Four On The Floor For Violin Cello Cbass Piano:

Women of Influence in Contemporary Music Michael K. Slayton, 2010-12-23 In *Women of Influence in Contemporary Music* Nine American Composers Michael K Slayton has collected essays which focus on women who have made significant contributions to American music Elizabeth Austin Susan Botti Gabriela Lena Frank Jennifer Higdon Libby Larsen Tania Le n Cindy McTee Marga Richter and Judith Shatin While these composers have much in common not least of all dedication to their art their individual stories reveal different impulses in American music Their works reflect the shifting societal landscapes in the United States over the last seven decades as well as different stylistic approaches to writing music Each chapter includes a biography of the composer an interview and a detailed analysis of one major composition The composers openly reflect on their individual journeys in which they have discovered respective musical languages and have found success during different times in history Because few music books focus solely on female composers *Women of Influence in Contemporary Music* offers a rare glimpse into the styles and attitudes of gifted women and their work **A Composer's**

Insight: Leslie Bassett Timothy Salzman, 2003 This is a five volume series on major contemporary composers and their works for wind band Included in this initial volume are rare behind the notes perspectives acquired from personal interviews with each composer An excellent resource for conductors composers or enthusiasts interested in acquiring a richer musical understanding of the composers training compositional approach musical influences and interpretative ideas Features the music of Timothy Broege Michael Colgrass Michael Daugherty David Gillingham John Harbison Karel Husa Alfred Reed and others **In Her Own Words** Jennifer Kelly, 2013-06-01 This collection of new interviews with twenty five accomplished female composers substantially advances our knowledge of the work experiences compositional approaches and musical intentions of a diverse group of creative individuals With personal anecdotes and sometimes surprising intimacy and humor these wide ranging conversations represent the diversity of women composing music in the United States from the mid twentieth century into the twenty first The composers work in a variety of genres including classical jazz multimedia or collaborative forms for the stage film and video games Their interviews illuminate questions about the status of women composers in America the role of women in musical performance and education the creative process and inspiration the experiences and qualities that contemporary composers bring to their craft and balancing creative and personal lives Candidly sharing their experiences advice and views these vibrant thoughtful and creative women open new perspectives on the prospects and possibilities of making music in a changing world

The Kaleidoscope of Women's Sounds in Music of the Late 20th and Early 21st Centuries Kheng K. Koay, 2015-10-05 This book traces the development of music in the late 20th and early 21st centuries with regards to the work of six women composers Sofia Gubaidulina Joan Tower Ellen Taaffe Zwilich Libby Larsen Chen Yi and Judith Weir The study integrates cultural contexts with the composers biographies their diverse compositional styles and provides in depth analyses of their musical works *The Kaleidoscope of Women's Sounds in Music of*

the Late 20th and Early 21st Centuries offers a more detailed guide to not only these composers but also their musical characters and styles than previous studies on women's music. It discusses several aspects of these women's compositional perspectives and their personal experiences as they developed their music careers. The book also places emphasis on how these composers incorporated diverse musical styles and the idioms of others into the development of their own distinctly personal styles. The analytical approach adopted in this book is supplemented with illustrations of musical examples in order to provide a more complete understanding of the work of these composers.

Dictionary of American Classical Composers Neil Butterworth, 2013-10-02 The Dictionary of American Classical Composers covers over 650 composers active from the 18th century to today. Covering all classical styles it offers the most comprehensive overview of key composers in the United States available. Entries include basic biographical information and critical analysis of each composer's key works and ideas. Entries also include worklists and bibliographic information. Whenever possible the entries will have been checked by the composers themselves to assure greatest possible accuracy. This new edition completely updated and expanded from the 1984 edition also includes over 200 historic photographs.

International Society of Bassists, 1989 **Libby Larsen** Denise Von Glahn, 2017-08-15 Libby Larsen has composed award winning music performed around the world. Her works range from chamber pieces and song cycles to operas to large scale works for orchestra and chorus. At the same time she has advocated for living composers and new music since cofounding the American Composers Forum in 1973. Denise Von Glahn's in depth examination of Larsen merges traditional biography with a daring scholarly foray: an ethnography of one active artist. Drawing on musical analysis, the composer's personal archive and seven years of interviews with Larsen and those in her orbit, Von Glahn illuminates the polyphony of achievements that make up Larsen's public and private lives. In considering Larsen's musical impact, Von Glahn delves into how elements of the personal—a 1950s childhood spiritual seeking love of nature and status as an important woman artist—inform her work. The result is a portrait of a musical pathfinder who continues to defy expectations and reject labels.

Unsung Christine Ammer, 2001 Examines the contributions of women instrumentalists, composers, teachers, and conductors to American music and suggests why they have gone unnoticed in the past.

The Pandora Guide to Women Composers Sophie Fuller, 1994 In this ground breaking reference book, Sophie Fuller provides accessible, original, and extensive information in an A to Z of over a hundred women composers from Britain and the United States, covering the period from 1629 right up to the contemporary scene. Each entry gives a flavour of the composer's milieu as well as her music to provide a fascinating insight into both her life and creative works. Fuller examines the reasons why women composers have been so neglected, reassesses their work in the light of recent scholarship, both musicological and biographical, and provides a critical frame of reference in which to place both the women and their music.
