insight I pray that you stop in your tracks and say Son of a gun I never thought of that or perhaps I like looking at that from a different angle That would be nice because I believe such insights are in here waiting to be discovered like jewelry in Grandmas boudoir Now even though Im encroaching on some unmentionable years in my life this is just my second novel And I didnt think it would be such a momentous effort I created scenes and characters that didnt exist before this Where were they before In my insane brain I suppose I was amazed to count and come to the realization that Id created over forty people Many of them have come from parts of people I knew and I thank them Also some of the people I created have become friends I will miss them Also I trust that you the reader will enjoy to some degree the scenes and ideas I wrote for you without too many curves or knucklers so you can swing and hit home runs again and again while you find pleasure in the reading Also I mention addictions often in this book I learned that there are good addictions and bad ones I had the bad habit of smoking for many years and I am so sorry now If only I could unsmoke every cigarette Id had but of course I cant And the damage is done to my lungs Thank you cigarette companies for the gifts of packs and cartons while in the military But dont focus on this one idea Theres so much more in this book Like sex So enough of all that Please read and enjoy Or else
