Become an Algorithmic Problem José Marichal,2025-09-16 In the age of AI where personal data fuels corporate profits and state surveillance what are the implications for democracy This incisive book explores the unspoken agreement we have with tech companies In exchange for reducing the anxiety of an increasingly complex online world we submit to algorithmic classification and predictability This reduces incentives for us to become algorithmic problems with dire consequences for liberal democracy He calls for a movement to demand that algorithms promote play creativity and potentiality rather than conformity This is a must read for anyone navigating the intersection of technology politics and identity in an increasingly data driven world Bending Bodies Thomas Johansson,Soren Ervo,2024-11-01 This title was first published in 2003 The

contributing authors have sought to integrate a gender perspective into their respective fields without isolating it from other theoretical accounts The chapters attempt to employ insights from feminist work and gender studies in general yet insist on criticizing monolithic accounts of masculinity and elaborating on more differentiated historically and socially embedded accounts of men s lives and their construction of masculinities The volume is the result of interdisciplinary workshops focusing on questions of male sexuality the male body and masculine representations primarily investigating the relationship between change and continuity within western patriarchal society and the theoretical rather than political implications of the

new research in men and masculinities This volume differs from the first in that it deals with the construction of masculine identities on an individual level the individual man's relationship with his own body and sexuality Scarab - Ay Max Overton, 2012-04 Tutankhamen is dead and his grieving widow tries to rule alone but her grandfather Ay has not destroyed the former king just so he can be pushed aside Presenting the Queen and General Horemheb with a fait accompli the old Vizier assumes the throne of Egypt and rules with a hand of hardened bronze His adopted son Nakhtmin will rule after him and stamp out the last remnants of loyalty to the former king Scarab was sister to three kings and will not give in to the usurper and his son She battles against Ay and his legions under the command of General Horemheb and aided by desert tribesmen and the gods of Egypt themselves The final confrontation will come in the rich lands of the Nile delta where the future of Egypt will at last be decided *American Illustrated Magazine*, 1921 **Clinical Obsessive-Compulsive**
