

# Goodbye to a River

A NARRATIVE

"John Graves' writing is invaluable. . . . The reader who misses him will have missed much."  
—Larry McMurry

JOHN GRAVES

Illustrations by Russell Waterhouse

# Goodbye To A River

**Frances Leonard, Ramona Cearley**

## **Goodbye To A River:**

**Goodbye to a River** John Graves, 2010-11-10 In the 1950s a series of dams was proposed along the Brazos River in north central Texas For John Graves this project meant that if the stream's regimen was thus changed the beautiful and sometimes brutal surrounding countryside would also change as would the lives of the people whose rugged ancestors had eked out an existence there Graves therefore decided to visit that stretch of the river which he had known intimately as a youth Goodbye to a River is his account of that farewell canoe voyage As he braves rapids and fatigue and the fickle autumn weather he muses upon old blood feuds of the region and violent skirmishes with native tribes and retells wild stories of courage and cowardice and deceit that shaped both the river's people and the land during frontier times and later Nearly half a century after its initial publication Goodbye to a River is a true American classic a vivid narrative about an exciting journey and a powerful tribute to a vanishing way of life and its ever changing natural environment [Goodbye To A River](#) Goodbye To A.

River, 1960 **Goodbye to a River, Etc** John Graves (Author of "Goodbye to a River")., 1961 **Goodbye to a River, Etc. (Illustrations by Russell Waterhouse.) [On the Brazos River, Texas. With a Map.]** John GRAVES (of Texas Christian University.), 1961 [Farewell to a Lifeline](#) Pasquale De Marco, 2025-08-12 In a time of uncertainty and change a river flows

on a lifeline for the people who live along its banks But the river is facing threats from all sides pollution climate change and development In this powerful and moving book the author takes us on a journey down a river that is fighting for its survival We meet the people who live and work along the river and we learn about their struggles and their triumphs We also learn about the river's history its role in the region's culture and economy and the threats that it faces The author's journey is a journey of discovery a journey that teaches us about the importance of rivers the threats that they face and the need to protect them It is also a journey that teaches us about the power of community and the importance of hope This book is a must read for anyone who cares about the environment for anyone who loves rivers and for anyone who believes in the power of community It is a book that will inspire you move you and leave you with a renewed sense of hope for the future of our planet This book is perfect for readers who enjoy books about nature the environment and the human spirit It is also a great choice for readers who are looking for a book that is both informative and inspiring If you like this book write a review

**Giant Country** Don Graham, 2013-05-31 In Giant Country Don Graham brings together a collection of lively absorbing essays written over the past two decades The collection begins with a twist on book introductions that sets the tone for the essays to come a self interview conducted poolside at an eccentric Houston motel favored by regional rock bands Over pi a coladas the author works on his tan and discusses timeless Texas themes the transition of the state from a rural to an urban world the sense of a vanishing era and the way that artists in literature and film represent a state both infectiously grand and too big for its britches In Fildelphia Story Graham remembers his Ivy League professorial stint in a city the small town Texan who rented him a moving van looked up under F In Doing England the Lone Star Yankee courts Oxford University and

returns with a veddy British education In *The Ground Sense Necessary* a native son journeys inward to explore the dry ceremonies of frontier Protestantism and to recount movingly his father's funeral in Collin County With his wide ranging knowledge of classic regional works Graham unerringly traces the style and substance of local literary giants and offers a sometimes irreverent but always entertaining look at the Texas triumvirate of Dobie Webb and Bedichek Other essays look at such Texas greats as Katherine Anne Porter George Sessions Perry William Humphrey and John Graves In a section he calls *Polemics* Graham includes his best known essays *Palefaces vs Redskins* a sardonic survey of the Texas literary landscape and *Anything for Larry* a tour de force that has already become a minor classic The essay weighs the puny financial achievements of Graham against those of mega author Larry McMurtry and never fails to bring down the house when Graham gives a public reading A recognized authority on celluloid Texas Graham provides a rich sampling of his knowledge of Texas movies in pieces that blanket the territory from moo cow cattle drive epics to soggy Alamo sagas to urban cowboy melodramas In the larger than life state that is Texas nobody sizes up the Lone Star mythos its interpreters boosters and detractors better than Don Graham

