Diving to the Bottom of Your Eyes hierro blanco, 2014-02-21 *Diving to the Bottom of Your Eyes* is the love story between two young men It starts in Madrid in the early seventies during the last years of the very strict and conservative Franco regime and involves characters directly linked to the social and political establishment It has been a short pure explosive and at the same time dramatic relation that left

enduring memories and scars in the surviving partner It is written forty years later this means in the present time by the surviving partner in an utterly poetic and moving style As it is said in the text durable relations sometimes do not take a long time to consolidate they may well be quickly built in very robust terms and also quickly destroyed often all done by the same actors in absolute voluntary terms human nature is surely volatile or even very treacherous **Crossing My Jordan** P.J.
