

The background of the slide is a photograph of a sunset or sunrise. The sky is a deep blue with many small white stars. The sun is low on the horizon, creating a bright orange and yellow glow. In the foreground, there are dark, silhouetted mountains. The text "WHAT IS THE GOOD NEWS?" is centered in the upper half of the image in a white, serif font. The word "GOOD" is larger than "NEWS?". There are several white, diagonal lines radiating from the right side of the word "GOOD", giving it a sense of brightness or emphasis.

Rereading Galatians from the Perspective of Paul's Gospel Yung Suk Kim, 2019-10-29 Galatians has often been read from a rhetorical perspective with an emphasis on justification by faith Paul's autobiographical experience proofs of the gospel and exhortations to the Galatians However it can be read as a letter of which the main theme is the gospel an umbrella term that covers many other topics including faith righteousness freedom and new creation Paul writes Galatians not to argue for an individual justification by faith understood from a forensic salvation perspective but to make explicit his gospel that all can become children of God through faith In Paul's logic what comes first is God's promise faith is a response to it through Christ and the law can be fulfilled through faith The gospel that Paul proclaimed to the Galatians is based on God who called them in the grace of Christ 1 6 Kim challenges the traditional reading of Galatians exploring different dimensions of the gospel 1 God as the origin and root of the gospel 2 Christ as the exemplifier of God's gospel through faithfulness 3 the followers of Jesus as the children of God who participate in Christ's faithfulness and continue to proclaim the good news of God through Jesus