**A John Graves Reader** John Graves, 1996 Gathers a selection of the National Book award nominated author's short stories excerpts and essays reflecting his life career and recurring literary themes John Graves, Writer Mark Busby, Terrell Dixon, 2009-12-03 Runner up Violet Crown Award Writer's League of Texas 2008 Renowned for *Goodbye to a River* his now classic meditation on the natural and human history of Texas as well as for his masterful ability as a prose stylist John Graves has become the dean of Texas letters for a legion of admiring readers and fellow writers Yet apart from his own largely autobiographical works including *Hard Scrabble* *From a Limestone Ledge* and *Myself and Strangers* surprisingly little has been written about Graves's life or his work John Graves Writer seeks to fill that gap with interviews appreciations and critical essays that offer many new insights into the man himself as well as the themes and concerns that animate his writing The volume opens with the transcript of a revealing often humorous symposium session in which Graves responds to comments and stories from his old friend Sam Hynes his former student and contemporary art critic Dave Hickey and co editor Mark Busby Following this is a more formal interview of Graves by Dave Hamrick who draws the author out on issues relating to each of his major works John Graves's friends Bill Wittliff Rick Bass Bill Broyles John R Erickson Bill Harvey and James Ward Lee speak to the powerful influence that Graves has had on fellow writers In addition to these personal observations nine scholars analyze essential aspects of Graves's work These include the place of *Goodbye to a River* within environmental literature and how its writing was a rite of passage for its author Graves as a prose stylist and a literary rather than polemical writer the ways in which Graves's major works present different aspects of a single narrative about our relationship to the land the question of gender in Graves's work and Graves's sometimes contentious relationship with Texas Monthly magazine Mark Busby introduces the volume with a critical overview of Graves's life and work and Don Graham concludes it with a discussion of Graves's reception and literary reputation A bibliography of works by and about Graves

rounds out the book John Graves Writer confirms Graves s stature not only within Texas letters but also within American environmental writing where Graves deserves to be more widely known *A River Revisited* Stockton Clemons,2002

*Exploring the Brazos River* Jim Kimmel,2011-09-16 From its ancient headwaters on the semiarid plains of eastern New Mexico to its mouth at the Gulf of Mexico the Brazos River carves a huge and paradoxical crescent through Texas geography and history Its average flow is the largest of Texas rivers but its floods low flows silt and natural salt have often frustrated human desires It is one of the most dammed of Texas rivers but its lower four hundred miles constitute one of the longest undammed stretches of river in North America In *Exploring the Brazos River* Jim Kimmel follows this long changeable river from its rocky arms in West Texas through the stretch made famous by John Graves in his classic book *Goodbye to a River* to its lumbering presence as it flows undammed and mostly untouched down the Brazos Valley and into the Gulf of Mexico Exploring the entire river system Kimmel first sets the context of climate and geology that determines the characteristics of the Brazos He then explains the ecological processes that define the Brazos watershed before focusing on four reaches of the river from the headwaters to the mouth Each chapter features the captivating photography of Jerry Touchstone Kimmel and includes maps charts and descriptions of the water land ecology and people To encourage readers to explore on their own Kimmel closes the chapters with tips on where best to experience the river and the surrounding countryside Amateur and professional naturalists and outdoor enthusiasts of all stripes will find *Exploring the Brazos River* a practical and inspiring guide for the introduction of or re acquaintance with one of the most important historic and diverse natural resources in the Lone Star State To learn more about The Meadows Center for Water and the Environment sponsors of this book s series please click here *Sportsman's Library* Stephen Bodio,2013-04-02 A Sportsman s Library The 100 Books that Every Hunter and Fisherman Should Own will consist of 100 short reviews for lack of a better word each one from 300 to 1500 words and illustrated with either the cover of the book or a photo of the book s author The list will include all the beloved classics but will add plenty of lesser known titles as well It will range in time from Izaak Walton s 17th century to 21st century tiger poachers in eastern Siberia and geographically from the Catskills to the Keys from England s chalk streams to Jim Corbett s India It will take pleasure in those books that explain the intricate beauty of the classic salmon fly as well the astonishing craftsmanship of a Best London double the science of the hunt as well as the hunt s depiction in art **The Holiday Makers** Richard K. Popp,2012-05-16 In mid twentieth century America mass tourism became emblematic of the expanding horizons associated with an affluent industrial society Nowhere was the image of leisurely travel more visible than in the parade of glossy articles and advertisements that beckoned readers from the pages of popular magazines In Richard K Popp s *The Holiday Makers* the magazine industry serves as a window into postwar media and consumer society showing how the dynamics of market research and commercial print culture helped shape ideas about place mobility and leisure Magazine publishers saw travel content as a way to connect audiences to a booming ad sector while middlebrow editors

