Love & Cocaine Sunny Giovanni, 2016-11-07 Cocaine is one hell of a drug. It can kill you or give you an escape from reality or either it could help you live out your wildest fantasies with the money you earn from it. Living in poverty wasn't easy for Tony Bow Wilds. Especially with an ignorant and belligerent mother riding his case about things that aren't in his control. He maintained the best he could until there was a twist in his plans to continue the straight and narrow path. With a hungry little sister to feed the fast life is calling his name to join the many who have money easily at their fingertips. Yet the twists aren't over just yet. His best friend money maker Sean Don introduces him to the drug game and an irresistible young stallion that Sean named Nicki Dolla. The only issue is that Nicki isn't your ordinary young woman. She seems a little too eager to help and can slip in and out of the shadows without being seen. But why? With new love and new money it is easy for Bow to become distracted from the goal at hand to take care of Casey his sister and it heavies the load that he carries on his back. Still he has to fight and maintain for the sake of Casey's future. But will this newly found ego pride money and stature get in the way and cost him his life and his loved ones? Or because of who he becomes will it have his sister and his new love snatched away from him out of revenge in the cut throat world of drugs and money. The love of money is all too powerful for someone who has never had it and there are endless battles when trying to balance love and cocaine. It's a dangerous combination and Bow is forced to either choose or keep his wife.

Portals to Freedom Jack Babb, 2008-05 The Roulette family seemingly found the source of tranquility in a realistic setting. Their mansion was large and as typical of the times it was constructed with limestone. However forms of unforeseen occurrences disrupt the peace in ways that will shock all senses. John and Melissa loved each other since school a love that brings them together as one entity. Although her close friends are important in her life she is forced to escape with a slave wagon train. This suffering was increased by being pregnant from being raped. This fear was added by the relentless chase of bounty hunters and marshals but the deep love they have for each other brings them together in an unexpected way as they hold each other close from another country.
