Fragrant Palm Leaves Thich Nhat Hanh, 2020-10-06 Thich Nhat Hanh at his most personal and endearing a rare record of his unselfing which made him himself the monk who brought mindfulness to the world The Marginalian Read the journals of Thich Nhat Hanh as he reflects on being as a young man in the United States and Vietnam just as his home country plunged into war It isn't likely that this collection of journal entries which I'm calling Fragrant Palm Leaves will pass the censors I'll leave Vietnam tomorrow Thus Thich Nhat Hanh begins his May 11 1966 journal entry After leaving Vietnam he was exiled for calling for peace and was unable to visit his homeland again until 2004 In the interim Thich Nhat Hanh continued to practice and teach in the United States and Europe and became one of the world's most respected spiritual leaders But when these journals are written all of that is still to come Fragrant Palm Leaves reveals a vulnerable and questioning young man a student and teaching assistant at Princeton and Columbia Universities from 1962 1963 homesick and reflecting on the many difficulties he and his fellow monks faced at home trying to make Buddhism relevant to the people's needs We also follow Thich Nhat Hanh as he returns to Vietnam in 1964 and helps establish the movement known as Engaged Buddhism A rare window into the early life of a spiritual icon Fragrant Palm Leaves provides a model of how to live fully with awareness during a time of change and upheaval

Zen Conquests Alexander Soucy, 2022-07-31 At the tail end of the twentieth century a monk transformed a small village temple on the outskirts of Hanoi into a monastery and meditation center called Thi n Vi n S ng Ph c a place where monastics and lay Buddhists could learn and practice Zen meditation In time the original temple was replaced by numerous large buildings to accommodate meditation sessions youth events weddings classes and a variety of other activities designed to keep practitioners engaged Thi n Vi n S ng Ph c's approach to Buddhism as a life commitment for all ages and genders has been very successful

attracting more than a thousand Buddhists to its weekly services It joined Thi n ph i Tr c L m a much larger organization started by Th ch Thanh T in southern Vietnam that has expanded to northern Vietnam and internationally In Zen Conquests Alexander Soucy presents not only the first ethnography of Thi n Vi n S ng Ph c and its followers but also a compelling look at how the discourses of Buddhist Modernism were incorporated at a local level into this new space on the outskirts of Hanoi and how and why new constituencies of followers are drawn to Zen Buddhism in contemporary Vietnam Thi n Vi n S ng Ph c s Zen tradition purports to be a continuation of the only Zen Buddhist sect founded in Vietnam the fourteenth century Tr c L m Zen School However the movement can also be seen as the product of Buddhism s globalization born from the D T Suzuki inspired interest in Zen in South Vietnam during the American War Despite its claims to be authentically Vietnamese Zen it more closely resembles Modernist versions of Buddhism practiced by Western converts in North America than anything Vietnamese Soucy maintains that it is only by looking at the processes of globalization that Vietnamese Buddhism both in the context of Vietnam but also in the Vietnamese diaspora can be properly understood He argues convincingly for acknowledging the continued influence of transnational pan Asian and global flows of migration and communication on the development of multiple forms of Buddhism worldwide The Routledge Handbook of Buddhist-Christian Studies Carol Anderson, Thomas Cattoi, 2022-09-30 Buddhist Christian dialogue has a long and complex history that stretches back to the first centuries of the common era Comprising 42 international and disciplinarily diverse chapters this volume begins by setting up a framework for examining the nature of Buddhist Christian interreligious dialogue discussing how research in this area has been conducted in the past and considering future theoretical directions Subsequent chapters delve into important episodes in the history of Buddhist Christian dialogue contemporary conversations such as monastic interreligious dialogue multiple religious identity and dual religious practice and Buddhist Christian cooperation in social justice social engagement pastoral care and interreligious education settings The volume closes with a section devoted to comparative and constructive explorations of different speculative themes that range from the theological to the philosophical or experiential This handbook explores how the study of Buddhist Christian relations has been and ought to be done The Routledge Handbook of Buddhist Christian Studies is essential reading for researchers and students interested in Buddhist Christian studies Asian religions and interreligious relationships It will be of interest to those in fields such as anthropology political science theology and history *Historical Dictionary of the War in Vietnam* Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the