believed sightseeing travel was a means of fostering a classless society at home and harmony abroad Expanding transportation networks and free time lay at the heart of this idealized vision Holiday magazine heralded nothing less than the dawn of a new era calling it the age of Mobile Man Man gifted for the first time in history with leisure and the means to enjoy distance on a global scale For their part advertisers understood that selling tourism meant turning dreams into action as ad executive David Ogilvy put it Doing so involved everything from countering ugly stereotypes to tapping into desires for authentic places and self actualization Though tourism was publicly touted in egalitarian terms publishers and advertisers privately came to see it as an easy way to segment the elite free spenders from the penny pinching masses Just as importantly marketers identified correlations between an interest in travel and other consumer behavior Ultimately Popp contends the selling of tourism in postwar America played an early integral role in the shift toward lifestyle marketing an experiential service economy and contributed to escalating levels of social inequality [The 50 + Best Books on Texas](#) A. C. Greene,1998 An annotated listing of over fifty books judged by the author to be the best examples of Texas literature arranged alphabetically by title

**Women in Texas Music** Kathleen Hudson,2013-04-04 Across the state and across a wide variety of musical genres women are making their mark on Texas music Some have become international superstars while others are just starting to make their voices heard But every woman who goes out and plays her music proves that baring one s heart and soul takes courage and Texas women artists have a lot of courage as Lloyd Maines observes in the opening interview of this book To pay tribute to these dedicated musicians and to capture their unique perspectives on what it means to be a woman in the music business Kathleen Hudson has spent many years interviewing Texas women musicians for the Texas Heritage Music Foundation In Women in Texas Music Hudson lets us listen in on conversations with thirty nine musical artists including Emily Robison Terri Hendrix Lee Ann Womack Rosie Flores Betty Buckley Marcia Ball Lavelle White and Bobbie Nelson Hudson encourages and allows the women to tell their own stories as she delves into their life journeys creative processes and the importance of writing and performing music be it blues rock country folk jazz or pop The interviews are warm and open like good friends sharing the lessons that a life of playing music has taught them What emerges from this collection is a solid sense of the strength and integrity that women bring to and gain from Texas music Everyone who cares about music and culture in Texas will want to join the conversation

**Conversations with Texas Writers** Frances Leonard,Ramona Cearley,2010-01-01 Larry McMurtry declares Texas itself doesn t have anything to do with why I write It never did Horton Foote on the other hand says I ve just never had a desire to write about any place else In between those figurative bookends are hundreds of other writers some internationally recognized others just becoming known who draw inspiration and often subject matter from the unique places and people that are Texas To give everyone who is interested in Texas writing a representative sampling of the breadth and vitality of the state s current literary production this volume features conversations with fifty of Texas s most notable established writers and emerging talents The

