God's Promise of Healing Rev. Paula A. Struble,2012-02 **A Dog's Gift** Bob Drury,2015-05-19 A decade ago former military counterintelligence officer Terry Henry joined his precocious young daughter Kyria on a trip to a nursing home in order to allow its residents to play with their family dog a golden retriever named Riley. Terry was astounded by the transformations that unfolded before his eyes. Soon after Terry and Kyria started their service dog organization paws4people with the goal of pairing dogs with human beings in need of healing including traumatized and wounded war veterans and children living with physical, emotional and intellectual disabilities. In *A Dog's Gift*, award winning journalist and author Bob Drury movingly captures the story of a year in the life of paws4people and the broken bodies and souls the organization mends. The book follows the journey of pups bred by the organization from their loving if rigorous early training to an emotional event that Terry and Kyria have christened the bump where each individual service dog chooses its new owner through an almost mystical connection that ignites the healing process. Incorporating vivid storytelling, insights into canine wisdom, history, science and moving tales of personal transformation, *A Dog's Gift* is a story of miracles bound to be embraced by not only the 60 million Americans who own dogs but by anyone with a full heart and a loving soul. *Mind* ,1905

Beyond Medicine Hans Holzer,2019-01-16 There is healing beyond medicine. Betty Dye, housewife mother of several children and a psychic healer, in 1970 she treated James DePass who was suffering from nausea and stomach pains. Mrs. Dye went into a trance, diagnosed the trouble and put her hands on the patient. His pain vanished. Cecile Diamond, age 14, suffered from inflammation of the brain. Rabbi Solomon Friedlander, a spiritual healer, placed an amulet in her hand and prayed. The next day she was able to leave the hospital. These cases and the many more in *Beyond Medicine* are all documented frequently by the use of medical statements taken before and after psychic healing has taken place. *Beyond Medicine* probes into a relatively unknown and little explored area of human activity: healing and cutting into the cant of the medical establishment gives credibility to a group of remarkable individuals. *This Did Not Surprise Me* Carolyn Cook MD,2025-01-27 Grieving the loss of a beloved child, God is clearly with us as the countless examples in *This Did Not Surprise Me* illustrate. The Corban Clinic is proof positive God can turn a tragic trauma into a kingdom building treasure. Grieving is natural. Carolyn and Ted's story will bring you through healing tears to renewed hope, grieving resources, struggles of building a clinic and family dynamic issues to consider. Personally, I felt the need to re-read sections of their gut wrenching story as soon as I finished. First time through I was moved to empathic tears multiple times. The researched resource list is priceless. God's clear hand in all things Corban complete with relevant Bible references created a higher purpose to my reading. Most importantly, the dramatic effect of Corban's death on his siblings opened up conversations with my own sons surrounding the stillborn deaths of their four sisters. Carolyn's insightful words woke my wife and me to the reality that we were naïve to selfishly think that we were the only ones devastated. May you feel God's presence as you flip the pages of this
