Foreign Missions Conference of North America, 1925 Vol 57 Nov 1950 includes the minutes of the organizational meeting of the Division of Foreign Missions National Council of Churches of Christ in the United States of America The Foreign Missions Convention at Washington, 1925 Fennell Parrish Turner, Frank Knight Sanders, 1925 **Excavating Mormon**

**Pasts** Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century **Holy**

**Attention** Frances Ward, Richard Sudworth, 2019-08-30 With the growing renewed attention to the art of preaching this timely collection from the influential Littlemore Group of theologians explores the role of this vital ministry in today's Church Experienced contributors from a wide range of backgrounds catholic evangelical and liberal weave together theology anecdote and reflection on practice as they share their passion for preaching Each one is noted for their attentiveness to the poetry of the spoken word in preaching and the practical challenges and pitfalls of this central activity of public worship Chapters include The Joy and Terror of Preaching The Power of Language Localizing the Gospel Attentiveness to the Word The Sermon as Sacrament Genres of Preaching Contributors include Rachel Mann Paula Gooder Donna Lazenby Sr Judith SLG Edmund Newey Anderson Jeremiah and Joel Love **The Church Transforming** Michael Jenkins, 2012-06-25 In this book theologian and author Michael Jenkins probes the present state and future of the Reformed faith Addressing increasing division over scriptural authority ordination and marriage of gay and lesbian people and other social issues Jenkins looks at some of the hallmarks of the Reformed faith and discusses how these can be viewed anew Topics covered include scriptural interpretation the place of Christ living in community the life of the mind unity versus schism and spirituality and mystery He concludes by showing how the Reformed faith is not a castle to be defended but a living treasure of great gifts *Worldview as Worship* Eddie Karl Baumann, 2011-08-01 The goal of many evangelical educators is to facilitate biblical thinking and the worldview transformation of their students Yet aside from upholding a set of moral behaviors or maintaining positions on issues perceived to be Christian the goals and aspirations of most evangelical young people differ little from their unbelieving

peers As George Barna has noted We have a generation coming up that isn't looking at Christianity to answer spiritual concerns We either change or we lose them Worldview as Worship contends that the approach taken by most evangelical educators to the issue of worldview transformation has neglected to address two fundamental components of worldviews First that our initial worldviews are not philosophical systems but rather faith dispositions and that worldview transformation cannot simply present the biblical worldview as a more rational or logical system but must address issues of the heart as well as the mind Second unlike philosophies that are individual worldviews are communal and are learned and transformed within the context of community practice Appealing to Paul's teaching in Romans 12:1-2 Worldview as Worship approaches the renewing of your mind as the result of the believer's presentation of themselves as a holy sacrifice which is your spiritual service of worship The book advocates an approach to worldview transformation that focuses on believers as apprentices rather than simply as students an approach that holds true to the biblical model of discipleship As a result worldview transformation works best when the application of faith to the issues of learning and life are modeled by the faith community and where students are given the opportunity to put faith into practice
