Jesus' Emotions in the Fourth Gospel Stephen Voorwinde,2005-11-01 This book seeks to discuss John's references to Jesus emotions in the light of the current debate regarding Johannine Christology The Fourth Gospel refers to Jesus love joy and zeal At times it also portrays him as troubled deeply moved and in tears Do these expressions of emotion underscore Jesus humanity or his divinity The study is set against the background of the emotions of God as found in earlier Jewish literature as well as against that of the emotions of Jesus in the Synoptics and the remainder of the New Testament Voorwinde argues that the covenant provides the most consistent perspective for viewing both the emotions of Yahweh in the Old Testament and the emotions of Jesus in the Gospels The Johannine Jesus is found to fulfil the hitherto incompatible roles of covenant Lord and covenant sacrifice Rather than being expressive only of his humanity Jesus emotions are also found to underscore his divinity This is due to the unique genius of this Gospel with its paradoxical presentation of Jesus whose divinity is manifested most eloquently in his weakness suffering and death Only his tears at the grave of Lazarus can be explained as a human emotion pure and simple All the other emotions because of their strong connections to the cross highlight both Jesus humanity and divinity albeit for various reasons and in highly nuanced ways JSNTS 284

Jesus as the Pierced One Bret A. Rogers, 2020-06-08 How can John use Zech 12 10 to explain both Jesus first coming in humility John 19 37 and Jesus second coming in glory Rev 1 7 In this book Rogers demonstrates how God's self revelation in Jesus provides the key for understanding the fulfillment of Zech 12 10 in light of both John's high Christology and John's inaugurated and consummated eschatology In contrast to previous approaches Rogers proposes that John interprets Zech 12 10 not simply along a human messianic axiom but along a divine messianic axiom Moreover by treating Zech 12 10 John 19 37 and Rev 1 7 in a single study readers will better understand the unified narrative spanning the Testaments the nature of Jesus divine identity and mission in John's writings and how Jesus divine nature and mission compels the church to live between his two advents Dictionary of Jesus and the Gospels Joel B. Conceptual Worlds of the Fourth Gospel Charles B. Puskas, C. Michael Robbins, 2021-01-08 Over and under and through John's story of Jesus are unforgettable ideas and concepts profoundly simple and simply profound for the author's own audience and beyond These ideas did not originate in a vacuum They have recurred and been repeated before and after the writing of the Fourth Gospel For this reason we will examine the meaning of its words and themes in the context of its Jewish Greco-Roman milieu Much of our intertextual understanding will be derived from alleged parallels that involve comparisons of similar vocabulary and phrases as well as parallel concepts and images from the Old Testament the Dead Sea Scrolls Philo and other relevant writings Such parallels will help to determine the meaning of a word or expression the translation of a particular language determining any direct influences upon the Fourth Gospel parallel traditions or the influence of its ideas as a creative and inspiring work of later antiquity **Gospels Speak, The** Dorothy A. Lee, 2017 This book takes four

fundamental questions of human existence including the existence of evil and suffering the pervasiveness of anxiety and fear the quest for personal meaning and the issue of whether a sense of purpose is to be found in human history and creation

Each of these questions is addressed in each chapter to one Gospel to see what it has to offer in the light of the good news revealed in Christ *Hearing Visions and Seeing Voices* Gerrit Glas, Moshe Halevi Spero, Peter J. Verhagen, Herman M. van

Praag, 2007-09-09 The chapters in this book are based on papers that were presented at the international conference Psychological Aspects of Biblical Concepts and Persons 4-6 March 2002 in Amsterdam The conference was organized by the Dutch Foundation for Psychiatry and Religion in Dutch Stichting Psychiatrie en Religie a small but active and lively organization which organizes conferences and post graduate education for mental health professionals and which offers a platform for interdisciplinary research and discussion in the field of mental health and religion The organizers of the

conference Gerrit Glas Herman M van Praag and Peter J Verhagen are members of the board of the Foundation All three are psychiatrists two of them are also professionally occupied in another discipline theology Verhagen and philosophy Glas The primary aim of the conference was to create a space for scientific dialogue between two disciplines with a troubled and complex relationship psychiatry and theology The exchange of opinions and viewpoints between specifically these two fields has dried up in the course of the past century and has virtually been absent from around 1960 till at least the early nineties of the previous century I need to clarify that we were quite specific in isolating theology and psychiatry instead of focusing on theology and psychology or biblical studies and psychology or theology and psychoanalysis Psychology and psychoanalysis do not seem to have lost all contact with theology at least not to such an extent as have psychiatry and theology

The Book of Revelation Simon Patrick Woodman, 2008 This textbook identifies the sections of Revelation in a sensible and helpful way as well as identifying the key theological themes with a view to their context and interpretation

SCM Core Text: The Book of Revelation Simon Woodman, 2013-01-25 For most people Revelation is a book that is either largely ignored or it is the object of such fanatical study and fanciful interpretation that it passes from the realm of the interesting and helpful into the realm of fantasy and speculation Much literature has been published in recent years on its interpretation some of which is scholarly and technical and some of which is populist and accessible The problem is that the technical and scholarly material frequently requires

careful and detailed study combined with an advanced level of knowledge whereas much of the populist material tends toward the fanatical and fanciful The aim of this book is to bridge this gap It is written with second and third year university students in mind and would also be helpful for pastors and those in local churches who want to take seriously their study of this often needlessly confusing biblical book **Oral Tradition and Literary Dependency** Terence C.