writers included here work in a wide variety of genres novels short stories poetry plays screenplays essays nonfiction and magazine journalism In their conversations with interviewers from the Writers League of Texas and other authors organizations the writers speak of their apprenticeships literary influences working habits connections with their readers and the domestic and public events that have shaped their writing Accompanying the interviews are excerpts from the writers work as well as their photographs biographies and bibliographies Joe Holley s introductory essay an overview of Texas writing from Cabeza de Vaca s 1542 Relaci n to the work of today s generation of writers who are equally at home in Hollywood as in Texas provides the necessary context to appreciate such a diverse collection of literary voices A sampling from the book This land has been my subject matter One thing that distinguishes me from the true naturalist is that I ve never been able to look at land without thinking of the people who ve been on it It s fundamental to me John Graves Writing is a way to keep ourselves more in touch with everything we experience It seems the best gifts and thoughts are given to us when we pause take a deep breath look around see what s there and return to where we were revived Naomi Shihab Nye I ve said this many times in print the novel is the middle age genre Very few people have written really good novels when they are young and few people have written really good novels when they are old You just tail off and lose a certain level of concentration Your imaginative energy begins to lag I feel like I m repeating myself and most writers do repeat themselves Larry McMurtry I was a pretty poor cowhand I grew up on the Macaraw Ranch east of Crane Texas My father tried very hard to make a cowboy out of me but in my case it never seemed to work too well I had more of a literary bent I loved to read and very early on I began to write small stories short stories out of the things I liked to read Elmer Kelton     Rolling French Rivers Pasquale De Marco,2025-07-10 In the heart of the French countryside where the river weaves its tranquil path through picturesque landscapes lies a journey of discovery and transformation Rolling French Rivers invites you to embark on a leisurely adventure along the serene waterways of France immersing yourself in the beauty and tranquility of this captivating region As you navigate the river s gentle currents you ll discover hidden gems and charming villages each with its own unique story to tell Along the way you ll encounter a cast of unforgettable characters from seasoned boaters to passionate historians who will share their insights into the region s rich history culture and gastronomy Indulge in the flavors of delectable regional cuisine learning the art of pairing food with fine wine Explore ancient castles and medieval towns delving into the fascinating tapestry of French history and culture And as you find moments of solitude and reflection surrounded by the beauty of the natural world you ll discover a newfound appreciation for the simple things in life Rolling French Rivers is more than just a travelogue it s an invitation to slow down embrace the present moment and connect with the timeless spirit of France Through vivid storytelling and captivating descriptions this book will transport you to a realm of tranquility and beauty leaving you with a profound appreciation for the magic of river journeys and the enduring allure of the French countryside So dear reader set sail on this extraordinary voyage where the river s gentle currents will carry you to a

place of serenity wonder and self discovery Bon voyage If you like this book write a review 13 Nights Angie Summers,2019-03-12 It is an honest story about a woman determined to beat the mental illness that defined her Its her struggle to break free from the restrictions of having a mental illness It is her quest to find happiness in her life despite her diagnosis Its about a woman who was once a girl living in a scary situation and since has become strong and on her own It s a tale of victory It s a tale of forgiveness love perseverance miracles and hope John Graves and the Making of Goodbye to a River John Graves,David S. Hamrick,Laura W. Bush,2002-01-23 A keepsake cloth limited edition published on the occasion of the Texas Book Festival 2000 as a tribute to Mr Graves This book includes correspondence with Alfred Knopf Sr Carl Hertzog renowned book designer and J Frank Dobie covering the period between 1957 1960 Included is a definitive annotated bibliography prepared by Mr Graves and a foreword by First Lady of Texas Laura W Bush **A Companion to the Regional Literatures of America** Charles L. ## **Goodbye To A River Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Goodbye To A River has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Goodbye To A River has opened up a world of possibilities. Downloading Goodbye To A River provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Goodbye To A River has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Goodbye To A River. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Goodbye To A River. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Goodbye To A River, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Goodbye To A River has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Goodbye To A River Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Goodbye To A River is one of the best book in our library for free trial. We provide copy of Goodbye To A River in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Goodbye To A River. Where to download Goodbye To A River online for free? Are you looking for Goodbye To A River PDF? This is definitely going to save you time and cash in something you should think about.
