JUSTICE**

Goodness And Justice

John Leland

Goodness And Justice:

Goodness and Justice Joseph Mendola,2006-04-10 In Goodness and Justice Joseph Mendola develops a unified moral theory that defends the hedonism of classical utilitarianism while evading utilitarianism s familiar difficulties by adopting two modifications His theory incorporates a developed form of consequentialism When as is common someone is engaged in conflicting group acts it requires that one perform one s role in that group act that is most beneficent The theory also holds that overall value is distribution sensitive ceding maximum weight to the well being of the worst off sections of sentient lives It is properly congruent with commonsense intuition and required by the true metaphysics of value by the unconstituted natural good found in our world

Goodness and Justice Gerasimos Santas,2001-10-08 This volume explores Plato and Aristotle s theories about good things goodness and the best life for human beings and draws comparisons between ancient and modern theories of good and justice

and Social Servant James Kellock,1926 **Mercy and Justice** ,2020-06-15 The term mercy is currently omnipresent in Catholic debates It dominates at events such as the recent Family Synods and the Jubilee Years At the same time it poses a significant problem for cases dealing with sexual abuse Mercy calls to consider an individual s needs and this conflicts with justice necessitating equal treatment for everyone Mercy applies to the fallible individual deserving of punishment but who is saved by grace This is most apparent in the Sacrament of Penance and other forms of penitence forgiveness and reconciliation where mercy both transcends and undermines justice This problem widely ignored in church teaching is addressed by Dirk Ansorge James Dallen Judith Hahn Atria A Larson Sandra Lassak Michael A Nobel Rosel Oehmen Vieregge Heike Springhart and Gunda Werner
