Gospel Church And Kingdom Comparative Studies In World Mission Theology:

Gospel Church and Kingdom James A. Scherer, 2004-06-17 What is the goal of mission What strategies are needed today How do evangelism and social problems relate What is the role of dialog between Christians and non Christians These questions and more are the concerns of Protestant evangelical Lutheran and Roman Catholic churches Dr Scherer analyzes the various approaches of churches in mission and sharpens the biblical goal of making disciples of all nations Mission to the World Tormod Engelsviken, Ernst Harbakk, Rolv Olsen, Thor Strandenaes, 2009-11-01 *The Missional Church in Perspective (The Missional Network)* Craig Van Gelder, Dwight J Zscheile, 2011-05-01 In this book two leading ministry experts place the missional church conversation in historical perspective and offer fresh insights for its further development They begin by providing a helpful review of the genesis of the missional church and offering an insightful critique of the Gospel and Our Culture Network's seminal book *Missional Church* which set the conversation in motion They map the diverse paths this discussion has taken over the past decade identifying four primary branches and ten sub branches of the conversation and placing over one hundred published titles and websites into this framework The authors then utilize recent developments in biblical and theological perspectives to strengthen and extend the conversation about missional theology the church's interaction with culture and cultures and church organization and leadership in relation to the formation of believers as disciples Professors students and church leaders will value this comprehensive overview of the missional movement It includes a foreword by Alan J Roxburgh *Holistic Mission* Hannes Wiher, 2022-05-16 For the last 50 years one of the most important discussions in global evangelicalism has concerned the idea of holistic mission which proposes the integration of verbal evangelism and social engagement within Christian mission This book examines how key terms such as evangelism and mission have been understood in contemporary evangelical declarations from 1966 to 2011 in the Bible and in the missiological debate It adopts an in depth approach to the historical biblical and theological analysis The main thesis is that the different conceptions of evangelism and mission in general and that of holistic mission in particular have their root in the worldview of the various theologians and Christian leaders preparing these statements The book evaluates the missiological conceptions of evangelism and mission proposed in the various declarations in the light of the Bible so as to derive a biblical understanding of evangelism and mission The Practice of Mission in Global Methodism David W. Scott, Darryl W. Stephens, 2021-04-19 This book brings together Methodist scholars and reflective practitioners from around the world to consider how emerging practices of mission and evangelism shape contemporary theologies of mission Engaging contemporary issues including migration nationalism climate change postcolonial contexts and the growth of the Methodist church in the Global South this book examines multiple forms of mission including evangelism education health and ministries of compassion A global group of contributors discusses mission as no longer primarily a Western activity but an enterprise of the entire church throughout the world This volume will be of interest to researchers studying missiology

evangelism global Christianity and Methodism and to students of Methodism and mission Dictionary of Mission Karl Muller, Theo Sundermeier, Stephen B. Bevans, Richard H. Bliese, 2006-01-30 Conceived and developed by two of Europe's most eminent missiologists in the country where the scientific and sustained study of mission first took shape the Dictionary of Mission represents the finest of the chorus of voices that comprise contemporary missiology The choice of topics and the authors to address them reflects what Christian mission has become a genuinely worldwide and ecumenical phenomenon That there would be entries on regional theological developments is indicative of how the world church is developing A host of other topics here explored show too how the landscape of mission is changing Taken as a whole then the Dictionary of Mission is a road map through this exciting and challenging terrain from the Foreword A History of the First Cross-cultural Mission of the Mar Thoma Church, 1910-2000 Dr. Alex Thomas, 2007 With reference to Mar Thoma Syrian Church's mission to North Kanara India **Sister Churches** Janel Kragt Bakker, 2014 In Sister Churches Janel Bakker draws on extensive fieldwork and interviews with participants in congregation to congregation partnerships between Western churches and churches in the global South to explore the sister church movement and in particular its effects on American churches Christian Tradition in Global Perspective Schroeder, Roger P., 2021-09-22 A one volume history of Christianity for undergraduate students written from a Catholic perspective **Transcending Mission** Michael W. Stroope, 2017-02-28 Is the language of mission clearly evident across the broad reaches of time Or has the modern missionary enterprise distorted our view of the past Michael Stroope investigates how the modern church has come to understand speak of and engage in the global expansion of Christianity offering a hopeful way forward in this pressing conversation The Evangelizing Church Richard H. Bliese, Craig Van Gelder, The Evangelizing Church moves from theory to practice as it relates the theology of evangelism to the life of congregations that are seeking to proclaim the gospel in the emerging postmodern context It provides congregations with perspectives on how to utilize this theology in shaping the practice of evangelism within their church life *Christian Mission* Dana L. Robert, 2011-09-09 CHRISTIAN MISSION Dana Robert distils a quarter of a century of her research into an erudite and accessible single volume account of how Christianity became the largest religious tradition in the world There is no better place for any reader to start becoming informed about this important subject David Hempton Harvard University Remarkable for the range and depth of the material Robert is able to pack into so short a book Reliable and readable it is especially valuable for its treatment of the relation between western and non western missionary activity David A Hollinger University of California Berkeley Dana Robert's richly textured book shows us that the history of Christian missions is far from being merely a European colonial story and will be immensely valuable to students and general readers who are concerned to uncover the historical roots of Christianity's current status as a truly global faith Brian Stanley University of Edinburgh The Gospels record that Christ commanded his disciples to go forth and teach all nations Thus began the history of Christian mission a phenomenon which brought about massive shifts in the

nature and practice of Christianity and one that many say reflects the single most important movement of intercultural encounter over a sustained period of human history To understand Christianity as a global movement therefore it is essential to study the role of mission defined as the transmission of the Gospel across cultures Erudite and enlightening this brief book explores the 2 000 years of mission history covering topics such as the meaning of the missionary through history gender and missions and missions in culture and politics Given that in the twenty first century Christianity is now largely practiced outside the West Christian Mission is an inspirational and invaluable resource to broaden our understanding of the nature of Christianity as a truly multi cultural world religion **Participating in God's Mission** Craig Van Gelder,Dwight

