**American Book Publishing Record** ,2000-07 *Like Trees Walking* Jane Sigloh,2007-05-25 Many of us are fast approaching the golden years of retirement wondering with fear and hope what the future holds for us And you won t find a better companion for the journey of aging than Jane Sigloh She s witty perceptive and wise A retired Episcopal priest she is possessed of both reverent awe and irreverent honesty about the facts and fantasies of growing old She interweaves the insights of Scripture poetry fiction and philosophy into her memories and reflections on the challenges and opportunities that maturity brings Dip into any of these chapters and find a refreshing perspective a humorous anecdote or an intimate confession that will ring true to your own experience

Directory of World Cinema: Japan 3 John Berra,2015-01-01 Like its predecessors Directory of World Cinema Japan 3 endeavours to move scholarly criticism of Japanese film out of the academy and into the hands of cinephiles the world over This volume will be warmly welcomed by those with an interest in Japanese cinema that extends beyond its established names to equally remarkable filmmakers who have yet to receive such rigorous attention

Red Water, Black Gold Margaret A. Bickers,2014-11-15 Red Water Black Gold The Canadian River in Texas 1920 1999 tells the story of the

Canadian River in the Texas Panhandle It is a tale of grand designs high hopes deep holes politics fishing follies foibles and environmental change Although efforts had been made to tap the Canadian River s waters before 1920 the discovery of oil in the Panhandle gave new urgency to the search for permanent water supplies Additionally the spread of groundwater irrigation amid the discovery of the limits of Ogallala Aquifer spurred regional interests to tap the Canadian But overestimates of the river s flow and unfamiliarity with the critical role groundwater played in maintaining that flow led to complications and frustrations culminating in a lawsuit over the location of the banks of a seemingly waterless river This book is a valuable addition to the water history of Texas and the American West and to the growing body of worldwide regional water histories Combining traditional historical sources with hydrology climatology and geology Red Water Black Gold complicates the traditional story of top down water management as well as telling the thus far untold story of the Canadian River in Texas

Sea Gate Remembered Arnold Rosen,2003-12-30 Today gated communities abound in our nation But what was it like living in one 100 years ago Author Arnold Rosen describes life in New York s first gated community the gate was erected in 1898 in his book SEA GATE REMEMBERED As the pages turn this book tours you through the generation s coming of age in the 1930 s and 40s the games we played the stores we shopped the schools we attended and the somber war years So much of the many privacies beyond the gate are revealed by the author and ex Sea Gaters who spent their youthful years beyond the wired fences at the southwestern tip of Brooklyn walled off from Coney Island next door and extending to the rest of North America Arnold Rosen author of twenty books on computers and office technology grew up in Sea Gate where his father owned and operated sideshows and amusement rides beyond the fence in Coney Island Now professor emeritus at Nassau Community College Rosen graduated with a BS degree from Ohio State University an an MS degree from Hunter College after serving in the U S Air Force during the Korean War The author lived in Sea Gate from 1932 to 1952 and now has come full circle to retire in another gated community Sun City Hilton Head South Carolina

**Returning Home** Jerry M. Burger,2011-03-16 Each year millions of American adults visit a childhood home Few can anticipate the effect it will have on them Often serving several important psychological needs these trips are not intended as visits with people from their past Rather those returning to their homes have a strong desire to visit the places that comprised the landscape of their childhood Approximately one third of American adults over the age of thirty have visited a childhood home This book describes some of their experiences and the psychology behind the journeys Most people who visit a childhood home are motivated by a desire to connect with their past Seeing the buildings schools parks and playgrounds from their youth helps to establish the psychological and emotional link between the child in the black and white photographs and the person they are today Many people use the trip to get in touch with the values and principles they were taught as children often as a means to get their lives back on track Others use that journey to strengthen emotional bonds between themselves and loved ones Still others return to former homes to work through psychological issues left over from sad or