war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War

Religious Leadership Sharon Henderson Callahan, 2013-05-20 This 2 volume set within The SAGE Reference Series on Leadership tackles issues relevant to leadership in the realm of religion It explores such themes as the contexts in which religious leaders move leadership in communities of faith leadership as taught in theological education and training religious leadership impacting social change and social justice and more Topics are examined from multiple perspectives traditions and faiths Features Benefits By focusing on key topics with 100 brief chapters we provide students with more depth than typically found in encyclopedia entries but with less jargon or density than the typical journal article or research handbook chapter Signed chapters are written in language and style that is broadly accessible Each chapter is followed by a brief bibliography and further readings to guide students to sources for more in depth exploration in their research journeys A detailed index cross references between chapters and an online version enhance accessibility for today's student audience

Accommodation and Acceptance Ambrose Mong, 2015-12-31 As Hans Kung said No peace among the nations without peace among the religions No peace among the religions without dialogue between the religions No dialogue between the religions without investigation of the foundations of the religions Accommodation and Acceptance is a crucial work in both promoting interreligious dialogue and exploring the turbulent history of Christian faith and identity in Asia down the years From the reaction to missions often inextricably linked with the practice of colonialism to the rise of religious pluralism Ambrose Mong examines the relationships between the leading faiths of Asia up to the present day Whether practicing pluralism or exclusivism the history of Christianity in Asia is long and fascinating Ambrose Mong delves into the biography of intercultural pioneers like Matteo Ricci and Timothy Richard to understand better the theology as well as the pragmatism behind cultural accommodation and the necessary mutability of an eternal church

The Buddhist World John Powers, 2015-10-05 The Buddhist World joins a series of books on the world's great religions and cultures offering a lively and up to date survey of Buddhist studies for students and scholars alike It explores regional varieties of Buddhism and core topics including buddha nature ritual and pilgrimage In addition to historical and geo political views of Buddhism the volume features thematic chapters on philosophical concepts such as ethics as well as social constructs and categories such as community and family The book also addresses lived Buddhism in its many forms examining the ways in which modernity is reshaping traditional structures ancient doctrines and cosmological beliefs

Views of Nature and Dualism Thomas John

Hastings, Knut-Willy Sæther, 2024-01-19 In the face of the anthropogenic threats to the singular planetary habitat we share with other human beings and non human species humanities scholars feel a renewed sense of urgency 1 to acknowledge the ways our species has funded particular histories of environmental exploitation alienation and collapse 2 to unpack inherited assumptions that impact our views of nature and interspecies relations and 3 to suggest ways of thinking and acting that seek to repair the damage and promote mutual flourishing for all of earth inhabitants This volume brings together scholars in philosophy theology and religion who take up this urgent ethical task from a broad range of perspectives and locations

