The Courting of Marcus Dupree Willie Morris,2011-02-11 At the time of Marcus Dupree s birth when Deep South racism was about to crest and shatter against the Civil Rights Movement Willie Morris journeyed north in a

circular transit peculiar to southern writers His memoir of those years North Toward Home became a modern classic In The Courting of Marcus Dupree he turned again home to Mississippi to write about the small town of Philadelphia and its favorite son a black high school quarterback In Marcus Dupree Morris found a living emblem of that baroque strain in the American character called southern Beginning on the summer practice fields Morris follows Marcus Dupree through each game of his senior varsity year He talks with the Dupree family the college recruiters the coach and the school principal some of the teachers and townspeople and of course with the young man himself As the season progresses and the seventeen year old Dupree attracts a degree of national attention to Philadelphia neither known nor endured since the Troubles of the early sixties these conversations take on a wider significance Willie Morris has created more than a spectator s journal He writes here of his repatriation to a land and a people who have recovered something that fear and misdirected loyalties had once eclipsed The result is a fascinating unusual and even topical work that tells a story richer than its apparent subject for it brings the whole of the eighties South with all its distinctive resonances to life

Teresa Nicholas, 2021-09-16 Winner of the 2022 Mississippi Institute of Arts and Letters Award for Life Writing Growing up in the Delta town of Yazoo City Mississippi Teresa Nicholas believed that she and her country born and bred mother weren't close She knew little of her mother's early life as a sharecropper during the Great Depression but whenever she brought up the subject her taciturn mother would snap You ask too many questions young un Nicholas left Mississippi to attend college then settled in New York to work in the hard driving world of commercial book publishing Twenty five years later eager for a change she and her husband decided to shift careers to writing trading their home in the New York suburbs for a casita in the Mexican Highlands But as her mother's health deteriorated Nicholas found herself spending more time in the small town she thought she had left behind Over long afternoons in front of Turner Classic Movies she grew closer to her mother coaxing stories from her about her hardscrabble past until a major stroke threatened to silence her mother's newfound voice Torn between her new home in Mexico and her old home in Mississippi Nicholas struggled to find her place in the world She discovered that the past isn't always the way we remember it and as the years ticked by that she and her mother could grow closer still *The Mama Chronicles A Memoir* is a funny and poignant account of a mother daughter relationship and ultimately a meditation on acceptance and what it means to call a place home
