Goodbye Fleet Street Coronets:

Journalism Workbook Brendan Hennessy, F W Hodgson, 1995-05-04 Using practical assignments the authors take each area of journalism and demonstrate the world which awaits journalists in the early years of their careers Each of the assignments spins off a number of tasks which are presented to the reader in the form of briefings and can be used as a basis for further study Notes and references are provided with each of the tasks to guide the student and help them understand fully each area of practice There are also exercises on page planning and design Workshop projects and study programmes outline ways in which students and trainees in groups or singly can analyse newspaper content build up readership profiles and consider different methods of practice social and political attitudes to the media press regulations and press economics This book will also be an invaluable purchase for students using distance learning packs *Goodbye Fleet Street* Robert Edwards, 1988 *Popular Newspapers, the Labour Party and British Politics* James Thomas, 2007-05-07 IT S THE SUN WOT WON IT was the famous headline claim of Britain s most popular newspaper following the Conservative party s victory over Labour in the 1992 general election The headline referred to a virulent press campaign against Neil Kinnock s Labour party and dramatically highlighted one of the chief features of British politics during the twentieth century the conflict between a socialist Labour party and a capitalist popular press Labour s frequent complaints of the political and electoral unfairness of newspaper bias meant that some commentators considered that this dispute had a heritage as old as the party itself Others including the Labour leadership at the time argued that despite past tensions the 1992 election marked the culmination of an unprecedented campaign of vilification against the party *Popular Newspapers the Labour Party and British Politics* assesses these competing claims looking not only at 1992 but both back and forward to examine the continuities and changes in newspaper coverage of British politics and the Labour party over the twentieth century The book explores whether the popular press has lived up to its claim of being a democratic fourth estate or has merely as Labour politicians have argued been a powerful fifth column distorting the democratic process Drawing on a range of previously unexamined sources this book offers the first original and comprehensive history of a fascinating aspect of British politics from Beaverbrook to Blair James Thomas is a lecturer at the Cardiff School of Journalism Media and Cultural Studies at Cardiff University and has published articles and essays exploring the relationship between the popular press and British politics *My Paper Chase* Harold Evans, 2009-11-05 A vivid and whip smart memoir from the legendary editor who spent decades leading newspapers in London and New York In *My Paper Chase* Harold Evans recounts the wild and wonderful tale of newspapering life His story stretches from the 1930s to his service in WWII through towns big and off the map He discusses his passion for the crusading style of reportage he championed his clashes with Rupert Murdoch and his struggle to use journalism to better the lives of those less fortunate There s a star studded cast and a tremendously vivid sense of what once was the lead type the smell of the presses eccentrics throughout and angry editors screaming over the intercoms *My Paper Chase* tells the story of

Evans's great love newspapers and Tina Brown the bright young journalist who became his wife. In an age when newspapers everywhere are under threat *My Paper Chase* is not just a glorious recounting of an amazing life but a nostalgic journey in black and white.

Plant Here The Standard Dennis Griffiths, 2016-07-27 *Plant Here the Standard* tells the story of the world's oldest evening newspaper, the London Evening Standard. Commencing in the time of Oliver Cromwell, it traces the history of the Baldwin Family, fearless Protestant publishers whose successors launched *The Standard* in 1827. Later owners of the paper were to include C. Arthur Pearson, founder of the *Daily Express*, Lord Beaverbrook and now Lord Rothermere. And throughout there are tales of the paper's scoops, its famous journalists and cartoonists and its political involvements.
