# Gospel According To John And The Johannine Epistles

**Charles H. Talbert**

## **Gospel According To John And The Johannine Epistles:**

The Gospel According to John and the Johannine Epistles Neal M. Flanagan, 1983      *The Gospel According to John and the Johannine Letters* Scott M. Lewis, 2005 Thought provoking and understandable Scott M Lewis SJ breaks the Gospel of John down into manageable sections with commentary vital to new and returning readers Using themes from John s prologue to provide a focus Lewis encourages his readers to question and ponder rather than gloss over this deceptively simple text The Gospel According to John and the Johannine Letters offers a brief commentary incorporating recent scholarship with a general approach Ideally suited for Bible study groups as well as individual reflection it is accessible to a broad range of people Scott M Lewis SJ STD is associate professor of New Testament at Regis College Toronto Ontario and is engaged in retreat ministry      *Johannine Literature* Barnabas Lindars, John M. Court, 2000-05-01 The highly popular Sheffield New Testament Guides are being reissued in a new format grouped together and prefaced by one of the best known of contemporary Johannine scholars This new format is designed to ensure that these authoritative introductions remain up to date and accessible to seminary and university students of the New Testament while offering a broader theological and literary context for their study Alan Culpepper introduces the Johannine Writings as a whole illuminating their distinctive historical and theological features and their importance within the New Testament canon      The Johannine Epistles Rudolf Schnackenburg, 1992 An indispensable reference for everyone interested in understanding the Letters of John Schnackenburg s 3 volume commentary on the Gospel of John was called second to none in the world Biblical Theology Bulletin Now Schnackenburg brings to a close a truly magisterial work on the Johannine books of the New Testament

**Sacra Pagina: 1, 2, and 3 John** John Painter, 2023-05-30 The Johannine Epistles are today read as an important part of the Johannine literature Yet the meaning of the text is often unclear Part of the problem arises because although 1 John is called an Epistle it lacks the formal marks of an Epistle In 1 2 and 3 John John Painter illuminates the relationship 1 2 and 3 John have to each other and to the Gospel Painter explains the historical context of the Johannine Epistles using a socio rhetorical approach The writings are shown to reflect a situation of conflict and schism within the Johannine community they seek to persuade the readers of the truth of the writer s message In this truth the readers are encouraged to abide if they would have the assurance of eternal life Painter also examines the inseparable connection between belief and ethical life in active love for one another Through the socio rhetorical approach Painter brings to light the continuing relevance of these writings 1 2 and 3 John is divided into two parts Chapters under 1 John are Introduction to the Exegesis of 1 John Outline of 1 John First Presentation of the Two Tests 1 6 2 27 Excursus Sin and Sinlessness Excursus Love of the Brother Sister of One Another Excursus The Antichrist Second Presentation of the Two Tests 2 28 4 6 Third Presentation of the Two Tests 4 7 5 12 Conclusion 5 13 21 and Excursus A Sin Unto Death Chapters under 2 and 3 John are 2 John Introduction to the Exegesis of 2 John Outline of 2 John Prescript 2 John 1 3 Body of the Letter 4 11 Notice of Intention to Visit 12 and Final Greetings 13 3

John Introduction to the Exegesis of 3 John Outline of 3 John Prescript 3 John 1 2 Body of Letter 3 12 and Final Greetings 13 15

**The Johannine Epistles** Charles Harold Dodd, 1946 First published June 1946 The Theology of the Johannine Epistles Judith M. Lieu, 1991-05-31 The Johannine Epistles have long been recognised as contributing a vital element to the theology of the New Testament Usually it is to the Gospel that the reader turns first in order to explore that contribution the First Epistle is treated as a supplement while 2 and 3 John on account of their brevity receive little attention This book allows the Epistles to speak for themselves and shows that they sound a distinctive note within Johannine theology in particular and the thought of the New Testament in general Dr Lieu carefully outlines their most important theological themes comprising for example tensions in unity between confidence and imperative individual and community and faith and tradition which when understood in their original setting are seen to have rich potential for the continuing theology of the Church By focusing on the Johannine Epistles in their proper context and in their own right the author of this book thus provides a timely reassessment of the substantial theological contribution they have to make

