The Gospel According to St John Jean Calvin, 1995 This volume contains commentary on the Gospel of John chapters 1 10 These classic commentaries by Calvin laid the basis for later scholarly exeges of the Bible The commentary is verse by verse with anywhere from a paragraph to a whole page of commentary per verse This is a completely new translation into modern English of Calvin s Commentaries on the New Testament John 1-10 John Calvin, 1995-07-17 This is a print on demand book and is therefore non returnable This volume is one of twelve classic commentaries by John Calvin theologian par excellence of the Reformation whose expositions of Scripture remain as relevant as ever Edited by David W Torrance and Thomas F Torrance these twelve commentaries on the New Testament bring Calvin's authoritative voice to life in clear contemporary English The translations all strive to retain the close coherence of Calvin's ideas and characteristic images while remaining faithful to the Latin text doing full justice to the Reformer's qualities as one of history's finest expositors of the Word of God Union with Christ Dennis E. Tamburello, 1994-01-01 The Columbia Series in Reformed Theology represents a joint commitment on the part of Columbia Theological Seminary and Westminster John Knox Press to provide theological resources from the Reformed tradition for the church today The Reformed tradition seeks to discern what the living God revealed in Scripture is saying and doing in every new time and situation This series intends to be a part of that ongoing tradition by examining theological and ethical issues that confront church and society in our particular time and place Volumes in this series are intended for scholars professional theologians and for pastors and lay people who are The Work of Christ John S. Hammett, Charles L. Quarles, 2024-09-01 In committed to faith in search of understanding The Work of Christ John S Hammett and Charles L Quarles examine Christ's service for his people especially his atoning work on the cross Font of Pardon and New Life Lyle D. Bierma, 2021 Font of Pardon and New Life is a study of the historical development of John Calvin's doctrine of baptism both adult or believer baptism and infant baptism In a chronological examination of Calvin's writings his Institutes commentaries on the Bible catechisms polemical treatises and consensus documents the book addresses the question of what in Calvin's view spiritually takes place in an individual when he or she is baptized and it analyzes the impact of Calvin's baptismal doctrine on the major Reformed confessions and catechisms of the sixteenth and seventeenth centuries **Dogmatics after Babel** Ruben Rosario Rodriguez, 2018-10-09 Rub n Rosario Rodr guez addresses the long standing division between Christian theologies that take revelation as their starting point and focus and those that take human culture as theirs After introducing these two theological streams that originate with Karl Barth and Paul Tillich respectively Rosario asserts that they both seek to respond to the Enlightenment's critique and rejection of Christianity In so doing they have bought into Enlightenment understandings of human reality and the transcendent Rosario argues that in order to get beyond the impasse between theologies of the Word and culture we need a different starting point He discovers that starting point in two sources 1 through the work of liberation and contextual

theologians on the role of the Holy Spirit and 2 through a comparative analysis of the teachings on the hiddenness of God from the three Abrahamic religions Judaism Christianity and Islam Rosario offers a strong argument for why this third theological starting point represents not just a marginal or niche position but a genuine alternative to the two traditional theological streams His work will shift readers understanding of the options in theological discourse beyond the false alternatives of theologies of the Word and culture **Apologetic Works 5** Nathan A. Finn, 2016-05-24 Andrew Fuller 1754 1815 was the leading Baptist theologian of his era though his works are just now being made available in a critical edition Strictures on Sandemanianism is the fourth volume in The Works of Andrew Fuller In this treatise Fuller critiqued Sandemanianism a form of Restorationism that first emerged in Scotland in the eighteenth century and was influencing the Scotch Baptists of Fuller's day Fuller's biggest concern was the Sandemanian belief that saving faith is merely intellectual assent to the gospel Fuller believed this intellectualist view of faith undermined evangelical spirituality Strictures on Sandemanianism became a leading evangelical critique of Sandemanian views This critical edition will introduce scholars to this important work and shed light on evangelical debates about the faith justification and sanctification during the latter half of the long eighteenth century ca 1750 to 1815 John Calvin as Biblical Commentator John R. "Jack" Walchenbach, 2010-06-01 The year 2009 brought with it the 500th anniversary of the birth of John Calvin a global celebration With this commemorative event came a new and renewed appreciation for the life and thought of the French Reformer and his profound impact on the world Scholars universally have acknowledged that while The Theologian of Geneva is mostly appreciated for his Institutes of the Christian Religion it is Calvin as a biblical commentator that needs to be taken with revised interest When Calvin first set out to write a commentary on virtually every book of the Bible he was drawn to the exegetical work of the great Greek Patriarch of the fourth century John Chrysostom because of his straightforward non allegorical approach to the genuine simple sense of the text It was also the method of Chrysostom to which Calvin was attracted a continuous exposition that explains each verse Calvin in his life long work to produce commentaries on sacred Scripture sought to emulate the approach and method of the amazing early church theologian John Chrysostom This book celebrates Calvin as Biblical commentator and what he saw in the literary work of the Greek Father that was so influential on Calvin s immense contribution to our understanding the Bible Justification, Volume 2 Michael Horton, 2018-11-27 The second of a two volume project delving into the doctrine of justification Michael Horton seeks not simply to recover a clear message of its role in modern Reformed theology but also to bring a fresh discovery of the gospel in a time when contemporary debates around justification have reignited The doctrine of justification stands at the center of our systematic reflection on the meaning of salvation and grace as well as our piety mission and life together And yet within mainline Protestant and evangelical theology it s often taken for granted or left to gather dust in favor of modern concerns and self renewal Volume 2 embarks on the theologically constructive task of investigating the biblical doctrine of justification in light

