What if the story of civilization did not begin in Mesopotamia Egypt or the Indus Valley but thousands of years earlier in the shadows of the Ice Age Ice Age Hidden History challenges the conventional timeline and explores the possibility that advanced human cultures once thrived long before recorded history only to be erased by floods climate upheaval and the rising seas of a world in transition From the megalithic enclosures of Gobekli Tepe to the enigmatic Yonaguni Monument beneath the Pacific from the drowned plains of Doggerland to the colossal stones of Baalbek this book journeys across the globe to investigate anomalies that defy orthodox explanations Were these structures the work of scattered hunter gatherers or do they hint at a deeper legacy a mother culture whose knowledge and memory survive only in myths of flood fire and forgotten gods Drawing on archaeology geology genetics and comparative mythology Ice Age Hidden History reveals how fragile our vision of the past truly is and how much remains buried beneath the earth and sea Far from idle speculation this is a serious inquiry into the gaps controversies and overlooked evidence that challenge the story we've been told Readers are invited to look again at the ruins the myths and the science and to consider the unsettling possibility that civilization is not a one way climb but a cycle of rise destruction and rebirth Ice Age Hidden History is for seekers of the ancient mysteries lovers of archaeology and anyone willing to entertain the notion that the human story is far older stranger and richer than we dare imagine *A Distant Journey: Unveiling the Wonders of the Unknown* Pasquale De Marco, 2025-05-21 Embark on an extraordinary journey of exploration and discovery as we delve into the unknown unveiling the mysteries that captivate and inspire humanity Within these pages you will find tales that transport you to ancient civilizations lost worlds and the farthest reaches of the cosmos Prepare to unravel the enigmas of the past as we uncover the secrets of forgotten empires decipher
