Art Books Wolfgang M. Freitag, 2013-10-28 First published in 1997 For this second edition of Art Books A Basic Bibliography of Monographs on Artists the vast number of new books published since 1985 was surveyed and evaluated This has resulted in the selection of 3 395 additional titles These selections reflective of the increase in the monographic literature on artists during the last ten years are evidence of the activities of a larger number of art historians in more countries worldwide of the increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically and also of a lively international art market and the attendant gallery activities The selections of the first edition have been reviewed errors have been corrected and important new editions and reprints have been noted The second edition contains 278 names of artists not represented in the first edition

Picasso Ray Anne Kibbey, 1977 *Chicago* 1992 Mary Ann Mattoon, 1993 With an all encompassing theme The Transcendent Function Individual and Collective Aspects The Twelfth International Congress for Analytical Psychology was convened in Chicago on August 23 1992 A wide range of papers and presentations elucidated diverse approaches to the roles played by symbols in analysis their relationships to one another and their beholders and possibilities for transcendence

The Artist, His Model, Her Image, His Gaze Karen L. Kleinfelder, 1993-04-15 Although Pablo Picasso s name is virtually synonymous with

modernity his late graphics repeatedly turn back to the traditional theme of the artist and model Had the aging artist turned reactionary or is Picasso's treatment of the theme more subversive than anyone has suspected In this innovative study Karen L Kleinfelder rejects the claim that Picasso's later work was a failure The failing she claims lies more in the way we typically have read the images treating them merely as reflections of an old age style or of the artist's private life Focusing on graphics dating from 1954 to 1970 Kleinfelder shows how Picasso plays with the artist model theme to extend subvert and parody both the possibilities and limits of representation For Kleinfelder Picasso's graphic work both mystifies and demystifies the creative process venerates and mocks the effects of aging and the artist's self image as a living old master and acknowledges and denies his own fear of death Using recent interpretive and literary theory Kleinfelder probes the three way relationship between artist model and canvas The dynamics of this relationship provided Picasso with an open ended textual framework for exploring the dichotomies of man woman self other and vitality mortality What unfolds is the artist's struggle not only with the impossibility of representing the model on canvas but also with the inevitability of his own death Kleinfelder explores how Picasso's means of pursuing these issues allows him to defer closure on a long productive career By focusing on the graphics rather than the paintings Kleinfelder contradicts the primacy of the painted masterpiece she steers the reader away from the assumption that the artist must work toward creating a final body of work that signifies the culmination of his search for a coherent identity Picasso's search she argues realizes itself in the creative process She interprets the late graphics not as a biographical statement but as a tool for investigating the possibilities of representation within the limits of Picasso's medium and his lifetime Richly illustrated Kleinfelder's book will open up new approaches to the late work of this complex artist

Korean Art since 1945: Challenges and Changes Youngna KIM, 2024-09-16 Over the past decades Korea has gradually risen to become one of the global representatives of Asian culture Korean artists have been increasingly active at an international level with many being invited for residencies and exhibitions all over the world Nonetheless for various reasons the general understanding of Korean contemporary art remains insufficient Although a few overviews of Korean contemporary art do exist they typically focus on the history of art groups and movements In addition several anthologies have been published with articles on a range of topics offering multiple perspectives However there have been few attempts to provide a unified synopsis of Korean contemporary art Presenting a comprehensive engaging survey that covers the full spectrum of Korean contemporary art Korean Art since 1945 Challenges and Changes seeks to fill this lacuna Drawing on primary sources it discusses the main issues including the ideological stakes that affected the art world modernist art vs political art and the fluidity of concepts such as tradition and national identity Moreover the book also has a chapter on the art of North Korea Korean Art since 1945 Challenges and Changes is an invaluable tool for those intent on grasping the entire scope of modern art in Asia

Max Jacob: A Life in Art and Letters Rosanna Warren, 2020-10-20 A comprehensive and moving biography of Max Jacob a brilliant cubist poet who lived at the margins of fame Though less of a

household name than his contemporaries in early twentieth century Paris Jewish homosexual poet Max Jacob was Pablo Picasso's initiator into French culture Guillaume Apollinaire's guide out of the haze of symbolism and Jean Cocteau's loyal friend As Picasso reinvented painting Jacob helped to reinvent poetry with compressed hard edged prose poems and synapse skipping verse lyrics the product of a complex amalgamation of Jewish Breton Parisian and Roman Catholic influences In Max Jacob the poet's life plays out against the vivid backdrop of bohemian Paris from the turn of the twentieth century through the divisions of World War II Acclaimed poet Rosanna Warren transports us to Picasso's ramshackle studio in Montmartre where Cubism was born introduces the artists gathered at a seedy bar on the left bank where Max would often hold court and offers a front row seat to the artistic squabbles that shaped the Modernist movement Jacob's complex understanding of faith art and sexuality animates this sweeping work In 1909 he saw a vision of Christ in his shabby room in Montmartre and in 1915 he converted formally from Judaism to Catholicism with Picasso as his godfather In his later years Jacob split his time between Paris and the monastery of Benoît-sur-Loire In February 1944 he was arrested by the Gestapo and sent to Drancy where he would die a few days later More than thirty years in the making this landmark biography offers a compelling tragic portrait of Jacob as a man and as an artist alongside a rich study of his groundbreaking poetry in Warren's own stunning translations Max Jacob is a nuanced deeply researched and essential contribution to Modernist scholarship
