**A Study Guide for Sherman Alexie's *The Absolutely True Diary of a Part-Time Indian*** Gale, Cengage Learning, 2015-09-15 A Study Guide for Sherman Alexie's *The Absolutely True Diary of a Part-Time Indian* excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Novels for Students* for all of your research needs. Sherman Alexie Jeff Berglund, Jan Roush, 2011-10-31 A collection of critical essays on the writing and films of American Indian author Sherman Alexie. *Constructing the Adolescent Reader in Contemporary Young Adult Fiction* Elisabeth Rose Gruner, 2019-05-17 This book examines the way young adult readers are constructed in a variety of contemporary young adult fictions, arguing that contemporary young adult novels depict readers as agents. Reading these novels suggests is neither an unalloyed good nor a dangerous ploy but rather an essential, occasionally fraught, by turns escapist and instrumental, deeply pleasurable and highly contentious activity that has value far beyond the classroom skills or the specific content it conveys. After an introductory chapter that examines the state of reading and young adult fiction today, the book examines novels that depict reading in school, gendered and racialized reading, reading magical and religious books, and reading as a means to developing civic agency. These examinations reveal that books for teens depict teen readers as doers and suggest that their ability to read deeply critically and communally is crucial to the development of adolescent agency. *School Library Journal*, 1995. *Junior Genreflecting* Bridget Dealy Volz, Cheryl P. Scheer, Lynda B. Welborn, 2000-02-15 Grouping titles by specific themes and subtopics describes content and features of popular paperback series classics and books published after 1990 and provides historical background to six different genres. "Unsuitable" Books Caren J. Town, 2014-08-11 Focusing on the attempted and successful banning of young adult fiction from media centers and classrooms, this book treats the legal and experiential history of censorship in libraries and public schools. It also looks closely at young adult novels from the early 1970s until today that have been the subject of book challenges. The authors discussed include Judy Blume, S. E. Hinton, Chris Crutcher, Jean Craighead George, M. E. Kerr, Mildred Taylor, and Sherman Alexie. This book offers parents, teachers, and librarians arguments against censorship based on literary merit and societal benefit. **The Courage to Imagine** Roni Natov, 2017-11-30 The act of imagining lies at the very heart of children's engagements with literature and with the plots and characters they encounter in their favorite stories. *The Courage to Imagine* is a landmark new study of that fundamental act of imagining. Roni Natov focuses on the ways in which children's imaginative engagement with the child hero figure can open them up to other people's experiences, developing empathy across lines of race, gender, and sexuality, as well as helping them to confront and handle traumatic experience safely. Drawing on a wide range of theoretical approaches from the psychological to the cultural and reading a multicultural spectrum of authors including works by Maya Angelou, Louise Erdrich, Neil Gaiman, and Brian Selznick, this is a groundbreaking

examination of the nature of imagining for children and re imagining for the adult writer and illustrator **Knowing Their Place? Identity and Space in Children's Literature** Terri Doughty, Dawn Thompson, 2011-12-14 Traditionally in the West children were expected to know their place but what does this comprise in a contemporary globalized world Does it mean to continue to accept subordination to those larger and more powerful Does it mean to espouse unthinkingly a notion of national identity Or is it about gaining an awareness of the ways in which identity is derived from a sense of place Where individuals are situated matters as much if not more than it ever has In children s literature the physical places and psychological spaces inhabited by children and young adults are also key elements in the developing identity formation of characters and through engagement of readers too The contributors to this collection map a broad range of historical and present day workings of this process exploring indigeneity and place tracing the intertwining of place and identity in diasporic literature analyzing the relationship of the child to the natural world and studying the role of fantastic spaces in children s construction of the self They address fresh topics and texts ranging from the indigenization of the Gothic by Canadian mixed blood Anishinabe writer Drew Hayden Taylor to the lesser known children s books of George Mackay Brown to eco feminist analysis of contemporary verse novels The essays on more canonical texts such as Peter Pan and the Harry Potter series provide new angles from which to revision them Readers of this collection will gain understanding of the complex interactions of place space and identity in children s literature Essays in this book will appeal to those interested in Children s Literature Aboriginal Studies Environmentalism and literature and Fantasy literature *The Cliff Dwellers* Will La Page, 2016-09-05 In this trilogy of connected stories and linked characters that collide with each other s lives over 600 years of America s history a permanently damaged amnesiac from the Vietnam War living as a hermit in the bluffs of the Buffalo National River in Arkansas profoundly influences numerous people whose lives he never really touches The first is Sarah Pingree an artist who falls to her death from the bluffs Her brother Corey an undercover wildlife agent from up State New York arrives to investigate the mysterious circumstances and discovers Zach Their connection is fleeting but compelling for both Zach leaves his cave after years of solitude to hitchhike across the country in search of something he doesn t understand while Corey ends up in the American Southwest searching for looters of Anasazi ruins Then Zach s tragic death on the road becomes a national news story thanks to investigative reporter Amanda Cousins who is able to resurrect the final year of his life by contacting some of the people he met during his journey Her connection with Corey Pingree becomes a pivotal event in both of their lives giving a special meaning to the tragedy of Zach *Self-Determined Stories* Mandy Suhr-Sytsma, 2018-11-01 The first book of its kind Self Determined Stories The Indigenous Reinvention of Young Adult Literature reads Indigenous authored YA from school stories to speculative fiction not only as a vital challenge to stereotypes but also as a rich intellectual resource for theorizing Indigenous sovereignty in the contemporary era Building on scholarship from Indigenous studies children s literature and cultural studies Suhr Sytsma delves deep in close readings of works by Sherman Alexie Jeannette Armstrong Joseph Bruchac

**From Alice to Algernon** Holly Blackford,2024-01-12 During the late Victorian period Charles Darwin s theories took the world by storm and the impact of evolution on research into the developing human mind was impossible to overlook Thereafter the study of children and childhood became a means to theorize imagine and apply the concept of evolution in a broad range of cultural productions Beginning with the watershed Victorian era *From Alice to Algernon The Evolution of Child Consciousness in the Novel* examines the creative transformation these theories underwent as they filtered through the modern novel especially those that examined the mind of the child By examining the connection between authors and trends in child psychology author Holly Blackford explains why many modern novels began to focus on child cognition as a site for intellectual and artistic exploration In each chapter of this book select novels of the late nineteenth or twentieth century are paired with a specific moment or movement from the history of developmental psychology Novels such as Mark Twain s *Huckleberry Finn* and Henry James s *What Maisie Knew* or Radclyffe Hall s less canonical *The Well of Loneliness* and even Mark Haddon s *The Curious Incident of the Dog in the Night Time* showcase major questions about human epistemology through their child characters From Lewis Carroll s *Alice and her looking glass* to Richard Wright s *Bigger Thomas* and the murder of Mary Dalton to the chaotic Neverland symbolizing the unmappable child s brain a literary tradition of child consciousness has emerged as an experimental site for the unstable concepts of evolution civilization and development By

situating literature about children within concurrent psychological discourses Blackford demonstrates how the modern novel contributed to the world's understanding of the boundless wonders and discernible limits of child consciousness
