Diary of a Young Naturalist Dara McNulty, 2021-06-08 This stunning memoir from a sixteen-year-old globally renowned youth climate activist is a galvanizing love letter to nature. Publishers Weekly *Diary of a Young Naturalist* chronicles the turning of a year in award-winning nature writer Dara McNulty's Northern Ireland home patch. Beginning in spring when the sparrows dig the moss from the guttering and the air is as puffed out as the robin's chest, these diary entries about his connection to wildlife and the way he sees the world are vivid, evocative, and moving. As well as Dara's intense connection to the natural world, *Diary of a Young Naturalist* captures his perspective as a teenager juggling exams, friendships, and a life of environmental campaigning. We see his close-knit family, the disruptions of moving and changing schools, and the complexities of living with autism. In writing this book, writes Dara, "I have experienced challenges but also felt incredible joy, wonder, curiosity, and excitement. In sharing this journey, my hope is that people of all generations will not only understand autism a little more but also appreciate a child's eye view on our delicate and changing biosphere." Winner of the Wainwright Prize for UK nature writing, *Diary of a Young Naturalist* is a triumphant debut from an important new voice. The
