Do you or someone you know struggle with reading or understanding the New Testament Do chapters and verses boggle your reading experience Is it confusing reading four different versions of the same event or finding an event recorded in only two books one in depth while the other barely mentions it Did you know that when they came to arrest Jesus the guards fell backwards to the ground when Jesus answered them Did you know that it was Peter who cut off the high priest s servant s ear and that the servant s name was Malchus or that Jesus healed his ear These details are not in each of the four gospels Many people do not see the complete event only portions The Gospel of Jesus reads as one book one story The four gospels of Matthew Mark Luke and John have been incorporated into one complete and comprehensive story of the Life of Christ and