**The Letters of John** Colin G. Kruse, 2000-03-11 In this carefully crafted commentary Peter O'Brien distinctively harvests the results of recent scholarship on the letter to the Hebrews especially in relation to the genre of the document and the flow of its discourse O'Brien views this letter as a word of exhortation A homily or sermon that skillfully interweaves exposition and exhortation encouraging faithful perseverance in the light of the superlative final word that God has spoken in Christ The Johannine Letters Georg Strecker, 1996 The three Johannine letters near the end of the New Testament which are traditionally linked with the Gospel of John address important issues in the theology and life of the early Christians Strecker's translation with commentary is a work of serious scholarship

**The Gospel of St. John and the Johannine Epistles** Raymond Edward Brown, 1965

The Gospel According to John and the Johannine Letters Little Rock Scripture Study, 2006-12-05 Only one Answer Guide is needed per small group facilitator Written in a poetic and symbolic style John's Gospel and letters prayerfully reflect on Jesus and his eternal relationship to the Creator This study invites you to meditate on God's overwhelming love 15 sessions

The Gospel of St. John and the Johannine Epistles Raymond Edward Brown, 1960 The Gospel of John and the Johannine Epistles, 1982

**The Gospel and Letters of John, Volume 1** Urban C. von Wahlde, 2010-11-22 Urban von Wahlde's radically new three volume commentary on the Gospel and Letters of John is the most detailed study of the composition of the Johannine literature ever put forth by an American scholar Nearly all of the problems confronted by those who study John have to do with the literary strata of the Gospel of John and their relation to the composition of the Letters of John With an archaeologist's precision and engaging a whole range of scholarly contributions in this area von Wahlde digs down to the foundations and exposes three distinct literary strata in the development of the Johannine tradition Volume 1 gives detailed evidence identifying and listing the criteria for each stratum Volumes 2 and 3 apply those criteria to the Gospel and Letters of John respectively

*Raymond Brown, 'The Jews,' and the Gospel of John* Sonya Shetty Cronin, 2015-02-26

Until the mid 1960s most commentators of the Gospel of John were aware of a polemic against the Jews yet they did not consider it with reference to contemporary ethical discussion A shift in focus in Johannine scholarship is noticeable from the mid 1960s and 1970s to the present where commentators began to connect the Gospel s polemic against the Jews with potential anti Judaism in the text As yet very little work has been done to answer the question of how this change in sensitivity came about This book is a historiography of one scholar s growing awareness of potential anti Judaism in the Gospel of John with the intention of using this individual history to explain the larger trend in biblical studies Sonya Cronin examines the published work of Raymond Brown a prominent Catholic New Testament scholar between the years 1960 1998 The book contextualizes Brown s work by evaluating the impact of ecclesiastical statements and the influence of earlier and contemporary Johannine scholarship on Brown s biblical interpretation and then posits theories as to why change occurs at specific times

*The Theology of the Gospel of John* Dwight Moody Smith, 1995-01-26 D Moody Smith treats the theology of the Gospel of John in its narrative form and historical context both ancient Jewish and early Christian His work draws upon the most recent scholarly investigations of the Gospel s historical purpose and setting The major theological themes of the Gospel especially its christology are treated in relation to the context of the work since Johannine theology is not simply a by product of controversies that produced the Gospel but is rather related to them in significant ways As Professor Smith shows John marks an important watershed between Christianity and Judaism His study will thus serve equally well as an introduction to the question of the origin of John and as an introduction to its theology It also consistently pays attention to the relationship of the Gospel to other major New Testament witnesses as well as to its important influence upon the development of later Christian doctrine

Eerdmans Commentary on the Bible: Epistles of John and Jude John Painter, Scot McKnight, 2021-04-13 This extract from the Eerdmans Commentary on the Bible provides Painter and McKnight s introduction to and concise commentary on the Epistles of John and Jude The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions

Reading John Charles H. Talbert, 1994 Reading John concentrates on the literary and theological distinctives of the Fourth Gospel and the Johannine Epistles New Testament scholar Charles Talbert s unique commentary considers the entire scope of these works attributed to John their literary settings and particularities and their continuing theological importance to the Christian story Thoughtful and engaging Reading John is an essential book for students and ministers

studying the New Testament and the Johannine writings      Cambridge History of Christianity: Volume 1, Origins to Constantine Margaret M. Mitchell, Frances M. Young, K. Scott Bowie,      **Johannine Epistles** Ruth Edwards, 1996-03-01 The three epistles of John occupy only five or six pages of an English Bible yet they are among the most intriguing writings of the New Testament Were they written by one person or more In what sort of community did they originate and what situation are they addressing What is the background to their thought How do they relate to the Gospel of John What is their theological message and does it have any relevance to the modern world These are some of the issues considered in this student textbook Guide to the Johannine epistles
