

# The Origin of the Word Gospel: Uncovering Its Meaning

# Gospel And Its Meaning

**ML Yell**

## **Gospel And Its Meaning:**

**The Gospel and Its Meaning** Harry Lee Poe, 1996 The Gospel speaks to a broad range of concerns concerns that differ from person to person group to group culture to culture Yet the practice of the twentieth century church has been to concentrate on one part of the Gospel repentance and justification as if it were the whole and to proclaim that part uniformly often without meaningful context that would demonstrate the relevance of Christ to the hearer The Gospel and Its Meaning breaks fresh ground for evangelism It equips the students of evangelism with theological foundations for reaching diverse groups from Hindi pantheists to radical environmentalists without compromising the Gospel s integrity The Gospel and Its Meaning Identifies the basic elements of the Gospel Shows the relationship of these elements to specific doctrines of theology Identifies theologians and systems that have focused on particular doctrines Shows which elements of the Gospel deal most clearly with various issues of evangelism Suggests avenues of ministry that can address each evangelistic issue By showing how different parts of the Gospel address the concerns of people within and without the Judeo Christian worldview The Gospel and Its Meaning helps those in any kind of evangelistic ministry to develop a means for connecting the Gospel directly to the world of the hearer while distinguishing it clearly from philosophies of relativism and pluralism **Biblical**

**Interpretation in Early Christian Gospels** Thomas R. Hatina, 2020-03-19 This volume is the fourth in a set of volumes which together explore current approaches to the study of scripture in the Gospels Thomas R Hatina s latest edited collection begins with an introduction surveying methodological approaches used in the study of how scriptural allusions quotations and references function in John with subsequent essays grouped into four categories that represent the breadth of current interpretive interests The contributors begin with historical critical approaches before moving to rhetorical and linguistic approaches literary approaches and finally social memory approaches Each study contains not only recent research on the function of scripture in John but also an explanation of the approach taken making the collection an ideal resource for both scholars and students who are interested in the complexities of interpretation in John s context as well as our own

**Biblical Interpretation in Early Christian Gospels** Thomas Hatina, 2008-10-18 The second title in a proposed five volume work volume two following on from the volume on Mark s Gospel concentrates on Matthew s Gospel Contributors consider the function of embedded scripture texts in the context of the Gospels written and read heard in their early Christian settings The project is wide ranging with essays on the function of scripture in the compositional history of the gospels and the collection is broad in scope as a result of current interest in the integration of methods especially historical and narrative ones Advancements over the last 20 years in the study of genre and narrative criticism have left a void in the study of the function of embedded biblical texts in the Gospels This collection of essays will move the study of scripture within scripture forwards **The Irenaeus Testimony to the Fourth Gospel: Its Extent, Meaning and Value** Frank

Grant Lewis, 2008-12-03 **The Gospel and the Catholic Church** Michael Ramsey, 2009 Michael Ramsey s modern classic

The Gospel and the Catholic Church is as relevant today as it was when it was first published some 70 years ago In it Ramsey understands the church as a reflection the death and resurrection of Christ and then argues that the various expressions of Christianity today each express their own gifts in accordance with the Resurrection whether they are Catholic Protestant Evangelical Eastern or Anglican A rewarding read for whomever undertakes it this book will broaden your view of the church and deepen your appreciation for the many forms of Christian expression      **Dictionary of Jesus and the Gospels** Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels      The Gospel of the Christ Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith      The Gospel of John in Modern Interpretation Stanley E. Porter, Ron C. Fay, 2018-10-30 The Gospel of John in Modern Interpretation provides a unique look at the lives and work of eight interpreters who have significantly influenced Johannine studies over the last two centuries The chapters contain short biographical sketches of the scholars that illuminate their personal and academic lives followed by summaries and evaluations of their major works and concluding with an analysis of the ongoing relevance of their work in contemporary Johannine scholarship Key thinkers surveyed include C H Dodd Rudolph Bultmann Raymond Brown Leon Morris and R Alan Culpepper An introduction and conclusion by general editors Stanley Porter and Ron Fay trace the development of Johannine scholarship from F C Baur to the present and examine how these eight scholars contributions to Johannine studies have shaped the field Anyone interested in the recent history of the study of John will find this volume indispensable      **The Four Gospels** , 1862      **The Fourfold Gospel: the Law of the New Kingdom** ,      *The Written Gospel* Markus Bockmuehl, Donald A. Hagner, 2005-07-28 This book comprehensively surveys the origin production and reception of the canonical gospels in the early church The discussion unfolds in three steps Part One traces the origin of the gospel of Jesus its significance in Jewish and Hellenistic contexts of the first century and its development from eyewitness memory to oral tradition and written text Part Two then more specifically examines the composition design and intentions of each of the four canonical gospels Widening the focus Part Three first asks about gospel writing as viewed from the perspective of ancient Jews and pagans before turning to the question of reception history in the proliferation of apocryphal gospels in the formation of the canon and in the beginnings of a gospel commentary tradition      **A Handbook on the**

