Seddon, 1997 When Saints Are Lovers explores the cultural and spiritual foundations of the life of Reverend Thomas Frederick Price M M a co founder of the Catholic Foreign Mission Society Maryknoll in the United States John T Seddon III having based this study on the Diary of Father Price discusses how these foundations developed into Price's dedication to the Blessed Mother and a spiritual marriage with St Bernadette Soubirous Love, Joy, and Sex Stan Chu Ilo, 2019-07-30 There is no papal document that has generated as much interest controversy and debate in recent times as Pope Francis's Amoris Laetitia This document which came out of two very divisive synods of Catholic bishops and leaders in Rome in 2014 and 2015 will probably be the most discussed document ever produced by a pope in modern Catholicism on marriage and family life This volume has gathered seminal commentaries on Amoris Laetitia by African Catholic theologians social scientists and pastoral workers They offer African theological and pastoral responses to the principles and practices proposed by Pope Francis and the Synod on the family on such contested issues as same sex relations divorce and remarriage and reception and denial of Holy Communion in the church among other

divisive issues These important essays and commentaries show the strengths and weaknesses of this papal commentary and point out the missing link in the global conversation on marriage family and same sex relations Their argument for the inclusion of African perspectives and moral traditions in the search for a third way in finding an inclusive and integrated pastoral art of accompaniment is very compelling The authors here also call for the inclusion of Africa s own unique challenges like polygamy childless marriages and the impact of migration civil conflict diseases ecological and population crises and the rights of African women in the global discussion on marriage and family life They also challenge uncritical cliches in world Christianity that Africa s opposition to same sex marriages or Western propaganda about population or birth control and contraception are conservative while showing diverse African conversations on these topics in the search for abundant life on this beautiful continent
