Good Things For Organizing:

Good Things for Organizing Lesley Porcelli, 2001-01-01 A collection of inspired household ideas and projects for keeping things organized

Good Things for Organizing Martha Stewart, 2001 Presents a variety of practical and attractive solutions for organizing everything from wardrobes to home offices explaining how to alleviate the clutter and provide storage in every room of the house

Good Things for Organizing Kathleen Hackett, Alice Gordon, Lesley Porcelli, 2001 Storage ideas and tips for organizing the things in your life at home and in the office

Organizing for Quality Paul Bate, Peter Mendel, Glenn Robert, 2008 This challenging and highly practical book draws on the findings from an international study designed to help practitioners and researchers understand the factors and processes that enable healthcare organisations in the United States and Europe to achieve and sustain high quality services for their users The in depth case studies from seven leading hospitals give an international evidence based outlook that focuses on both the organisational and cultural processes of quality improvement Implication for research and practice are considered and a checklist of possible challenges has been drawn up to help identify any gaps in initiatives Healthcare policy makers and shapers including hospital chief executives and NHS directors will find this book enlightening as will healthcare quality improvement and service development researchers and professionals Clinicians with an interest in quality improvement will also find much of interest

Organizing for Mission and Growth George R. Knight, 2006 The twentieth century brought new problems racial conflict that led to the establishment of regional conferences and the call for Black unions and congregational rumblings that continue to the present As the church contemplates a third cycle of restructuring the author wonders whether it will be flexible enough to change again

Organizing Hope Daniel Ericsson, Monika Kostera, 2019-12-27 Crumbling social institutions disintegrating structures and a profound sense of uncertainty are the signs of our time In this book this contemporary crisis is explored and illuminated providing narratives that suggest how the notion of hope can be leveraged to create powerful methods of organizing for the future Chapters first consider theoretical and philosophical perspectives on hopeful organizing followed by both empirical discussions about achieving change and more imaginative narratives of alternative and utopian futures including an exploration of the differing roles of work creativity idealism inclusivity and activism
