Good Morning Message Peggy Edwards,2010-08 This daily devotional book has

been a God led inspiration from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I ve had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I m led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn t include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you

Prayer Matters Marilyn Wragg, 2017-12-20 Have you ever wondered how prayer works Have you ever wished you were better at praying Have you ever been at a loss for words to pray This is not a book that attempts to answer all your questions on prayer On the contrary the author acknowledges upfront that prayer is a mystery for which there is no magic formula There are Biblical principles that teach much about prayer and God s spiritual spokespersons have offered insight But God is God and prayer is in the realm of His unfathomable ways and workings Rather this is a book that invites you to come alongside the author and delve into the practice of prayer It contains reflections on varied prayer matters that are based on exploring principles about prayer and trying various ways to pray It is the fruit of the author s entreating God to teach her to pray Since much of this entreating occurred while walking with her son through his cancer battle and now as she grieves his passing the author s insights are presented as one questioning pilgrim desiring to help another The book s premise is that we do not have to understand prayer to pray We learn to pray by praying The more we pray the more natural praying therefore becomes Hence suggestions and tools are offered to facilitate praying Whether you are relatively experienced with prayer brand new or somewhere in between you are invited to ponder these prayer matters and to implement those suggestions for doing prayer that appeal to you Because ultimately while we may not know the intricate workings of prayer this side of Heaven one thing we do know is Prayer Matters