Thomas Merton and Thich Nhat Hanh Robert Harlen King, 2001-01-01 The book concludes by showing how the influence of Merton and Nhat Hanh is reflected in the work of contemporaries such as Thomas Keating David Steindl Rast A T Ariyaratne and Joanna Macy BOOK JACKET **After Gandhi** Anne Sibley O'Brien, 2018-11-20 In 1908 Mohandas Gandhi spoke to a crowd of 3 000 Together they protested against an unjust law without guns or rioting Peacefully they made a difference Gandhi s words and deeds influenced countless others to work toward the goals of freedom and justice through peaceful methods Mother and son team Anne Sibley O'Brien and Perry Edmond O'Brien highlight some of the people and events that Gandhi s actions inspired From Rosa Parks to the students at Tiananmen Square to Wangari Maathai these people have made the world sit up and take notice The provocative graphics and beautiful portraits accompanying these stories stir the emotions and inspire a sense of civic responsibility **Modernity and Re-enchantment** Philip Taylor, 2008-01-01 Representative of a new wave of anthropological research on religion in Vietnam Modernity and Re-enchantment brings together in a single book the latest and best research available on this topic Its lively and original descriptions deftly evoke the burgeoning field of religiosity in contemporary Vietnam With case studies into a great variety of religious practices it covers more ground than the small handful of single authored books currently available on religion in Vietnam **Justpeace Ethics** Jarem Sawatsky, 2009-01-01 People too often enter into conflict with an eye on how to resolve manage or transform it thereby losing sight of the people involved and the end desired Justice and peace too often serve as abstract ideals or distant shores We have not yet learned enough about how these ends can also be the means of conflict resolution Drawing on the imaginations of some leading peace and restorative justice practitioners Justpeace Ethics identifies components of a justpeace imagination the basis of an alternative ethics where the end is touched with each step In this simple companion to justpeace ethics Jarem Sawatsky helps those struggling with how to respond to conflict and violence in both just and peaceful ways He offers practical examples of how analysis intervention and evaluation can be rooted in a justpeace imagination The Ethic of Traditional Communities and the Spirit of Healing Justice Jarem Sawatsky, 2009-01-15 What is healing justice Who practices it What does it look like In this groundbreaking international comparative study on healing justice Jarem Sawatsky examines traditional communities including Hollow Water an Aboriginal and Métis community in Canada renowned for their holistic healing work in the face of 80 per cent sexual abuse rates the Iona Community a

dispersed Christian ecumenical community in Scotland known for their work towards peace healing and social justice rebuilding of community and the renewal of worship and Plum Village a Vietnamese initiated Buddhist community in southern France and home to Nobel Peace Prize nominated author Thich Nhat Hanh These case studies record a search for the kind of social structural and spiritual relationships necessary to sustain a healing view of justice Through comparing cases Sawatsky identifies the common patterns themes and imagination which these communities share These commonalities among those that practice healing justice are then examined for their implications for wider society particularly for restorative justice and criminal justice This innovative book is accessible to those new to the topic while at the same time being beneficial to experienced researchers and will appeal internationally to practitioners students and anyone interested in restorative justice law peace building and religious studies

Peace Begins Here Thich Nhat Hanh, 2001-08-19 In this Buddhist perspective on resolving conflict global spiritual leader poet and peace activist Thich Nhat Hanh demonstrates how a real peace process is based on spiritual not political strength Inspired by an ongoing Buddhist retreat project for Palestinians and Israelis *Peace Begins Here* offers practical ways to handle our strong emotions and misperceptions and provides a possible way out of the ongoing conflict in the Middle East *Peace Begins Here* features stories from individual Palestinians and Israelis as well as examples from Thich Nhat Hanh's life including his experience with nonviolent action during the war in Vietnam and its aftermath Highlights include personal stories from participants in the peace retreats and Thich Nhat Hanh's collected practices for peace including deep listening deep relaxation mindful walking mindful eating and loving speech

[A Political Economy of Attention, Mindfulness and Consumerism](#) Peter Doran, 2017-07-14 The power of capital is the power to target our attention mould market ready identities and reduce the public realm to an endless series of choices This has far reaching implications for our psychological physical and spiritual well being and ultimately for our global ecology In this consumer age the underlying teachings of Buddhist mindfulness offer more than individual well being and resilience They

also offer new sources of critical inquiry into our collective condition and may point in time to regulatory initiatives in the field of well being This book draws together lively debates from the new economics of transition commons and well being consumerism and the emerging role of mindfulness in popular culture Engaged Buddhist practices and teachings correspond closely to insights in contemporary political philosophical investigations into the nature of power notably by Michel Foucault The attention economy can be understood as a new arena of struggle in our age of neoliberal governmentality as the forces of enclosure having colonized forests land and the bodies of workers are now extended to the realm of our minds and subjectivity This poses questions about the recovery of the mindful commons the practices we must cultivate to reclaim our attention time and lives from the forces of capitalization This is a valuable resource for students and scholars of environmental philosophy environmental psychology environmental sociology well being and new economics political economy environmental politics the commons and law as well as Buddhist theory and philosophy