traumatic childhoods No matter the reason there are few experiences in one s life that can move a person as deeply and unpredictably as returning home      **What Then Is This Child Going To Be?** Steve Hawley,2003-03      *Joe Hisaishi's Soundtrack for My Neighbor Totoro* Kunio Hara,2020-02-06 My Neighbor Totoro is a long standing international icon of Japanese pop culture that grew out of the partnership between the legendary animator Miyazaki Hayao and the world renowned composer Joe Hisaishi A crucial step in the two artists collaboration was the creation of the album My Neighbor Totoro Image Song Collection with lyrics penned by Miyazaki and Nakagawa Rieko a famed children s book author and music composed by Hisaishi The album released in 1987 prior to the opening of the film served not only as a promotional product but also provided Miyazaki with concrete ideas about the characters and the themes of the film This book investigates the extent to which Hisaishi s music shaped Miyazaki s vision by examining the relationship between the images created by Miyazaki and the music composed by Hisaishi with special emphasis on their approaches to nostalgia one of the central themes of the film      **Good Old Days at the Buick** ,1990      **From Hometown to Battlefield in the Civil War Era** Timothy R. Mahoney,2016-05-17 Mahoney examines how members of the middle class from small cities across the great West were transformed by boom and bust years of recession and civil war He argues that in their encounters with national economic forces the national crisis in politics and the Civil War middle class people were cut adrift from the social identity that they had established in the face to face communities of the hometowns of the urban West By grounding them in their hometown ethos and understanding how the Panic of 1857 and the subsequent recession undermined their lives the author provides important insights into how they encountered responded to and were changed by their experiences in the Civil War Providing a rare view of social history through the framework of the Civil War the author documents in both breadth and depth the dramatic change and development of modern life in nineteenth century America      *Intelligence, Creativity and Fantasy* Mário Ming Kong,Maria do Rosário Monteiro,Maria João Pereira Neto,2019-09-30 The texts presented in Proportion Harmonies and Identities PHI INTELLIGENCE CREATIVITY AND FANTASY were compiled with the intent to establish a multidisciplinary platform for the presentation interaction and dissemination of research The aim is also to foster the awareness and discussion on the topics of Harmony and Proportion with a focus on different visions relevant to Architecture Arts and Humanities Design Engineering Social and Natural Sciences and their importance and benefits for the sense of both individual and community identity The idea of modernity has been a significant motor for development since the Western Early Modern Age Its theoretical and practical foundations have become the working tools of scientists philosophers and artists who seek strategies and policies to accelerate the development process in different contexts      *Falling Down for the Count* Albert G. Williams,2003 Transport yourself back to WW II through letters journal entries and telegrams and feel the emotions of a young man as he joins the Army Air Corp and becomes a POW      **Tarot: No Questions Asked** Theresa Reed,2020-09-01 Tap into your sixth sense and become a better more confident tarot reader Most all tarot books present

card by card interpretations as well as an instruction on how to read spreads This book takes the next logical step inward by presenting the art of reading in a workbook format and helps you learn to interpret the cards intuitively The book falls into two parts The first part concerns learning about the cards and includes exercises for each card that teaches you to trust your interpretation of the card The second part helps you develop that ability a skill that Reed calls intuition All the exercises stories card meanings and techniques really serve one purpose to go beyond learning Tarot to living it It s not enough to memorize the meanings of the cards and you can t do a reading with a workbook at your side forever In order to deliver a meaningful accurate tarot reading you need to hone your intuition Without a comfortable connection to your sixth sense the tarot readings lack finesse and becomes nothing more than cookie cutter interpretations When you re fluent in your intuition you can develop better readings and unique interpretations for each person In this book Reed teaches by example She presents the basics of intuitive tarot reading reading without any questions any backstory anything to go on This book is filled with exercises to hone your intuition and sharpen your interpretation skills

### **Literary and Social Diasporas**

Gaetano Rando, Gerry Turcotte, 2007 This volume seeks to map an understanding of the Italian experience onto the broader picture of diasporic stories though with an anchor in the Australian Italian experience It brings together key essays and testimonials that frame a picture of Italy s rich legacy at home in Europe more widely and in the post colonial sphere with a particular emphasis on the Australian experience The essays collected here focus on the way an Italian Australian story has emerged and evolved in its own unique way In some respects it might be possible to define Australia through this community as an Italian space very much inscribed and described by the many voices that characterise it What is clear throughout these pages is that past present and future circulate through and around each other just as notions of nation colonial postcolonial emigrant and immigrant jostle for purchase in what is in fact a contested space always under negotiation Back cover
