**Goodbye, My Tribe** Vic Sizemore, 2020-04-14 Goodbye My Tribe An Evangelical Exodus is Vic Sizemore's collection of personal essays chronicling two simultaneous transformations One is the gathering of unconnected and nonpolitical evangelical congregations across the nation into the political juggernaut called the Religious Right the other is the author's own coming to terms with the emotional and spiritual trauma of his life deep inside fundamentalist Christianity and his struggle to free himself from its grasp Sizemore whose father was a preacher and professor at a small West Virginia Bible college attended Liberty University in Lynchburg Virginia arguably the crucible of American evangelical Christianity Sizemore began writing these essays with the aim of exploring and understanding what happened when the mythology of his tribe crumbled from beneath his feet He draws heavily on his upbringing and his family history as a framework for how his tribe of white evangelicals have found ways to reconcile Christianity with what the author finds to be troubling stances on many social issues among them race gender sexuality materialism anti intellectualism and white supremacy In a clear eyed and eloquent voice Sizemore grapples movingly with his own bewilderment and chagrin as he struggles to reconcile the essential philosophical and moral decay that he believes many evangelicals have come to embrace His insights arranged topically and thematically and told through graceful and accessible prose toggle between memoir and literary journalism along a spectrum that touches on history philosophy theology and personal reflections

West, 2015-10-30 Saying Goodbye My Spiritual Journey through Death and Dying dares to face the basic reality that so much of modern culture strains itself to deny everyone who lives will die The hope and the encouragement come not in pretending that death will not happen but in shaping the way in which one says goodbye to friends and family Jean C West who sat with her husband and her siblings as they died draws upon both her experiences and her research to present a guide to assist all who find themselves in the position making or witnessing end of life goodbyes Her advice covers the circumstances of those who are dying and of others who accompany loved ones in their dying Saying Goodbye describes the common landmarks one encounters in a journey through death and dying It presents special guidance for circumstances in which children are dying It talks through the sorts of plans one can make in advance of death It consoles and supports individuals during the time after a loved one's death Saying Goodbye My Spiritual Journey through Death and Dying recognizes that while each person's circumstances and perspective are unique the common elements of the human experience of death and dying can provide the foundation for saying goodbye and for journeying through times of human mortality      **GOODBYE YAMAGUCHI** Gene Denson & Jack Denson, 2010-07-22 Good bye Yamaguchi is a fast moving story about an ambitious attempt by Japanese gangsters yakuza to seize control of all vice operations in cosmopolitan Miami Florida the gateway for predators from Central and South America Two ex Secret Service agents fired for their failure to prevent the assassination of a Black presidential candidate reunite three years later to work as private investigators under a lucrative short term contract for their boss All government agencies are alarmed at the high murder rate and growing violence in Miami because of the drug trade and the security lapses on America's southern border A gang of ninjas have been sent by a rogue Japanese crime syndicate to seize an old Nicaraguan coastal freighter from its murdered crew Moored in the Miami River in downtown Miami the cargo ship serves as the home of the ninja gang who avoid suspicion by posing as martial arts instructors Using nightly assassinations and planted rumors to put rival Latino gangs against each other the ninjas gradually begin to gain control of all Miami Vice

*Goodbye, Jimmy Choo* Annie Sanders,2008-11-15 In this poignant and witty debut a bohemian and a Gucci clad socialite form an unlikely friendship after leaving the city **Instant Karma** Vincent Gilvarry,2016-10-19 A directive from the highest of all celestial realms has decreed that Planet Earth is about to be terminated Yumi Master Addric Sharano faces the biggest challenge of his life If he cannot drag the people of Earth back from the brink within a period of 90 days the worst of all possible scenarios will be activated Sit back and marvel as Addric reveals a few of his hidden talents His solution to this problem is typically Addric imaginative and brilliant And the people of Planet Earth are about to find out that not all aliens have a bulbous head and big green eyes **The Goodbye World Poem** Brian Turner,2023-08-07 While Turner author of *Here Bullet* grieves the loss of his wife to cancer *The Goodbye World Poem* is a series of poetic meditations that sit quietly in the silent afterward of someone s death Losing his wife his father and his best friend in quick succession Turner explores those relationships through the complicated lenses of moments in time weaving in and out of memory to explore the disparate history that fuses together to form ones psyche Throughout the collection a prevailing motion recurs that of submersion sinking plunging into the deep whether it be the ocean or the subconscious In other words this book is a kind of poetic biography a journey of the self that ultimately pours everything that s happened in a life all of the love and all of the loss into the moment of death itself The poems are meant to be celebratory and sublime in their comprehension of what happens to our memories when we die And if the reader is inclined the reader becomes the vessel who holds all of this in their own imagination carrying Turner and his memories forward into their own lives in a small way *What I'm Trying to Say is Goodbye* Lois Simmie,2015-01-08 In Simmie s trademark style this sweeping new novel is the funny sad and engaging story of a shattered family s attempt to figure out where exactly each member fits Matthew s a burned out recovering alcoholic ex newspaperman who finds himself almost nightly roaming the halls of the Victoria apartment building he looks after while fighting to stay on the wagon Delia s his estranged wife who still likes him she left him reluctantly when she didn

t know what else to do but doesn't really trust him Kate's their daughter trapped in a loveless marriage with Michael her religious zealot husband who can't wait for the end of the world Sam's the grandson caught in the middle but looking hard for a way out With this heartbreaking cast of characters Lois Simmie assembles a true fictional tour de force a roller coaster of a novel that just won't let up until the final page As Matthew deals daily with the eccentric tenants of his building and struggles to resist the powerful temptation to hit the bottle again he's not necessarily in a reflective mood Lord knows he's got his own troubles But as sobriety takes a bit more root in him and he begins to look outward he sees that he's not the only one with problems In fact maybe others people that he loves in his own way and still in their own ways love him have problems bigger than his But these are people he's let down in the past with his cowardly ways with his weakness with his self-absorption It's going to take every ounce of courage that he's got all the wisdom he can muster all the wherewithal he's not sure he possesses to try to make a difference It was too late once But if he fails this time it really is goodbye *Enter the Rauha Skog* Debora Jarvela, 2012-05-31 Born in 1955 in Duluth Minnesota Raised on the Iron Range Lived in Pennsylvania Florida Oregon Finland And California Travels have been to Canada Mexico Finland Sweden England and thirty three States in the United States Outdoor activities such as hiking have been spent in the Northwoods of Minnesota southern Finland the San Jacinto San Geronimo and Sierra mountains in California along with Joshua Tree Nat'l Monument Raised two sons and a daughter Resides in Minnesota with her husband Steve and two cats