of contemporary exegesis Taking up the topic from a variety of theological vantage points Horton engages with contemporary debates in biblical especially Pauline scholarship Part 1 draws out The Horizon of Justification from the Old Testament narratives of Adam and Israel Part 2 defines The Achievement of Justification in the blood of Christ and seeks to lay the groundwork for understanding its extent Part 3 focuses on The Gift of Righteousness delving into a clear articulation of what justification means its mechanism and the role of works on the day of judgement Part 4 proposes a way forward for Receiving Justification and understanding faith and justification within the broader framework of union with Christ Engaging and thorough Justification shows that the doctrine of justification finds its most ecumenically significant starting point and proper habitat in unity with Christ where the greatest consensus past and present is to be found among Orthodox Roman Catholic and Protestant theologies Reformed Systematic Theology, Volume 1 Joel Beeke, Paul M. Smalley, 2019-03-14 The church needs good theology that engages the head heart and hands This four volume work combines rigorous historical and theological scholarship with application and practicality characterized by an accessible Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley explore the first two of eight central themes of theology revelation and God

Distinguishing the Church Greg Peters, Matt Jenson, 2019-06-27 As the Protestant Reformers did so twenty first century Christians also recognize the need to distinguish between the true and false church Thus they find themselves looking closely at the modern church to determine whether it is a true and faithful church Today's Christians know that proper criteria are necessary to discern the true church The most common criteria wrote John Calvin are that the Word of God is rightly preached and heard and that the sacraments are administered according to Christ's institution Moreover Martin Luther said that suffering is a telltale sign of God's people while Anabaptist and Reformed Christians included discipline among the distinguishing marks of the church These standards take on particular poignancy today The global church continues to live under severe persecution and the American church characterized by a lack of discipline has been wounded by its own sins of chasing sex and power In this collection of essays first given at annual meetings of the Evangelical Theological Society the authors take time to reflect on the Reformational marks of the church in order to help reform Christ's bride With contributions from Edward W Klink III Duane Litfin J Stephen Yuille J V Fesko Keith D Stanglin Greg Cochran Jeremy M Kimble Guy Waters Justin L McLendon Systematic Theology Robert Letham, 2019-11-19 This comprehensive systematic theology by respected theologian Robert Letham covers the whole field of Reformed Christian doctrine from biblical historical and theological angles Letham begins with God's ultimate selfrevelation as the Father the Son and the Holy Spirit in indivisible union continuing on with the works of God in creation providence and grace He draws deeply from Scripture and important voices from the church to provide a clear and concise articulation of the Reformed faith He also addresses current issues such as feminism charismatic gifts sexual ethics environmentalism other religions the nature of truth and civil liberties Each chapter is followed by discussion questions with a glossary of terms included at the

