Foundations Readings In Pre Confederation Canadian History Volume 1:

Readings in Canadian History: Pre-Confederation R. Douglas Francis,Donald B. Smith,2002 *Deportation of the Prince Edward Island Acadians* Earle Lockerby,2025-09-19 When the fortress of Louisbourg fell to the British in 1758 the Acadians of Prince Edward Island then known as le Saint Jean were doomed to a horrible fate deportation from their homes to an unknown land thousands of kilometres away Shipwrecks and disease took a terrible toll during the voyage to France and hundreds of the approximately three thousand deportees lost their lives Earle Lockerby s meticulously researched account sheds new light on this tragic event from its implementation to the experiences of the Acadians who eluded British troops and escaped to the mainland to the deportees arrival in Europe Featuring excerpts from original documents and letters Deportation of the Prince Edward Island Acadians is an important record of this neglected chapter in the saga of the Acadian people Now Fred Mai and Grace extraordinary fossil hunters are at the Fortress of Louisbourg hunting a different kind of treasure They are secretly excavating the historic site trying to find a mass of jewels Fred s ancestor may have buried there jewels that could save Fred s family But Fred uncovers far more than he bargained for including a dangerous plot that could leave Fred s family in even more serious trouble The young detectives from the bestselling The Fossil Hunter of Sydney Mines shine in this fast paced mystery for middle readers

Bibliography,1978 **Women's History at the Cutting Edge** Karen Offen,Chen Yan,2020-06-04 This book considers the promise of women s and gender history for revolutionizing our understanding of the past while also acknowledging the current national political financial and other contextual realities that can and do constrain or promote the possibilities for

researching and writing women's history. The editors assert that the promise of women's and gender history is a cutting edge field of research, a revolutionary development in the politics of historical scholarship essential for understanding the human past. Further they argue for the inseparability of women's history and gendered analytical approaches. The contributors to the volume address questions including what have been the achievements of women's and gender history over the past two decades. To what extent has it succeeded in making women's history an integral part of historical study rather than an optional specialist area? What impact has the study of manhood, masculinities and men's gendered power had on our understanding of women's lives? What is the relationship between gender studies and new critical histories of colonialism and empire contact zones, cross cultural encounters and racialization? How is new work on cultural geography and spatial categories impacting on our historical understandings of bodily difference? This book was originally published as a special issue of the Women's History Review.

Law, Life, and the Teaching of Legal History Ian C. Pilarczyk, Angela

Fernandez, Brian Young, 2022-07-19 As the leading legal historian of his generation in Canada and professor at McGill University for over three decades Blaine Baker (1952-2018) was known for his unique personality, teaching style, intellectual cosmopolitanism and deep commitment to the place of Canadian legal history in the curriculum of law faculties. *Law, Life, and the Teaching of Legal History* examines important themes in Canadian legal history through the prism of Baker's career. Essays discuss Baker's own research, his influence within McGill's law faculty, his complex personality and the relationship between the private and the public in the life of a university intellectual at the turn of the twenty-first century. Inspired by topics Baker took up in his own writing, contributors use Baker's broad interests in legal culture to reflect on fundamental themes across Canadian legal history, including legal education, gender and race, technology, nation building and national identity, criminal law and marginalized populations and constitutionalism. *Law, Life, and the Teaching of Legal History* offers a contemporary analysis of Canadian legal history and thoughtfully engages with what it means to honour one individual's enduring legacy in the study of law.
