subsequent Jewish thought The reaction to Maimonides innovation was complex some scholars accepted his position without reservation others accepted the idea that Jewish beliefs could be reduced to a creed but disagreed with Maimonides formulation still others rejected the project of creed formulation in Judaism altogether The locus classicus of this last position is the Rosh Amanah of Isaac Abravanel 1437-1508 Abravanel's ostensible aim in writing Rosh Amanah was to defend Maimonides creed from the attacks of its critics notably Hasdai Crescas and Joseph Albo and it contains the most exhaustive and systematic analysis of the Thirteen Principles ever written After twenty two chapters of sustained and zealous defence of Maimonides however Abravanel seems to contradict himself arguing at the end of his book that in fact Judaism has no dogmas whatsoever and that all its beliefs are equally valid fundamental and precious This is the first complete English translation of Abravanel's classic work and includes a comprehensive introduction and notes

Breakthrough Prayer

Guillermo Maldonado, 2018-10-02 Prayer is not a practice or a ritual It is a place A secret place in the Spirit A place of divine encounters with our heavenly Father where we express our love for Him and enter the dimensions of His glory and power Where we welcome His presence receive His revelation and guidance for our life and are empowered to serve His purposes on earth while experiencing the outpouring of His grace through miracles healings deliverances and salvations With a scriptural foundation the conviction of personal experience and the evidence of many testimonies Guillermo Maldonado passionately reveals how to enter this place in the Spirit so we as the body of Christ can become a house of prayer Discover the joy of two way communication with the Father Learn not only to hear His voice but to listen and act on what He is saying to you See how to build momentum in your prayer life creating a spiritual atmosphere in which God moves powerfully on behalf of His people Discover essential keys for breakthrough and how to have all your prayers answered according to God's will and Word There has never been a more vital time to find our place in prayer We are in a period of increased opposition from the enemy as we draw closer to the day of Christ's return This requires us to attain a higher level of spiritual power and authority which can only come through breakthrough prayer that ushers us into God's presence Nothing else will prepare us to meet the challenges that are coming our way Nothing else will prepare us for the second coming of Christ Now is the time to be spiritually vigilant Now is the time to watch and pray

Jesus Goes to McDonald's Luiz Alexandre Solano Rossi, 2011-11-11 This book demonstrates that Latin American liberation theology continues to produce substantial biblical exegesis absorbing theological reflection and a sharp social critique that enhances the worldwide church In *Jesus Goes to McDonald's* Rossi asserts that the book of Job protests against the devastating effects of imperial Persian rule in postexilic Judah effects seen as the stimulus for the theology of reward so severely criticized by Job Not since Gustavo Gutierrez's *On Job* has there been such a compelling reading of the book of Job as a literary mirror of oppressive socioeconomic and political conditions Rossi uses Job to offer a critique of the prosperity theology that is so dominant in parts of the church today The second half of the book offers a radical critique of the McDonaldization of society and church Free market capitalism has become an all embracing worldview to the detriment of society and church As counter speech Rossi proposes a theology that favors life a life in which solidarity with the poor is central

A Modern Ninety-Five Nancy A. Almodovar, 2008-06-01 In 1517 an Augustinian monk by the name of Martin Luther nailed ninety five statements to the door at Castle Church in Wittenberg Germany This was not a means of open debate but a desire to discuss scholarly objections to church practices of the time Five centuries later many of the same errors and heresies have crept back into the evangelical church A modern ninety five theses couched in new terms for a new generation require scholarly debate once again Through modern day apostles and prophets and through the elitists within the evangelical church the doctrine of buying God's grace and favor has been propagated through appeals for seed offerings and atonement day donations in order to garner God's blessings Pragmatic approaches to preaching the gospel through such movements as the seeker driven models have moved the focus of the message of Christ and the worship of God

from being God centered to human centered Sound historical doctrines such as the Trinity have been relegated to the sidelines in favor of unity and ecumenicalism with Oneness preachers In the words of Martin Luther Out of love for the truth and the desire to bring it to light the following propositions need to be discussed in their entirety by church leaders pastors and laypeople alike