**Jewish Roots of the Gospels** Craig Evans, David Mishkin, 2022 A survey of the historical theological and practical issues of reading the Gospels as Jewish literature Includes over thirty articles by well known experts on current topics relating to Jesus and the Gospels in light of new developments in archaeology ancient texts and Jewish society in late antiquity

**The Meaning of "Make Disciples" in the Broader Context of the Gospel of Matthew** Lindsay D. Arthur, 2022-05-09

Students of the Bible are generally comfortable with their understanding of the command make disciples Matt 28 19 Indeed most of them would argue that the Gospel writer Matthew spells out very clearly the meaning of the term in the Great Commission Matt 28 16 20 by utilizing three key words viz go ing baptizing and teaching This point of view is the result of centuries of scholarly opinion that has looked primarily if not solely to these three adjacent participles of make disciples Matt 28 19 and not to the entire Gospel of Matthew for the meaning of the command This book does not suggest that going baptizing and teaching are not to be considered in determining the essence of Christian disciple making Rather it contends that the three terms should not be our only source of meaning This problem is tackled herein by demonstrating that Matthew establishes a framework within the Great Commission itself that points to a fuller meaning of make disciples in the broader context of his Gospel and that the Gospel writer expects his reader to draw on his entire Gospel to grasp the full meaning of this important command

**Partnership in the Gospel** Robert Allan Hill, 2024-03-29 Many of our current lasting controversies in American Christianity are due in part to the willingness of liberals to champion reason and experience while leaving Scripture and tradition to conservatives and vice versa The liberal biblical theological voice once quite strong has fallen silent Grounded in a solid knowledge of biblical study Partnership in the Gospel presents a series of exercises or angles of perspective intended to support the rigorous consideration of biblical theological perspective that preachers teachers and lay leaders need This work draws from a range of scholarly theological and everyday voices and with kindred works of poetry art music and literature to explore the Bible s unifying themes through partnerships of perspective Each chapter offers an exercise that integrates Scripture experience tradition and reason the four sides of John Wesley s Quadrilateral as the means by which to engage with the gospel and appreciate a liberal biblical theology

**The Fourth Gospel in First-Century Media Culture**

Anthony Le Donne, Tom Thatcher, 2013-05-03 Werner Kelber s The Oral and the Written Gospel substantially challenged predominant paradigms for understanding early Jesus traditions and the formation of written Gospels Since that publication a more precise and complex picture of first century media culture has emerged Yet while issues of orality aurality

performance and mnemonics are now well voiced in Synoptic Studies Johannine scholars remain largely unaware of such issues and their implications The highly respected contributors to this book seek to fill this lacuna by exploring various applications of orality literacy memory and performance theories to the Johannine Literature in hopes of opening new avenues for future discussion Part 1 surveys the scope of the field by introducing the major themes of ancient media studies and noting their applicability to the Fourth Gospel and the Johannine Epistles Part 2 analyzes major themes in the Johannine Literature from a media perspective while Part 3 features case studies of specific texts Two responses by Gail O Day and Barry Schwartz complete the volume

*The Sunday Magazine*, 1882     *Introduction to the Synoptic Gospels* Paton James Gloag, 1895     *The Gospel in the Law* Charles Taylor, 1869     *A Dictionary of Christ and the Gospels* James Hastings, 2004-10

The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852-1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

## Whispering the Techniques of Language: An Emotional Journey through **Gospel And Its Meaning**

In a digitally-driven world where screens reign supreme and instant connection drowns out the subtleties of language, the profound secrets and emotional nuances hidden within words frequently get unheard.
