"Women, Femininity and Public Space in European Visual Culture, 1789-1914 " Temma Balducci,2017-07-05 Focusing on images of or produced by well to do nineteenth century European women this volume explores genteel femininity as resistant to easy codification vis is the public Attending to various iterations of the public as space sphere and discourse sixteen essays challenge the false binary construct that has held the public as the sole preserve of prosperous men By contrast the essays collected in *Women Femininity and Public Space in European Visual Culture 1789 1914* demonstrate that definitions of both femininity and the public were mutually defining and constantly shifting In examining the relationship between affluent women femininity and the public the essays gathered here consider works by an array of artists that includes canonical ones such as Mary Cassatt and Fran s G rd as well as understudied women artists including Louise Abb and Broncia Koller The essays also consider works in a range of media from fashion prints and paintings to private journals and architectural designs facilitating an analysis of femininity in public across the cultural production of the period Various European centers including Madrid Florence Paris Brittany Berlin and London emerge as crucial sites of production for genteel femininity providing a long overdue rethinking of modern femininity in the public sphere Cubism Emily Braun,Rebecca A. Rabinow,2014-10-09 This beautifully illustrated volume tells the story of Cubism through twenty two essays that explore the most significant private holding of Cubist art in the world today the Leonard A Lauder Collection now a promised gift to The Metropolitan Museum of Art The eighty works featured in this volume by Georges Braque Juan Gris Fernand L ger and Pablo Picasso are among the most important and visually arresting in the movement s history These masterpieces critical to the development of Cubism include such groundbreaking paintings as Braque s *Trees at L Estaque* considered one of the very first Cubist

pictures Picasso's Still Life with Fan, L'Inde pendant, one of the first to introduce typography, Gris's noirish uncanny The Man at the Café, one of his most celebrated collages, and Le Ger's uniquely ambitious Composition. The Typographer. Written by renowned experts on this subject, the essays trace the evolution of Cubism from its origins in the still lifes, portraits, and collages of Braque and Picasso through the precisely delineated compositions by Gris that prefigure the Synthetic Cubism of the war years to Le Ger's distinctive intersections of spherical, cylindrical, and cubic forms that evoke the syncopated rhythms of modern life. Also included are a fascinating interview in which Leonard Lauder discusses his approach to collecting, an investigative essay on the information gleaned from the backs of the works themselves, and an authoritative catalogue that further establishes the lives of these magnificent objects. A publication to place alongside the great histories of Modernism, this comprehensive book will stand as the resource for understanding Cubism for many years to come. **New York Magazine**, 1971-03-01. New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.
