Got Sun? Go Solar 2nd Edition Rex A. Ewing, 2011-11-19 *Debunking Glenn Beck* Karl Alan Rogers Ph.D., 2011-10-20 Taking the example of Glenn Beck as a media pundit and propagandist this timely and provocative book shows how mainstream media fails in its duty and explains what the American people can do about it

Debunking Glenn Beck How to Save America from Media Pundits and Propagandists was written in response to Beck's *Arguing with Idiots* Its most immediate concern is with exploring the agenda behind Beck's arguments and exposing the flaws in his reasoning But this book's real mission is something much broader Using Beck as an example author Karl Rogers also shows why media reform is so vital to the future of democracy To make that case Dr Rogers offers a detailed discussion of the ideas and ideology at work in Beck's arguments revealing how the well known conservative pundit has distorted and twisted facts to misrepresent American history the meaning of progressivism and even the U S Constitution The book examines topics ranging from the Second Amendment to health care education housing the Supreme Court unions democracy and government It concludes by explaining how Americans can revitalize the Constitution as a living document and by doing so revitalize public debate and democracy itself

The Better World Handbook Ellis Jones, Ross Haenfler, Brett Johnson, 2007-02-01 The definitive guide for people wanting to make a positive difference in the world Specifically designed to reach people who normally would not consider themselves activists *The Better World Handbook* is directed toward those who care about creating a more just sustainable and socially responsible world but don't know where to begin Substantially updated this revised bestseller now contains more recent information on global problems more effective actions and many new resources

Energy-Wise Landscape Design Sue Reed, 2010-04-01 An inspiring instructional handbook for transforming idealism into social change The pursuit of freedom and justice is a timeless one but new activists may not know where to begin while more experienced ones often become jaded or fatigued The task of constructing a new society free from oppression and inequality can be overwhelming Tools for facilitating motivation engagement and communication can mean the difference between failure and success for activists and social movements *Educating for Action* collects the voices of activists whose combined experience in confronting injustice has generated a wealth of key insights for creating social change This practical guide explores such topics as Community activism and direct democracy Conflict negotiation communication and rhetoric Law the educational system and lifestyle activism Social media skills conference planning and online organizing Written in an inspirational tone *Educating for Action* consciously straddles the line between street activism and classroom instruction Bridging the gap between these two worlds makes for an engaging and instructive manual for social justice helping students teachers and larger activist communities turn their idealism into action Jason Del Gandio is a
