Gregory G. Pepetone, 2003 From the founding of the United States to the present day America's conception of itself as a functional democracy has been clouded by a dark suspicion of subversion conspiracy and failure Gothic Perspectives on the American Experience explores this dark side of America's past from the era of Thomas Jefferson and Charles Brockden Brown to that of John F Kennedy and Oliver Stone Drawing upon insights garnered from history literature pulp fiction and film it probes as yet unresolved divisions between adherents of the authentic American dream which is based in faith in civilized dialogue within an open political process and an alternative conception of America based in commercialism covert politics and faith in the effectiveness of armed might This book examines the tensions between democratic idealism and covert fascism in the American experience the Gothic dilemmas those tensions have provoked and the contributions made by some of America's preeminent authors politicians historians and filmmakers toward reforming an increasingly dystopian society along the utopian lines envisioned by the Founding Fathers **Religion and Science Fiction** James F McGrath, 2012-09-27 This multidisciplinary book focuses on the intersection between religion and science fiction Several perspectives are addressed by scholars from different disciplines theology literature history music and anthropology From Frankenstein by way of Christian apocalyptic to Star Wars Star Trek Battlestar Galactica and much more and from the United States to China and back again the authors who contribute to this volume serve as guides in the exploration of religion and science fiction as a multifaceted multidisciplinary and multicultural phenomenon Dimensions of Madeleine L'Engle Suzanne Bray, 2017-01-03 Best known for her Newbery Medal winning novel A Wrinkle in Time Madeleine L Engle 1918 2007 had a long and successful writing career Her books enjoyed popular acclaim and she was in constant demand to give speeches write forewords and advise and encourage younger authors Yet her work particularly her adult fiction has been largely ignored by scholars This collection of new essays gives overdue critical attention to L Engle's complete body of work from her familiar young adult fiction to her religious writings poems and short stories The Gospel According to Superheroes B. J. Oropeza, 2005 And 1970s and the dark and violent creatures who embody the pre and post millennial crises of faith Lavishly illustrated the articles come to startling conclusions about what we have really been reading under the covers with flashlights for generations Annotation 2004 Book News Inc Portland OR booknews com Modern and Postmodern Narratives of Race, Gender, and Identity Yoriko Ishida, 2010 The alleged affair between Thomas Jefferson the third president of the United States and his slave Sally Hemings was proven as a fact by DNA analysis in 1998 While many historians continue to deny the affair some have accepted the love affair between Jefferson and Hemings as fact and many historical omissions regarding the affair have been revised since the 1998 DNA results However the identity and the dignity of the Hemings family which were previously ignored in the official history have been restored not only by science but also by literature This book examines how African American writers have depicted the issues of race gender and identity for Sally Hemings and her descendants in modern and postmodern novels On the Legacy of Maxine Hong Kingston Sämi

Ludwig, Nicoleta Alexoae-Zagni, 2014 This book is a collection of recent scholarship on Maxine Hong Kingston gathered on the occasion of the very first conference ever devoted exclusively to Kingston and to celebrate her opera omnia Featuring the work of researchers from four continents the book represents the cosmopolitan reception of the most important Asian American author In addition to many new angles on her two canonical postmodern autobiographies The Woman Warrior and China Men this collection also tackles Kingston's less frequently discussed writings and her most recent publications Parallel readings and comparisons further test her legacy in the sense of her enduring influence on younger Asian American writers Though it is a conference book this peer reviewed volume includes additional articles by selected scholars It also contains original presentations by Maxine and her husband Earll Kingston Series Contributions to Asian American Literary Studies Vol Religion & Alcohol Charles Kevin Robertson, 2004 Religion and Alcohol Sobering Thoughts is an intriguing and thought provoking collection of ten essays divided into two main parts The first part focuses on the use or prohibition of alcohol in various religious traditions with chapters exploring the Christian New Testament Judaism Islam Hinduism and tribal religions The second half of the book considers alcohol in its historical context with chapters examining drinking in medieval monasticism Victorian England the American South and films as well as the influence of movements such as Alcoholics The Nathaniel Hawthorne Review ,2005 Handbook of Transatlantic North American Studies Julia Anonymous Straub, 2016-05-10 Transatlantic literary studies have provided important new perspectives on North American British and Irish literature They have led to a revision of literary history and the idea of a national literature They have changed the perception of the Anglo American literary market and its many processes of transatlantic production distribution reception and criticism Rather than dwelling on comparisons or engaging with the notion of influence transatlantic literary studies seek to understand North American British and Irish literature as linked with each other by virtue of multi layered historical and cultural ties and pay special attention to the many refractions and mutual interferences that have characterized these traditions since colonial times This handbook brings together articles that summarize some of the crucial transatlantic concepts debates and topics The contributions contained in this volume examine periods in literary and cultural history literary movements individual authors as well as genres from a transatlantic perspective combining theoretical insight with textual analysis The Italian American Experience Salvatore J. Contemporary Perspectives on Language, Culture and Identity in Anglo-American Contexts Éva Antal, Csaba Czeglédi, Eszter Krakkó, 2019-09-23 This collection of essays highlights the great variety one finds in contemporary scholarly discourse in the fields of English and American studies and English linguistics in a broad and inclusive way It is divided into thematically structured sections the first two of which examine the motif of travelling and images of recollection in literary works while the third and the fourth parts deal with male and female voices in narratives Another chapter discusses visual

and textual representations of history The last two subsections focus on the rhetorical and theoretical questions of language The pluralism of themes indicated in the book s title can thus be regarded not as a limitation but rather as evidence of its potential Wissenssümpfe Mark Arenhövel, Anja Besand, Olaf Sanders, 2016-11-17 Der Band ist das erste wissenschaftlich fundierte Buch ber die Serie True Detectives die ein neues Serienformat begr ndet hat Eine Serie von Episoden verbindet sich zu einer Miniserie die einem Langspielfilm gleicht Die Miniserien gehen dann in Serie Es gibt nur einen Creator und Autor und pro Season einen Regisseur Inhaltlich Serie stellt die Zuschauer die durch ihre spezifische sthetik in sie hereingesogen werden vor gro e Herausforderungen Die Serie wirft eine Reihe gro er Fragen nach Zeit Religion Ort Gerechtigkeit Form und Darstellungsweisen auf Sie f hrt in Wissenss mpfe die sich nur interdisziplin r durchqueren lassen

American Gothic Robert K. Martin,1998-06 In America as in Britain the rise of the Gothic represented the other the fearful shadows cast upon Enlightenment philosophies of common sense democratic positivism and optimistic futurity Many critics have recognized the centrality of these shadows to American culture and self identification American Gothic however

remaps the field by offering a series of revisionist essays associated with a common theme the range and variety of Gothic manifestations in high and popular art from the roots of American culture to the present The thirteen essayists approach the persistence of the Gothic in American culture by providing a composite of interventions that focus on specific issues the histories of gender and race the cultures of cities and scandals and sensations in order to advance distinct theoretical paradigms Each essay sustains a connection between a particular theoretical field and a central problem in the Gothic tradition Drawing widely on contemporary theory particularly revisionist views of Freud such as those offered by Lacan and Kristeva this volume ranges from the well known Gothic horrors of Edgar Allan Poe and Nathaniel Hawthorne to the popular fantasies of Stephen King and the postmodern visions of Kathy Acker Special attention is paid to the issues of slavery and race in both black and white texts including those by Ralph Ellison and William Faulkner In the view of the editors and contributors the Gothic is not so much a historical category as a mode of thought haunted by history a part of suburban life and the lifeblood of films such as The Exorcist and Fatal Attraction
