Good Night Lars:

Good Night, Lars Hans De Beer, 2004-03 Every parent will chuckle in recognition at the familiar nighttime scenario and every child will feel comforted by this tale of a very restless little polar bear It s the perfect goodnight book **Goodnight Avenue** Pat Tito, 2002 Cait Kingsley s wedding day is shattered when she learns two people she loves have betrayed her in the worst possible way Only her beloved grandfather understands why she must leave Pueblo Colorado and settle in New York Cait finds employment at Vizar Investments working for the owner s nephew Daniel Michaux a notorious womanizer When Daniel is unsuccessful at seducing Cait he savagely beats and rapes her while in a drunken rage Lee Zachar is outraged by his nephew s brutality and insists Cait recuperate at his summer home in Maine There he awkwardly proposes marriage to the much younger woman he has come to love Although Cait is decades Lee s junior she accepts Lee s proposal half loving him and wholly fascinated by his business acumen and old world charm Lee and Cait are married for five years when Lee dies Although Cait insisted she not be mentioned in Lee s will he provides for her in other ways Cait now has enough money to return to Colorado in style to seek revenge but she must choose between getting even or marrying Paul Lee s other nephew a man she has been attracted to since the day they met *The monsters that kiss you goodnight: Based on a true story* Philip Seibel, 2025-02-06 Tommy is your average boy Except for one little difference Tommy s parents like to sexually abuse him That s putting it mildly Every day it seems he is getting punished for something or other Childhood is no fun it s filled with hard labor screaming threats and violence He is in constant fear for his life Why The end of the world and the rise of the Antichrist seems all too imminent School Please We ll all be dead by then sitting at the right hand of the throne of God If Tommy openly doubts the cult s beliefs the wrath of God is meted upon him swiftly without mercy It s no wonder Tommy s parents are members of the notorious Children of God A cult that openly embraces sex with children public floggings of children speech restriction denial of food water and basic human rights Guantanamo bay could learn a thing or two from these fuckers These crimes against humanity are committed in the name of love and the name of God At the age of thirteen Tommy has just about had enough one day He momentarily even succeeds to escape the cult commune Sadly reality kicks in very quickly and Tommy is forced to go back home His parents have had enough They confine him to a dark room for months He s not allowed to speak to his siblings or other children Even leaving the room to go toilet is out of the question One day his parents come for him and he is whisked away in the dead of night They also inform him that he has been officially excommunicated Finally after months of travelling to and from hotels relatives and other systemites Tommy s parents give up trying to rehabilitate him The grandparents reluctantly agree to pay to put him into a boarding school Until that moment Tommy s never watched TV heard pop music or even eaten a bar of chocolate He will not see his siblings again for many many years but that s for another story The other kids in the boarding school can t make sense of this new weird and broke kid who can t speak German He talks with an American accent yet claims to be a German citizen Unsurprisingly he

is beaten up and bullied It seems like life in the cult might have been the better option after all Ostracized and desperate to fit in he turns to drug dealing to make ends meet In the months that follow he must very rapidly grow up become fearless and fight back against insurmountable odds Not even a year after his arrival he witnesses a girl he deeply cares for being raped He flings open his trusted butterfly knife and rushes to save her killing the assailant in the process There s just one problem The man he murdered was a very dangerous gang leader If anyone finds out who murdered him Tommy will no doubt face torture and execution There is no turning back no one he can run to now He needs to leave everything behind all over again At night the monsters of the past come to haunt Tommy in his dreams His memories of the past are all too painful to bear yet he finds it impossible to ignore them The solution is easy Alcohol marijuana and ecstasy They may dampen the pain temporarily but in the long run they are as effective as a Band Aid on a freshly severed limb It seems at times the only way out of this misery is death That s not like Tommy though That s too easy in his mind that s a coward s solution While on the run Tommy meets a girl who lives by herself She agrees to provide him with accommodation One night Angela opens up to him She tells Tommy of all the atrocities done to her by her very own father After a decade of abuse she finally mustered up the courage to speak out Her abuser was immediately arrested 5 years later her father has served his time There is no question in Angela s mind that he will seek revenge Lucky for Angela Tommy is far more dangerous than he looks He s not a scared little boy and more importantly this time he s got a gun **Freddy's Book** John Gardner,2010-08-06

Edward,2019-05-18 People wonder if there is life after death In the story The Portal it appears that there is something beyond life on Earth and it isn't as peaceful of existence as most believe A man named Gangus greets Jack as he goes through a portal and enters into a strange land Jack might have been a simple country boy from North Dakota but when Gangus tells him where he was and the reason he was there it seemed impossible to believe Every explanation only created more questions for Jack Yes he was a simple country boy but he knew there was something very odd going on Why was he selected to come to this new place Who was this figure that Gangus referred to as the Overseer Jack's head filled with endless questions Then he was informed of the purpose of all the people who had arrived on this planet He and the others had been selected to recapture and take control of Earth For a moment Jack wondered if he was having a nightmare but the more facts that Gangus shared with him the more he realized it was real The details were too specific for this to be a dream His biggest question was Why had he been chosen to play a role in this mission What was his purpose here There was something very troubling about the entire arrangement but he would never guess how twisted this new world was **Cast Your Nets** Penelope S.