Zscheile,2018-01-11 Explores how the church has engaged and should engage the American context What might faithful and meaningful Christian witness look like within our changing contemporary American context After analyzing contemporary challenges and developing a missiological approach for the US church Craig Van Gelder and Dwight Zscheile reflect on the long complex and contested history of Christian mission in America Five distinct historical periods from the beginning of the colonial era to the dawn of the third millennium are reviewed and critiqued They then bring the story forward to the present day discussing current realities confronting the church discerning possibilities of where and how the Spirit of God might be at work today and imagining what participating in the triune God s mission may look like in an uncertain tomorrow

Contextual Missiology of the Spirit Wessly Lukose,2013-01-01 This book explores the identity context and features of Pentecostalism in Rajasthan India as well as the internal and external issues facing Pentecostals It argues for an indigenous origin of Pentecostalism in Rajasthan as it is a product of local Spirit revivals in the existing churches and the missionary activities of Indian Pentecostals It also reveals that both the intra church as well as extra church issues place Pentecostals in a missio ethical dilemma The book aims to suggest a contextual missiology of the Spirit as a new model of contextual missiology from a Pentecostal perspective It is presented as a glocal ecumenical transformational and public missiology

Evangelism and Social Action Ronald J. Sider,1993 The Missional Church in Context Craig Van Gelder,2007-10-26 The missional church conversation continues to make a vital contribution to thinking about congregations and their contexts addressing the essential question What does it really mean to be church This book offers substantial clarifying insights into that ongoing dialogue Contributors Mark Lau Branson James Tzu Kao Chai Mary Sue Dehmlow Dreier Terri Martinson Elton Scott Frederickson Joon Ho Lee Gary M Simpson Craig Van Gelder *Introducing Christian Mission Today* Michael W. Goheen,2014-07-14 Michael Goheen gives us a full scale introduction to mission studies today in its biblical theological and historical dimensions Goheen covers the full horizon of major issues in mission including its global urban and holistic contexts This text shows how the missional church encounters the pluralism of Western culture and global religions *Latin American Evangelical Theology in the 1970's* Daniel Salinas,2009 The story of Latin American evangelicals doing theology is mostly unknown In the 1970s there was an important development with the formation of the Latin American Theological

Fraternity FTL This group spearheaded the theological production in Latin America marking the beginning of a critical stage in the history of evangelicals in the region This book deals with the reception history in North America of the FTL and its program Interamerican theological dialogue is documented and analysed *World Christianity* Lalsangkima Pachuau, 2018-07-17 Christianity is vibrant and growing in the non western majority world and Christianity is changing as a result Pachuau surveys the current trending approaches to recognizing and investigating world Christianity and explores the salient features of the demographic changes that mark a measurable shift in the center of gravity from the northwest part of the globe to the southern continents This shift is not just geographical World Christianity is ultimately about the changing and diversifying character of Christianity and a renewed recognition of the dynamic universality of Christian faith itself Christianity is a shared religion in that people of different cultures and societies make it their own while being transformed by it Christianity is translatable and adaptable to all cultures while challenging each with its transformative power Pachuau also charts the theological reestablishment of the missionary enterprise founded on understandings of God's mission in the world mission Dei a mission of cross cultural gospel diffusion for missionary advocates in the majority world but one of near neighbor missional engagement for the contagious Charismatic Christianity of the majority world This book is both a descriptive study and a thoughtful analysis of world Christianity's demographics life representation and thought The book also gives an account of the historical emergence of World Christianity and its theological characteristics using a methodology that stresses the productive tension between the universal and particular in understanding a fundamentally adaptable Christian faith **Edinburgh 2010** Daryl Balia, Kirsteen Kim, 2010-08-01 The Centenary of the World Missionary Conference held in Edinburgh in 1910 is a suggestive moment for many people seeking direction for Christian mission in the twenty first century Since 2005 an international group has worked collaboratively to develop an intercontinental and multid denominational project now known as Edinburgh 2010 and based at New College University of Edinburgh Essential to the work of the Edinburgh 1910 Conference and of abiding value were the findings of the eight think tanks or commissions These inspired the idea of a new round of collaborative reflection on Christian mission but now focused on nine themes identified as being key to mission in the twenty first century The study process is intended to contribute from a research perspective to the aim of Edinburgh 2010 witnessing together to Christ in the twenty first century and to the development of a new vision in terms of God's purposes for creation in Christ and a renewed spirituality and mission ethos in the life of churches worldwide Witnessing to Christ Today contains a summary of what has been achieved through the study process up to the end of 2009 and forms the preparatory volume for the centenary conference to be held in Edinburgh on 2-6 June 2010 There the material will be subjected to rigorous critique from various transversal perspectives and engaged with by church and mission delegates from around the world Book jacket
