which she used the Bible as source material for her work It also shows that rhetorically many of O Connor s stories and or characters are based upon biblical models Furthermore Cofer explains how O Connor s stories engage their biblical analogues in unusual unexpected and sometimes grotesque ways as her stories manage to convey essentially the same message as their biblical counterparts Throughout O Connor s work there are significant biblical allusions which have been neglected or previously undiscovered This book acknowledges her biblical source material so readers can understand the impact it had on her fiction Cofer argues that readers can better appreciate her work by examining how her stories are often grounded in specific biblical texts which she similarly distorts exaggerates and subverts in order to shock and teach readers Simply put O Connor doesn t merely reference these biblical stories she rewrites them
