it s not something we like to talk about There is an unfortunate stigma to acknowledging workplace dysfunction let alone trying to grapple with the problem But negative behaviors such as incivility toxicity deviant behavior workplace politics and team and leadership dysfunction not only make the library a stressful workplace they also run counter to the core values of librarianship An important tool for library leaders and managers as well as library staff this book examines these negative relationship based issues and suggests practical research based solutions by discussing the importance of understanding oneself as related to the library workplace identifying attributes specific to libraries that foster personal success showing how organizational dysfunction is rooted in problems such as poor communication inadequate leadership and lack of employee engagement breaking down relatable scenarios to analyze what s behind them and how to defuse them ranging from a gossip coworker who fails to contribute to the organization to workplace bullying and mobbing exploring causes results and potential solutions in the areas of cyberloafing fraud theft and sabotage delving into the importance of conflict management surveying a variety of approaches and applications examining the use of teams in libraries and the impact of favoritism nepotism and sexism and providing techniques for successful collaboration leadership organizational communication and other key management topics By tackling the dysfunctional library head on managers as well as library workers who find themselves in a toxic situation will be poised to better meet library goals and move the library forward