end This work grounds theological understanding and practice in the life and ministry of the church accessible to pastors students scholars and anyone who desires to understand believe and live scriptural doctrine more fully L. Allen, Steve W Lemke, 2022-08-01 Calvinism raises serious concerns about the growth of a popularized Reformed theology Through a wide lens of denominational and theological perspectives this volume carefully examines the theological tradition known today as Calvinism particularly its doctrine of salvation Editors David L Allen and Steve W Lemke lead a team of top contributors offering theological historical biblical and practical critiques **The Holy Spirit** Christopher R. J. Holmes, 2015-10-06 Who is the Holy Spirit and how does the Spirit come to be in relation to the Father and the Son What is the mission of the Spirit and where does it come from Chris Holmes takes up the questions surrounding the Spirit's procession and mission with the help of three of the church's greatest teachers Augustine Thomas Aguinas and Karl Barth Drawing on their engagements with the Fourth Gospel Holmes presents an account of the Spirit's identity origin and acts to show how the acts of the Spirit derive from the Spirit's life in relation to Father and Son and the extent to which the Spirit's mission testifies to the Spirit's origin Holmes presents a way forward for pneumatology Housed within the doctrine of the Trinity pneumatology s joyful task is to describe the Spirit s acts among us in light of their source in the Spirit s acts in God The end of this inquiry is our beatitude knowledge of the Trinity that yields to love of the Trinity ABOUT THE SERIES New Studies in Dogmatics seeks to retrieve the riches of Christian doctrine for the sake of contemporary theological renewal Following in the tradition of G C Berkouwer's Studies in Dogmatics this series provides thoughtful concise and readable treatments of major theological topics expressing the biblical creedal and confessional shape of Christian doctrine for a contemporary evangelical audience The editors and contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church's historic understanding of the Word of God as professed in its creeds councils and confessions and by its most trusted teachers The Origins of the Bible and Early Modern Political Thought Travis DeCook, 2021-03-18 In this book Travis DeCook explores the theological and political innovations found in early modern accounts of the Bible's origins In the charged climate produced by the Reformation and humanist historicism writers grappled with the tension between the Bible's divine and human aspects and they produced innovative narratives regarding the agencies and processes through which the Bible came into existence and was transmitted DeCook investigates how these accounts of Scripture's production were taken up beyond the expected boundaries of biblical study and were redeployed as the theological basis for wide reaching arguments about the proper ordering of human life DeCook provides a new critical perspective on ideas regarding secularity secularization and modernity challenging the dominant narratives regarding the Bible s role in these processes He shows how these engagements with the Bible s origins prompt a rethinking of formulations of secularity and secularization in our own time The Search for Ultimate Reality Dan Lioy, 2005 In analyzing the intertextuality between the Genesis and Johannine Prologues Dr Lioy maintains that both

passages utilize polemical theology to refute distorted views of ultimate reality Furthermore he theorizes that the author of the Johannine Prologue deliberately reflected the structure and themes found in the Genesis Prologue to emphasize that the God man Jesus Christ created all things and is a new spiritual beginning for all who believe in Him Ultimate reality is found Witness to the Word Karl Barth, 2003-06-03 Karl Barth's lectures on the first chapter of the through faith in the Son Gospel of John delivered at Muenster in 1925 26 and at Bonn in 1933 came at an important time in his life when he was turning his attention more fully to dogmatics Theological interpretation was thus his primary concern especially the relation between revelation and the witness to revelation which helped to shape his formulation of the role of the written and spoken word vis a vis the incarnate Word The text is divided into three sections John 1 1 18 19 34 35 51 with the largest share of the book devoted to the first section Each section begins with Barth's own translation followed by verse by verse and phrase by phrase commentary on the Greek text Although Barth's interpretation is decidedly theological he does take up questions of philology and textual criticism more thoroughly than in his other works Much has happened in Johannine scholarship since these lectures were first delivered yet they remain valuable today 100 years after Barth s birth both for their insights into the Feeding the Flock Terryl L. Givens, 2017-06-01 Feeding the Flock is the second volume of gospel and into Karl Barth Terryl L Givens s landmark study of the foundations of Mormon thought In this volume Givens considers Mormon practice the authority of the institution of the church and its priesthood forms of worship and the function and nature of spiritual gifts in the church s history Sense Perception and Testimony in the Gospel According to John Sunny Kuan-Hui Wang, 2017-06-02 In this book Sunny Kuan Hui Wang explores the relationship between sense perception and testimony in the Gospel of John While Johannine scholars tend to focus on one or the other she shows that sense perception and testimony are both significant and are used together with the intention of drawing readers into the narrative so that they become witnesses in an emotionally engaged way It is argued that John s use of sense perception together with testimony is rooted in Jewish literature Yet John also employs a Graeco Roman rhetorical technique enargeia which appeals to the persuasive power of sense perception to make his narrative vivid John does not downplay sense perception Rather he uses it in the context of testimony as a means of persuasion to draw the readers in their imagination into the experience of the first disciples and thus deeper into faith and witness A Tidy Faith Jonathan F. Bayes, 2024-09-13 A Tidy Faith is distinctive as a work of systematic theology in that it comes out of a Reformed Baptist stable this is especially relevant for the sections on the church worship and the sacraments Bayes seeks to lay the biblical foundation for each doctrinal subject using an exegetical approach rather than merely citing prooftexts For each doctrine he also outlines the teaching of the early Christian creeds and the confessions of faith dating from the Reformation period as well as referring to a small selection of modern statements of faith from different countries Debates and interpretations of the various doctrines from different points in church history are summarized and at the end of the exposition of every doctrinal theme there is a section that emphasizes its practical
