"This Is My Doctrine": The Development of Mormon Theology Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism's theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions Gospel Theology John Kuyper Liberty, 2021-05-07 The gospel of Jesus Christ is not one theory of the world's origin and purpose standing behind or alongside other competing viewpoints Neither is it one of many components of the Christian religion It is the central purpose heartbeat and jewel of the entire universe It is the power of God Almighty It is the set of glasses we must wear to rightly understand all of God s Word and all of God's world Whether we acknowledge it or not Jesus Christ is the Lord Savior and Treasure This gospel of Jesus Christ is God's grace for individuals and God's grace for all of creation John Kuyper Liberty explains from Scripture that the gospel transforms how we understand and relate to God and his revelation upward theology how we understand and relate to ourselves and other Christians inward theology and how we understand and relate to God's broader creation our
