Groothuis looks at the Big Picture the overall outline of biblical teaching on relationships between men and women This provides the foundation for examining the passages specifically relating to gender issues Written with the razor sharp insight that prompted critical acclaim for Groothuis first book *Good News for Women* shows that the broad sweep of biblical thought aligns more readily with gender equality than gender hierarchy traditionalist prooftexts do not present an open and shut case in favor of universal male authority the traditionalist agenda on gender issues is neither helpful nor healthy for Christian women today From Judaism to Christianity: Tradition and Transition Patricia Walters, 2010-09-24 As a far reaching tribute to the distinguished career of Thomas H Tobin S J a team of outstanding biblical scholars has joined to offer essays on the religious milieu of the ancient Mediterranean region Challenged by Hellenistic and Greco Roman cultural and political domination the religious struggles of Jewish and later Christian communities sought to maintain tradition as well as mitigate transition Jewish responses to a Hellenistic world are revealed anew in the Dead Sea Scrolls and the works of Artapanus and Philo Also Christian views on the transitory world of the early centuries of the Common Era are brought to light in the New Testament literature apocryphal texts and Patristic writings Professors and students alike will benefit from the depth and breadth of this fresh scholarship *Entrusted to Lead* Donna Pisani, 2024-10-01 A practical tool for women who are called to leadership roles in any area of life *Entrusted to Lead* offers biblical insight and real life encouragement for how to navigate their leadership journey In *Entrusted to Lead* Pastor Donna Pisani draws on over four decades of experience to offer a biblical perspective of women in leadership that considers their role an entrusted assignment rather than just an entitled position Women who wrestle with God s call to lead or who don t have anyone supporting their call will discover how to Embrace their God given unique leadership gifts Become alert to the internal lies that make them hesitant to pursue their calling Answer Jesus mandate to women to go tell even when no one seems to be listening Understand how Paul empowered both genders to lead and serve together Lean into Jesus strength when facing leadership challenges Generations of confusion keep women from answering God s call to lead depriving God s kingdom of crucial gifts and abilities *Entrusted to Lead* shows women what it looks like to lead with confidence in the workplace and in ministry and why Jesus always wanted women to have a seat at the table *Women in the Bible, Qumran and Early Rabbinic Literature* Paul Heger, 2014-06-16 *Women in the Bible, Qumran and Early Rabbinic Literature* Their Status and Roles explores the different attitudes toward the woman s guilt for the expulsion from the Garden and human s calamities and the legal ramifications of her lower social and legal status regarding independence ownership and
